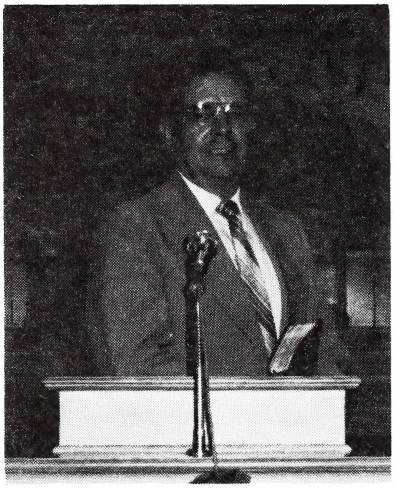
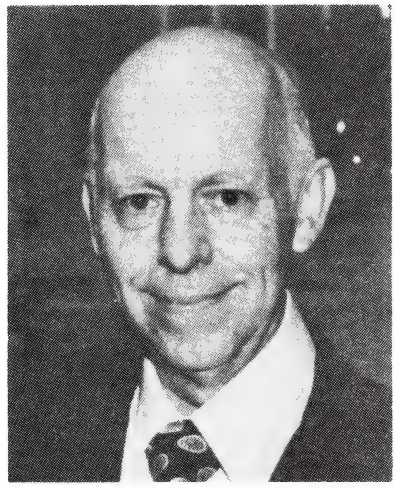
Dedications



REV. ALFRED S. SELLERS

Rev. Sellers was born at McLow, South Carolina in 1925. He was ordained by the Pine Grove Baptist Church in Rockingham, North Carolina in 1958. He received his education at Fruitland Bible Institute and Southeastern Baptist Theological Seminary. Rev. Sellers served the Hickory Grove Baptist Church in Bennetsville, South Carolina; Hamburg Baptist Church in Glenville, North Carolina; East Sylva Baptist Church in Sylva, North Carolina; Ninevah Baptist Church in Waynesville, North Carolina; and Sunrise Baptist Church in Asheville, North Carolina. Rev. Sellers loved the Lord and committed his life to serving Him. He was sick several years and the Lord called him home on September 1, 1985.



REV. B. TERRY THORPE

Bennett Terry Thorpe was born August 7, 1924, in Owensboro, Kentucky. He felt a call to missions at a very early age and pursued that goal in life. While a student at Southern Baptist Theological Seminary in Louisville, Kentucky, Rev. Thorpe pastored several churches. He served as mission pastor of two churches in Florida and was assistant pastor of Central Baptist Church in Miami, Florida where Rev. C. Roy Angell served as senior pastor. While in Florida the Thorpes received a call to First Baptist Church, Old Fort, North Carolina, where they served for three years. In 1958 the Thorpes went to Africa as missionaries and served until May 1966. After returning from the mission field, Rev. Thorpe pastored Amherst Baptist Church in Drexel, North Carolina, and later, for the second time, the First Baptist Church of Old Fort. In January 1977 Rev. Thorpe became pastor of Enka Baptist Church and served until April 1978. On the recommendation of his doctor Rev. Thorpe concluded his pastorate ministry and took a lay job. Before his illness he taught Sunday School at Merrimon Avenue Baptist Church. Rev. Thorpe served the Lord as a dedicated and humble man all of his life. He was a blessing to many, many lives. God granted his last wish and took him home on May 12, 1986.

MRS. E. M. (DOT) QUEEN

Mrs. E. M. (Dot) Queen, the former Dot Emory, was a dedicated and committed servant of the Lord. She was an active member of Emma Baptist Church and served her Lord through the local church, association, and denomination for many, many years. Mrs. Queen was the first secretary of the Buncombe Baptist Association. She worked with Rev. Manly Hocutt in the infancy of the association, giving of herself with tireless effort, working many times with limited resources. She served as secretary for the association from 1950 to 1957. She served as associational Church Training Associate Adult Director for several years. In recent years and up until the time of her death she served as secretary of the associational Church Training Council. The council looked forward to the annual Church Training Council picnic in Mrs. Queen's backyard each summer. Mrs. Queen was active in the associational Church Training program right up through the evening of her sudden death. She will be remembered as a great Christian who gave of herself to the Lord's work in her local church and association.

Director of Missions Report

Buncombe Baptist Association continues to grow with mission programs, ministries, and financial support from associational churches. This past year has been a year of change and transition with associational staff. In September 1985 Nancy Owen came as our part-time financial secretary. In October Carolyn Ann Johnson was employed as our associational Church and Community Ministries Director. Martha Hicks retired as Church Development Director in December 1985. Norma Melton came as our part-time Church Development Director in February 1986. Betty Orr, associational clerk and secretary, continues to bring organization and stability to all phases of associational work. I am grateful for a strong, committed, and dedicated staff with which to work. We definitely have the "team approach" as we move forward with associational work.

There has been a change in our associational newsletter. We have moved from the associational packet of materials to a four-page printed format which features pictures, announcements, and information concerning associational and church happenings. At present our mailing list is reaching 1,300 Baptist leaders in Buncombe County and across the state.

We have updated our office equipment. We now have a new 3M copier that enlarges and reduces materials as one would desire. It turns out beautiful work. In addition we have a new Scriptomatic addressing machine, and a very good used AB Dick folding machine. With new staff we have also updated our typewriters and chairs. We now have very good office equipment for which we are most grateful. We are exploring the world of computers and doing some probing as to how computers may help us to serve the churches in a more efficient and effective way.

With staff positions filled and new equipment in place, we are moving ahead with ministries and programs. In addition to five church programs - Sunday School, Church Training, WMU, Brotherhood, and Music - our association is reaching out and ministering through Church and Community Ministries. We are working more and more in and through our churches serving as equippers, training leadership, and encouraging churches to become more active and involved in the community. We are working with and through community agencies such as ABCCM, Salvation Army, Western Carolina Rescue Mission, and many other helping agencies in our community.

We are looking at population trends and areas of growth throughout the city and county. After identifying "target" areas, we are encouraging existing churches to reach out and

minister to people, or begin some type of Outreach Bible Study, mission outreach or new work. We have begun, with the help of the Language Missions Division of our Baptist State Convention, some Bible studies with Spanish speaking people.

Our association took a giant step forward this past year when the Moderator named a seven member Feasibility Committee to study the association's property and plans for the future. This committee was named by Moderator Jackie Collins as a result of the Long Range Planning Committee chaired by Dr. James Weaver. Many months of study and meetings through the Long Range Planning Committee have lifted several goals and objectives for our association to address in the years ahead. We need to keep before us (1) Development and Promotion of Evangelism and Outreach, (2) Development and Promotion of Training and Education Strategies, (3) Development and Promotion of Church and Community Ministries, and (4) Development and Improvement of Operations and Administration. Under each of these four objectives are goals to be met and groups assigned to help meet these goals.

How does the future look for Buncombe Baptist Association? It looks very bright! There is a fellowship among Buncombe Baptists that is unsurpassed. May we continue to pray for one another, work together, and cooperate as the Lord leads each one of us in the years ahead.

Church and Community Ministries Report

As I reflect on my first year in the Buncombe Baptist Association, I think of so many people who have made it a wonderful year for me. My work began in October 1985 with the annual meeting only one week away. The timing was perfect for me to meet people from many of our churches. Pastors, church members, our staff, and church leaders have made my transition from seminary to Church and Community Ministries an easy and enjoyable one. I am especially grateful to Gayle and his guidance as I began in this ministry. God has truly blessed me and this ministry this year.

We were able to begin several new ministries this year. The children's ministry at Craggy Prison was expanded. Local churches committed themselves for one Sunday a month for a six months period. This ministry offers the opportunity of witnessing and nurturing children in Christ's love. Churches that participated this year included: Trinity, Asheville First, Fairview Christian Fellowship, Biltmore and Hill Street Baptist.

The prison toy collection was a big success! Some 30 churches in our association donated toys and finances. In additon, Madison High School, Christian Fellowship churches and Seventh Day Adventist churches gave large contributions. Because of this, 200 children received at least five toys each and a Good News Bible for Christmas.

In January Fred Duckett, a member of Asheville First, began serving as part-time Chaplain at Craggy Prison. He spends an average of 45 hours a week in counseling, hospital visitation, attending conferences and assisting inmates. Fred continues to be a major asset to the ministry at Craggy Prison.

Rudy Aquero has led the Spanish Ministry since mid-December. He works one day a week leading Bible studies, visiting and making contacts with Hispanics in Buncombe County. The Spanish Committee met monthly providing support and helping to build relationships with the Spanish. The committee and Hispanics enjoyed two dinners, one at the Baptist Building and a cookout with an evening of fun at Recreation Park. About 12 attended both dinners.

Single and senior adult ministries were begun in February. Leaders of these groups met monthly to plan quarterly events. On March 14 a covered dish dinner for singles was held at Asheville First. Fifty singles from a variety of denominations attended. Guest speakers were Charles and former National Singles Consultant for the SBC, Ann Smith. They led an inspirational program. June 7 was a fun-filled day of boating, games and fellowship for 65 singles at Lake Julian. Several guys from Beverly Hills grilled hamburgers and other churches led the recreation and activities.

Teresa Dowless, student at Campbell University, enjoyed the summer helping develop programs for senior adults in the county. She worked with three churches interested in beginning senior adult ministries: Barnardsville, Mountain View and Oteen Baptist. She planned biweekly programs for three retirement homes: Aston Towers, Princess Anne Hotel and the Baptist Retirement Home. She led programs including devotionals, music, games , videos, slides and fellowship. Senior adults were challenged and enjoyed the fellowship of this ministry. With Teresa's help the churches plan to continue senior adult programs.

On July 15, 130 senior adults from 20 + churches in the county gathered at Lake Julian for a wonderful lunch and afternoon of games, singing and fellowship. Groups from several churches sang and provided the entertainment.

Please note the Summer Missionaries Report. In addition to the work of the summer students, two pastors led weekly worship at KOA campground. Rev. James Lamb, pastor of Grovestone Church, and Rev. Barry Roberts, pastor of Oteen Church, began worship services and continued through the fall with an average attendance of 25-30 at each service. This was a great opportunity to witness to persons who would not otherwise have gone to church. A special thanks also to their church members who provided special music for the services.

Summer Student Missionaries Report

The summer has moved so quickly since we arrived. We have had a fantastic time serving God through the various ministries of the association. We looked at three different ministries this summer - Vacation Bible Schools, Backyard Bible Clubs and leading worship services in a campground.

We have assisted with VBS in seven different churches - Hominy, South Asheville, Edgewood, Oak Grove, Clear Branch, Enka and Bethel. We have taught all ages from preschool through youth and also led in recreation and music. All of the churches have been great to work with and we met many people who made our summer extra special. All of the schools were well attended and several decisions for Christ were made at each.

Backyard Bible Clubs have been another area of our ministry. These are similar to VBS but designed more for unchurched children. Thirteen clubs with 167 children were held in locations around the association - some have been in actual backyards while others have been in apartment complexes and day care centers. We often had two clubs a day with each club consisting of two groups - preschool and children. One thing we have found that has hindered the attendance of the clubs has been that most of the children in the areas are in day care centers during the daytime so we were not able to reach them. Also the usual competition with the swimming pool and other activities has kept some of the children away. But overall, we have had good attendance and we have been able to share Jesus with many children. We were also blessed to have two very special people with us the first two weeks of our summer; they were Charles and Gertrude Akins, Christian Service Volunteers from Clearwater, Florida. They have experience in leading Backyard Bible Clubs and were able to guide us and show us how to lead them.

We have also worked in the Wray Frazier Campground in Swannanoa. We were responsible for leading a Friday night fellowship and a Sunday morning worship service each week for the campers. Most of them are retired couples from Florida who come to North Carolina (where it's "cooler") to spend the summer. We have found this area to be so rewarding because of these beautiful Christian senior adults that we work with. They have most definitely been a blessing to us and have ministered to us in so many special ways through their love and concern. The attendance steadily increased. Every time we met we saw new faces and met new people.

We have also worked in a few other areas as well. Two Sunday afternoons we went to the prison and spent time with the children of the inmates during visiting hours. Another time we

led the devotion at a youth lock-in. We have learned the importance of being flexible. This summer has been very rewarding and a time of growth for all of us. We have discovered what God can do if we are willing.

Senior Adults Report

Through a ministry to three churches - Barnardsville, Mountain View, Oteen - and three retirement homes - Western Carolina Baptist Retirement Home, Aston Towers, Princess Anne - over 100 senior adults have participated in programs organized for them with a student summer worker. Programs have included Bible studies, slide presentations, community awareness of homeless/hungry, video presentations, music and even picnics for some.

Churches are encouraged to organize a Senior Adult Council to plan and conduct monthly meetings with senior adults. The area of growth for senior adult ministry is increasing. We hope that this will not end with the summer, but that it will just be a new beginning!

Family Prison Ministries Report

It is estimated that over 1,200 man hours (excluding chaplain's time) were spent during the 1985-86 year ministering to physical and spiritual needs of inmates and their families.

The addition of Fred Duckett as part-time chaplain at Craggy Correctional Center has increased the effectiveness of this ministry. Fred, who is employed by the Buncombe Baptist Association, spends a minimum of 10 hours a week at Craggy counseling with inmates. He reports any needs and concerns an inmate's family may have to the Family Prison Ministries. We in turn try to minister to these needs and concerns.

The majority of Family Prison Ministries' involvement has been in three areas: (1) *In Prison Child Care*. Four churches committed themselves to one Sunday a month for six months of providing games, entertainment, Bible stories, and one-on-one witnessing to children of mothers visiting their husbands at Craggy. For many of these children, this is the only opportunity they have to hear about Jesus. Three of the four churches have signed up for another six months. A replacement for the fourth is being enlisted. (2) *Christmas Toys for Inmates*. This project provides toys for inmates to give their children. This year toys were provided for 276 children of inmates at three local correctional units. This was an increase of about 25 over the previous year. (3) *Transportation*. Transportation has been provided for several wives and children to visit inmates at the correctional units. We also provide transportation for family members of inmates to the doctor, hospital, church and to take care of business needs.

In addition to these three areas, Family Prison Ministries is also involved in personal counseling, referrals to other agencies, hospital visitation and taking care of other family needs as they arise. Family Prison Ministries is open to anyone concerned for the spiritual and physical welfare of inmates and their families.

Church Development Report

As the present associational calendar year began in July 1985, I was enjoying the opportunity of serving as a volunteer in the Buncombe Baptist Association. This brought great joy and satisfaction. When I had the privilege of joining the associational staff in February 1986, I was pleased to find how helpful those volunteer experiences were in fulfilling my new responsibilities.

The church development program directors and council members continue to train and equip themselves to better serve you as together we reach and disciple people for Christ. Not only are our program leaders available for associational training events and workshops, but

they are also available to assist your local church on a one-to-one basis in beginning a new program area or in training in one of the following areas: Sunday School, Church Training, Music, Woman's Missionary Union or Brotherhood.

The Challenge 10/90 goal to reach 10 million for Christ by 1990 is promoting a renewed effort on the part of our churches to be prepared to reach people. Our ASSISTeam (Associational Sunday School Improvement Support Team) has provided areawide training by teaching the *How to Guide* and the *Challenge* study course books and the *Training Sunday School Workers in Evangelism* module. Also the early Vacation Bible School pastor/director clinic and the VBS associational clinics were taught by ASSISTeam members. In addition we have conducted several outreach conferences in churches.

We must set goals for Sunday School growth because the potential is tremendous. Over 50 percent of people in North Carolina are not enrolled in any kind of Bible study. A new strategy for reaching people called Outreach Bible Study provides excellent opportunities for ministry in Jesus' name.

Church Training is a vital link in equipping people to grow as Christ's disciples. Local church, district and central leadership training clinics were held by our Church Training leaders. The associational Bible drills for children and youth are always an inspiration and a challenge for all involved.

The associational music council leads in providing quality events for various age levels. In May the Buncombe Baptist youth choir performed "Jesus Never Fails." In July the children's choir day camp was climaxed by a performance of "The Best of Kid's Praise." During September the associational adult choir performed the musical "Bread" and an offering of $215.00 was taken for World Hunger. The associational adult choir has accepted an invitation to sing at the Biltmore House on December 5 and 20, 1986.

Much has been accomplished through the hard work of our Woman's Missionary Union Council this past North Carolina WMU Centennial Year. *The History of WMU in Buncombe Association* was completed and distributed at the annual meeting. We have had new organizations started and an increase in enrollments. Many opportunities have been made available to train in the area of missions. GA and RA camps were successful events. Several boys and girls made first time commitments to Christ. The Brotherhood held an informative district meeting which resulted in a new organization in one of our churches. The RA Committee has been very active in sponsoring various events. A Men and Boys Missions Rally in September was an excellent opportunity to gain insights into mission possibilities.

Our Youth Coordinating Committee has been evaluating and planning for youth events. Also, the youth ministers fellowship has been activated and can prove to be a support group for ministers of youth as they meet needs related to youth work.

It would not be possible to effectively carry on these ministries without the cooperative spirit and faithful service of our church development program leaders: Rev. Coy Jeans, Sunday School; Mrs. Elizabeth Myers, Church Training; Roger Ward, Music; Miss Pauline Snelson, WMU; Wayne Higgins, Brotherhood; and Mrs. Jill Satterfield, Youth.

May we continue to move forward remembering the vision and command, "Go . . . Teach . . . Tell!"

Norma Melton, Director
Church Development

Sunday School Report

Throughout the year we have continued to emphasize reaching people for Christ by utilizing the organization that is the outreach arm of the church - Sunday School. We have completed the 8.5/'85 Campaign and we are in another reaching effort called Challenge 10/90. This is an effort to have 10 million enrolled in Sunday School by September 1990.

To assist in the effort of reaching people our Sunday School Board is providing a new program called *Outreach Bible Study*. This is an eight-week study designed for unsaved people.

It is unique in that it is to be used outside the church. Urge your church to consider using this material in home Bible studies throughout your church community.

The ASSISTeam (Associational Sunday School Improvement Support Team) was expanded to three teams this year. The annual Spring Clinic for Sunday School workers was held in three simultaneous locations across our association with the *How to Guide Book* being taught. The Fall Clinic led by ASSIST members was *The People Challenge.*

I want to encourage each church to consider using our ASSISTeam when help is needed in a given area of Sunday School work. We have trained members that can help your Sunday School leadership.

The year 1986-1987 is the PEOPLE CHALLENGE Year. Our business is a people business. People are what we are about. We are to *GO . . . TELL . . . TEACH* the gospel of Jesus Christ. May God richly bless you.

Coy Jeans, Director
Associational Sunday School

Church Training Report

Our theme for 1985-86 was "Bringing Together Lordship and Servanthood."

This year we began our Church Training work with the Leadership Week at Ridgecrest in July. Members of our council attended this conference.

We had our Leadership Training for our association in September at Newbridge Church. There were 74 in attendance with 19 churches represented.

Also in September and October we were privileged to have our State Church Training Department send Mrs. Ara Baker to our association. She worked with the following churches: Oak Grove, Kerlee, Newbridge, Sunrise, Beverly Hills, Freedom, Laurel Springs, Jupiter, and Bethel. She also spoke at the Ministers' Conference and met with our council.

The Bible Drill Leader took children to Starnes Cove on September 20 for a demonstration Bible Drill.

November 7 we had a Church Training Interpretation Dinner for pastors, directors, and spouses at West Asheville Baptist Church. This was sponsored by the State Church Training Department with Maurice Cooper and Jim Simpson leading. Members from 24 churches attended.

"M" NIGHT was November 18 at Grace Church. An inspirational message was delivered by Delos Miles, professor of evangelism at Southeastern Baptist Theological Seminary. White Rock and Riverside were awarded the attendance and achievement banners. Three hundred and seven attended from 36 churches.

December 4 Church Development and Church Training Directors met with Rev. James Paul, pastor of Clear Branch Baptist Chapel. This is the newest work in our association.

Church Training Enablers' Conference was held January 24 and 25 at Fruitland. We had someone represent us in each of the five conferences.

February 11 the "Doctrine of the Laity" seminar for the western area was held at West Asheville Church. We had 36 persons from 16 churches attend from Buncombe.

Church Training was given the responsibility of follow-up in our "Good News America" revivals. February 13 a conference was conducted on follow-up at the Good News Rally and Training Session at Newbridge Church.

There was a New Church Member Training Seminar for our western area February 25 at Hendersonville. Eleven persons from Buncombe attended from the following churches: Biltmore, Pole Creek, Riverside, and Weaverville.

April 14 we had a Church Training Leadership Conference at Swannanoa for the Oteen and Swannanoa districts. Churches represented were: Beverly Hills, Buckeye, Kerlee, Oteen, Mountain View, and Swannanoa.

May was "Bible Drill" month. Associational drills were at Starnes Cove on May 4. Children participating were: Grace - Cherie Nelson, Teresa Gray; New Morgan Hill - Heidi Holloway,

Misty Lovin, Lori McIntosh, Melissa Miller; Riverside - Bethany Gosnell, Les Schofield, Steffini Schofield; Starnes Cove - Eric Cannon, Mark Edmonds; Swannanoa - Rankin Muse. Bethany Gosnell was a three-year state winner.

Youth participating were: Riverside - Stephanie Creasman, Cameron Gosnell, Douglas Penley, Dwayne Rogers. May 9 was area Youth Drill at Hickory, May 16 was Children's State Drill at Hendersonville, and May 24 was Youth State Drill at Asheboro. We are encouraged with the participation in the Bible Drills and we are praying for still more. It is a meaningful experience for our children and youth and also those who work with them.

We had our annual Church Training Council picnic and planning meeting at the home of Mrs. Dot Queen the 28th of June.

This has been a busy and exciting year for Church Training. Yet there is much to be done. Please call us if we can be of assistance.

I want to express my appreciation to the members of the Church Training Council and to our Director of Missions, Gayle Brown, and his staff for all they have done for the cause of Christ through training.

Two Projects for Baptist Women:

Lunches for BSU at UNCA - Mrs. Gracie Jones is doing a good work as she plans with women from churches to take lunch each Monday to serve 25-30 students so they can have their BSU meeting during their lunch hour. Thanks to all who participate in this great ministry.

WMU at Baptist Retirement Home - Mary Francis, resident of the home, works with Teena Strange, BW Director for the association, in planning programs each month. Women from some church go each week and present the Baptist Women program from Royal Service.

Acteens: Miriam Dillingham, Director, reports a successful event for Acteens. A Vocational Fair was held at Skyland Baptist on April 12. A total of 43 Acteens and leaders were present representing seven churches. Thirteen ladies volunteered their services to give girls an opportunity to interview them regarding their vocations. An Acteens Council was organized.

Girls in Action: Edwina Messer, Director, led a very successful camp for GA's at Camp Bear Walla July 21-25. About 100 counselors and children attended and there were 13 professions of faith. (A GA report with more details given elsewhere.)

Mission Friends: Jeanette Cloud, Director, led a study for Mission Friends leaders using the book *To Listen to Learn*.

The associational Leadership Conference for 1986 was held at West Asheville Baptist Church on September 22. There were 120 in attendance with 32 churches represented.

In closing my report, I want to thank the pastors for their cooperation in encouraging missions organizations in their churches. We are training our missionaries for tomorrow through missions education.

May I challenge those churches without a WMU organization to find a *WMU Director*. We, as associational WMU Council, are ready to help in any way to get more women involved.

This has been a good year but we never feel the work is complete.

Pauline Snelson, Director
Associational WMU

Brotherhood Report

It has been another busy year for the Brotherhood in our association. We have seen the Lord at work this year through the lives of many men and boys in our association.

The Royal Ambassador program under the strong leadership of Steve Harris and the RA Committee, has provided the boys in our association with a variety of activities and projects to be involved in. Following is a list of some of the activities that our young men have participated in this year:

(1) Crusader Car Competition
(2) RA Congress

(3) Participation in RA week in the local churches
(4) Association and State RA Track Meets
(5) RA Day at Baptist Colleges
(6) Pioneer Basketball Program - this was the first year for this program in our association with six RA chapters participating. Due to the strong interest in this program we expect to expand considerably next year with several more chapters participating.
(7) RA Camp at Bear Walla in Hendersonville - this event was probably the highlight of the RA year. It was the first time that we had conducted our camp at a separate time from the Carolina Association. We had over 70 boys to participate with 22 accepting Christ. We expect to have an even greater number of young men involved next year.

As can be seen, there is no question that God is touching the hearts and lives of our young men through the RA program. For this we are thankful and praise God. I encourage any church that does not presently have an RA program to strongly consider starting a program.

The Baptist Men of our association have also been involved in many mission projects and activities this year. Included in these activities are the following:

(1) Several men worked at Fort Caswell renovating the buildings and facilities.
(2) Family Prison Ministries
(3) West Virginia Missions
(4) Disaster Relief Missions
(5) Several men went on Foreign Mission trips
(6) Several men, representing several churches, worked on our Missions house replacing the roof, repairing and painting the kitchen, and cleaning the grounds around the house and the association building.
(7) Participation in Baptist Men's Day in our local churches
(8) Men and Boys Rally at Mars Hill College - This was the first year for this event which was sponsored by Region 9 of the state Brotherhood Department.

We have had several new Brotherhood programs to be organized this year. We had four leadership conferences, one annual Brotherhood conference, and several men and boys participated in workshops and various state sponsored conferences. We also had one district Brotherhood meeting at Calvary Church.

The association Brotherhood Council met seven times during the year to plan and coordinate the missions activities for the men and boys.

I want to thank all the men, boys, and churches for all their participation and efforts this year. The Lord is alive and working through the lives of our men and boys to reach more people and meet their needs.

We are looking forward to another great year next year. We have already begun work on an association mission trip to West Virginia in 1987 which will include at least 60 men and pastors. Please pray and ask God how He would have you to be involved in missions for the coming year.

Wayne Higgins, Director
Association Brotherhood

GA Camp Report

GA Camp was held during the week of July 21-25 at Camp Bear Walla near Hendersonville. Eighty-nine girls and counselors attended. It was a beautiful week with plenty of sun and fun. The girls had a full schedule of activities every day.

Every morning after cabin cleanup, the girls began classes. The classes consisted of Bible study, mission study, and GA advancement. Steve Harris was our camp pastor. He also taught the Bible study every morning. During the mission study Robert Bates, missionary from Chile, represented Foreign Missions, Gayle Brown represented associational missions, and Carolyn Johnson taught Home Missions. The summer student missionaries taught GA advancement with the help of Carolyn Johnson.

Activities after lunch included swimming, rafting, softball, badminton, volleyball, and crafts. On Friday morning the girls participated in a swim meet. Everyone was a winner!

Each evening we held vespers led by Steve Harris. On Thursday we had our evangelistic service. Music was led by Randy Melton and Steve Harris taught the plan of salvation. There were about 13 professions of faith and 35 rededications.

The camp was extremely rewarding for me and for the girls. I am indebted to the counselors, parents, and many others who make GA Camp possible.

Edwina Messer, Director
Associational Girls in Action

RA Camp Report

The RA Camp for 1986 was again greatly blessed by our Lord. We had a total of 89 campers and staff. The program for the week included mission studies, Bible studies, and RA advancement. We were blessed each evening with Mary Porter, a volunteer missionary, as she shared with us her mission experiences.

The boys enjoyed times of crafts, rafting, swimming, and field activities each day. On Wednesday night we had skits given by each cabin. We also had a bonfire.

Thursday evening we had our trophy competition and evangelistic service. We gave trophies for the best camper in each cabin and three trophies for RA advancement. The evangelism service is the central part of the week. The Lord graciously blessed us with 20 decisions for Christ and many commitments.

Continue to pray and support your camp program as Buncombe Baptists.

Music Report

MUSICIANS ON MISSION
"That All May Hear"

The months of October, November and December are busy for the Ministers of Music at their local church. So therefore, any associational work that they may participate in is often an added night out or one less day off or some other sacrifice made by the Minister of Music.

In October the Associational Children's Choir presented the musical "Go Tell It - The Message is Love" at the annual associational meeting. This program was directed by Tom Burns (Merrimon Avenue) and required several Sunday afternoons of rehearsal. The Ministers of Music provided special music and led the hymns for the day session. Allen Cantrell (Black Mountain), Don Welborn (Calvary), Elaine Gregg (Arden First), Susan Ward (Biltmore) and Roger Ward (Biltmore) participated in the North Carolina Singing Churchmen and Churchwomen during October and also sang for the Baptist State Convention held in Charlotte.

November saw the beginning of the Biltmore House rehearsals. As an associational project sponsored by your associational Music Council, several churches accepted an invitation by Don Welborn to join with the West Asheville Community Chorus and prepare a concert to be presented at the Biltmore House on December 14. As it turned out, the West Asheville Choristers were unable to participate and so a total of 136 people from Buncombe Baptist Churches, under the direction of Don Welborn, sang at the famous Biltmore House to large crowds. Two concerts were presented while people toured the house which was decorated beautifully for the season. A concert was also presented on Sunday afternoon, December 8, at Beverly Hills Baptist Church for the community and church people in attendance.

The first quarter each year is always a time of planning the year's events for the associational Music Council. While activities on the associational level are limited during these three months, there are several state festivals in which our churches participate. Much of the work and coordination for the associational music program takes place at the monthly meetings.

On Thursday night, January 30, the associational Music Council met with 15 members present. Dates and plans for the entire year of 1986 were presented and discussed. One important order of business concerning the previous year was the action of making the concert at Biltmore House an official associational project. This was approved unanimously by the council in respect to the fact that everyone participating in and supporting this program were from our Buncombe Baptist Association churches. The invitation and direction of this project were handled by Don Welborn. Many thanks to Calvary for hosting this meeting and providing a wonderful dinner.

Two major events took place in our Music Division this past Spring. Of course, one was the participation of our music personnel in "Good News Amercia - God Loves You" campaign. We received excellent reports from all over the association. Participation seemed to be high in all our choirs. Several musicians also helped in providing music for report meetings each morning and for rallies which were held preceding the revival meetings. Thank you to all who aided in making this project such a tremendous success.

Our second major happening occurred May 15-18. This was our annual associational Youth Choir Retreat held at Pigeon Forge, Tennessee. We had 168 youth participating and some 55 adults. Marc Beaver from Briarlake Baptist Church, Decatur, Georgia, was our guest director and did a super job in leading our youth. Sunday afternoon, May 18, Beverly Hills Baptist Church was completely filled to hear the youth lead in worship by performing the musical "Jesus Never Fails." Again, many thanks to all who helped in once again making this project work.

The last quarter of our year has been busy as always. July brought an extremely successful Children's Choir Camp with an average attendance of 164 first through sixth graders. The musical, "Psalty's Singalongathon, Maranatha Marathon Halleujah Jubilee!," was performed on Thursday night, July 18 at Merrimon Avenue Baptist Church. Elaine Gregg and Susan Ward served as Co-Directors for the week. Lovey Bigham did a masterful job in serving as Camp Director.

Our final major event for this year concluded only last month. The Adult Choir Festival was held September 5-7 at the Beverly Hills Church. Fred Kelly, Adult Music Consultant from the Sunday School Board, was our guest Director. "Bread," a musical about World Hunger, was performed by a choir of 35-40 singers. This served in conjunction with the associational observance of World Hunger. An offering of $215.00 was received. Don Welborn served as chairman of this project. He was assisted by Randy Melton from Beverly Hills.

It has been a joy to serve as the Associational Music Director for the past two years. Your Associational Music Council is one of the finest committees that anyone could enjoy leading. The spirit and cooperation of this group is evident in the type and quality of programs that it sponsors. Thank you for allowing me to lead the association in this area. With the change of leadership to Randy Melton as new Associational Music Director, I'm sure you can look forward to continued growth and a continuing quality of musical excellence we Buncombe Baptists have been accustomed to for many years.

Roger Ward
Associational Music Director

Youth Coordinating Committee Report

The Youth Coordinating Committee of the Buncombe Baptist Association has been in a year of evaluating and restructuring. There was a strong need to organize and plan events a year in advance in order to offer our youth quality events.

Through the committee's efforts the following events were held: Fun Festival at Biltmore Baptist Church in February; a Youth Rally in March at Reed Memorial featuring magician, Sidney McGee.

The Ministers of Youth (part-time and full-time) Fellowship has been reactivated this year, meeting quarterly. The committee saw a need to communicate with those in the local church more often. We encourage all those in the churches of the association who work with youth to watch the associational newsletter for these announced gatherings.

The Annual Youth Rally will be held at Merrimon Avenue Baptist Church on *March 14, 1987 at 7:00 P.M.* featuring Dean Finley from the Home Mission Board. Mark your calendars and plan to bring a group.

Jill Page Satterfield, Chairman
Youth Coordinating Committee

BSU at UNCA

The role and ministry as Western Area Director is to encourage, support, teach and train volunteer persons in campus ministry to community colleges and serve as part-time campus minister at UNC-Asheville.

The major emphasis this past year has been helping volunteer directors to feel and develop a larger vision of campus ministry in the areas of worship, mission, evangelism and Bible study. Attention is also being paid to tying the local church together with the campus community through Sunday School and outreach to college students. We are attempting to do this through several training events for volunteer directors as well as on-site visits, consultation and sharing of resources.

The work at UNCA has developed very well, especially through the leadership of volunteer directors: Teresa Gilliam, Randy Barnett, Eddie Morgan, along with Joe David Fore. There was an increase in Baptist Student Union (BSU) from 12 members to a community of 50, summer mission goal was doubled from $250.00 to $500.00, and an ongoing weekly worship and Bible study was begun along with our Monday luncheon meetings.

We especially thank the WMU of Buncombe Baptist Association for their continued prayers and support of our work at UNCA.

Joe David Fore
Baptist Campus Minister

Associational Missions Development Council Report

The Associational Missions Development Council meets once each quarter along with the Associational Council to discuss, develop, and plan the association's thrust in missions and ministries.

As we look at Buncombe Baptist Association there are many missions and ministries in progress. Buncombe Baptists are becoming better informed and aware as to how God can use them in some mission or ministry opportunities.

The missions house, located behind the associational office, is being utilized for mission purposes. During the summer months college and seminary students live there as they travel across our association doing resort ministries, Backyard Bible Clubs, Bible studies, and church weekday programs. At the present time we have David and Peggy Clark (and their two beautiful little girls, Lindsey, 7, Sherri, 6) living in the missions house. The Clarks are missionaries to Mexico and will be returning to Mexico around the first of the year. In addition, we also utilize the missions house for Spanish ministries, and Baptist State personnel stay at the house on occasions.

The North Carolina-Togo Partnership has given several Buncombe Baptists the opportunity to visit and work in foreign lands. Barney Barnett from Victory Baptist, Ruby Patterson from First Baptist Asheville, Cookie Holbrooks from West Asheville, and J. V. "Bud" Corbin from Merrimon Avenue are several volunteers who have been to Togo giving their efforts and time in mission projects.

Several of our associational churches have been involved in mission projects to West Virginia and Pennsylvania. Pole Creek, First Baptist Weaverville, Calvary, White Rock, and Oteen are some among several who have been involved in mission trips. First Baptist Church, Asheville had a group to go to Jamaica to help build a church.

The Buncombe Baptist/International Baptist Church in Brussels, Belgium Partnership offers a fine opportunity for mission involvement and support. Rev. Phil Roberts, son of Dr. Ray Roberts, is pastor of this growing congregation located in the "heart" of one of the most strategic cities in the world. Contributions are being received throughout the association to support the work at International Baptist Church.

Our association is beginning to take a serious look at starting Outreach Bible Studies and new mission points. During the past year the Clear Branch Baptist Chapel gained support and sponsorship of First Baptist Church, Black Mountain. A "pilot project" in ministering to multifamily housing residents is just getting underway. This is a beautiful project which involves Christian Creek, Beverly Hills, and Morningside Baptist churches, along with the association and the Church Extension Department of the North Carolina Baptist State Convention. Other associational churches may support this work in the months ahead.

Everywhere we turn in Buncombe County we see new housing developments, condos, cluster homes, and apartments. We, as Buncombe Baptists, need to reach out to the new people moving into our area. May God give us the burden, motivation, and wisdom to reach out and let Asheville and Buncombe County know that God loves them!

David Coleman, Chairman
Associational Missions Development Council

Evangelism Report

Evangelism must be the center of all we do. Witnessing must become our lifestyle. Acts 1:8.

One of the most exciting things happening last year was the "Good News America, God Loves You" simultaneous revivals. There was a lot of interest and I believe many positive results.

The following statistics are shared from the churches: 11,572 New Testaments distributed; 2,375 prospects discovered; 182 new enrollments in Sunday School; 158 professions of faith; 1,985 rededications; 62 transfers and seven special services.

October 17, 18, and 19 Mike Smith, a member of the Baptist Layman's Witnessing Foundation and a member of Merrimon Avenue Baptist Church, will be coordinating the Lay-led revivals in our area.

The Evangelism Committee, pastors and leaders of other denominations of our area have invited the Bill Glass Evangelistic Team to conduct an areawide crusade May 3-10, 1987. We believe this united effort will be a spiritual and moral boost to our city and county.

Lester Crayton, Chairman
Evangelism Committee

Membership Committee Report

The Membership Committee of the Buncombe Baptist Association would like to call attention to the fact that Clear Branch Baptist Chapel, located on Highway #9 between Black Mountain and Bat Cave, North Carolina, is now sponsored by the First Baptist Church, Black Mountain. Rev. James Paul, a student at Mars Hill College , is pastor and lives next door to the chapel. The ministry and work is progressing in a fine way.

The Weaverville Baptist Church, on March 16, 1986, approved a new Constitution and By-laws and changed the name to First Baptist Church of Weaverville.

The committee would like to recommend the association continue its efforts to contact and involve "fringe" churches and thereby encourage more involvement and participation in the association.

John G. Hicks Scholarship Fund Report

The John G. Hicks Scholarship Committee has been busy this past year getting the John G. Hicks Scholarship Fund established. We now have a cooperative agreement and working relationship with the North Carolina Baptist Foundation, Inc. which is holding in trust the monies received for the John G. Hicks Scholarship Fund.

To date $2,289.06 has been given to the scholarship fund. The committee has awarded $600.00 ($200 each semester) to Mary Beth Hicks, daughter of John and Martha Hicks, for the 1985/86 and 1986/87 school years. Mary Beth is a student at Southern Baptist Theological Seminary in Louisville, Kentucky.

The Scholarship Committee would like to encourage churches and individuals to send monies to the Buncombe Baptist Association and designate to the John G. Hicks Scholarship Fund. This will help build the principal amount so awards may be made from interest earned.

The committee would also like to recommend a special JOHN G. HICKS SCHOLARSHIP OFFERING be taken in the association churches on Baptist Seminaries, Colleges, and Schools Day in February of each year. All monies received will be sent to the North Carolina Baptist Foundation Inc. in care of the John G. Hicks Trust Fund.

Applications for student aid may be obtained by contacting the Buncombe Baptist Association, 2 Sulphur Springs Rd., Asheville, North Carolina 28806.

Dr. James Weaver, Chairman
John G. Hicks Scholarship Committee

Seminary Extension Report

Seminary 1986 was a year of expansion and growth for Seminary Extension in the Southern Baptist Convention. In 1985-86, 8,112 students studied through Seminary Extension. Two new courses, "Clinical Pastoral Education" and "Church Growth," were offered, and several courses revised. In addition to pre-college and college-level courses this year, the Seminary Extension Department offered Master's level work through the Seminary Studies Department, with seminary courses offered in Baltimore, Chicago, Little Rock, New York City, Orlando, Nashville, and Jackson, Tennessee.

Our Seminary Extension in the Buncombe Baptist Association program was not as extensive in 1985-86 as it has been in recent years. However, the association offered the final segment of Old Testament Survey, taught by Sue Fitzgerald in the fall of 1985. During the year, groundwork was laid for the Clinical Pastoral Training course, currently being taught at VA Hospital by Chaplain James Sams.

Gilbert Barnhill will be the new Seminary Extension Director in 1986-87. Gilbert's extensive experience as a Seminary Extension Instructor makes him well qualified to lead Seminary Extension work. We look forward to his leadership in 1986-87.

Ron Kiser, Chairman
Seminary Extension Committee

Buncombe Baptist Ministers' Conference

The Buncombe Baptist Ministers' Conference meets on Monday at 10:00 A.M. in the Chapel at First Baptist Church of Asheville. Our purpose is that of sharing Christian fellowship, inspiration and to disseminate information of concern to the life and the work of the Gospel ministry. Our meetings are held weekly with the exception of the dates of North Carolina Baptist Evangelistic Conference (February), the Southern Baptist Convention (June), or the Baptist State Convention of North Carolina (November).

We encourage all of the Baptist ministers (pastors, music, education and youth, etc.) to be a part of this fellowship. We all need the strength and encouragement we get by attending this conference. TRY IT and we believe that you will like it.

James Lamb, President
Buncombe Baptist Ministers' Conference

Buncombe Baptist Bivocational Ministers' Conference

I am happy to report that bivocational pastors continue to meet as a group.

The challenge for us is great. The workload is always heavy, but we must do whatever it takes to minister in the name of the Lord Jesus.

It is difficult for a large number of our pastors to attend each meeting. However, we will continue to function as a group because we believe this is pleasing to our Saviour. Our fellowship is rich. We are an encouragement to one another.

I wish to say thanks to those who have worked with us this past year. Their efforts are not in vain. Special "thanks" to Gayle Brown, Tom Lolley and Dale Holloway.

Let me encourage all bivocational pastors to put forth every possible effort to be a part of our fellowship.

Ray Hipps, President
Bivocational Ministers' Conference

Recreation Committee Report

The Recreation Committee of the Buncombe Baptist Association has been very active this past year and for several years involving many churches in church softball leagues. Overall, several hundred people have been active in the Buncombe Baptist Softball League. In addition to softball, we plan to have a Buncombe Baptist Volleyball League, and a Buncombe Baptist Golf Tournament in the future. We appreciate all who have participated in the past and look forward to involving more people in the future.

Ronnie Gentry, Member
Recreation Committee.

Buncombe Baptist Church Secretaries Association

The Buncombe Baptist Church Secretaries Association met for the first time on September 19, 1985, with 13 present. The purpose of this organization is:

1. Understand the various roles of the secretary on the church staff.
2. Provide an opportunity of fellowship and stimulate an interchange of ideas.
3. Provide programs that will deepen the spiritual understanding of the secretary, improve her performance, increase her personal effecitveness, acquaint her with the latest tools.
4. Encourage interests of others in the vocation of church secretary.

Meetings are held the third Thursday of the month at Shoney's on Patton Avenue. On the first month of the quarter we meet with the association in the Quarterly Leadership Meeting and go into our own conference.

We enjoy being together and learn from each other how to best serve our churches. All church secretaries, full, part-time or volunteer, are encouraged to take part in our activities.

Barbara Wright, President
Buncombe Baptist Church Secretaries

New Work Committee Report

New work in our association is doing good, although there is still much to be done. Clear Branch Baptist Chapel on the highway south of Black Mountain is on solid footing with First Baptist Church of Black Mountain and our state convention now providing a ministry of worship, Bible teaching and service to that community.

Work among the Spanish speaking people is slow, but progressing. We have a part-time worker with the Spanish speaking people in our county on an experimental basis. This work is also supported by our Baptist State Convention.

Our newest work is the "Spruce Hill Ministries." This work is in the Spruce Hill Housing complex in the Haw Creek area. An apartment with two bedrooms, a bath, a dining area, a kitchen and living room became available October 1st. This new work was begun there on that date. Christian Creek Church has agreed to pay the rent for six months, the Baptist State Convention is paying the salary for the coordinator of this ministry. Beverly Hills and Morningside churches have made a commitment to this ministry with Grassy Branch church expressing a sincere interest in this work. This is a pilot ministry and will be developed as the needs become known. Rev. and Mrs. Erskine Plemmons are coordinating this ministry. We are grateful to the Lord for opening these doors.

The future of Baptist work in our county depends on ministering to the needs of people anywhere and everywhere. Pray for your New Work Committee as we try to discover and determine these needs and provide ministries to meet them.

Bill Nelson, Chairman
New Work Committee

Baptist Foundation Report

NORTH CAROLINA BAPTIST FOUNDATION, INC. SERVES CHURCHES AND INDIVIDUALS

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes.

In 1985 North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause.

An indirect, but profound benefit of the Foundation services to the local church has been the enhancement of individual stewardship growth and commitment.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. Ways by which these realities may be met and accomplished.
3. Counsel in wise decisions for endowing *any* Baptist cause.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members and congregations find the best ways to do so.

If you need help in this area, you may call the association office (252-1864) and you will be directed to a Foundation representative in our association.

Erskine V. Plemmons, Representative
Baptist Foundation

North Carolina Baptist Hospital Report

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. Patients came from all across North Carolina, 31 other states and the District of Columbia, and eight came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and emergency department.

They came to Baptist Hospital because it has the medical expertise and technical equipment required to provide the tertiary health care they needed. For example, surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hairbearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most can be discharged the next day and can return to work within the week.

During the past year, an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another was begun. Emergency care can be provided while in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, new clinical services building, addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches in North Carolina gave $566,307 through the Cooperative Program and $374,238 through North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Baptist Hospital

Baptist Retirement Homes Report

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of North Carolina, Inc. has sought to create a broader awareness of its services across the state.

The past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of Baptist Retirement Homes from August 1985 through June 1986.

- Sound financial management again eliminated the need to increase residential fees.

- Over $900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes and Hospital Offering provided $785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not an Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, the fine tradition initiated by past Presidents will continue. Yet, the trustees and administrative staff of Baptist Retirement Homes believe that participation of North Carolina Baptists to be critical for the successful growth of the Homes.

Baptist Homes

The *Biblical Recorder*

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians - fewer persons in North Carolina are members of any church than are not - and the rising spirit of secularism makes our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Biblical Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, inspire and provide a forum for Baptists as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year.*

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact: The *Biblical Recorder*, 232 W. Millbrook Road, Raleigh, N.C. 27609; 919-847-2127.

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

Baptist Children's Homes of North Carolina, Inc.

The past year has been an exciting one for the Baptist Children's Homes as they concluded their centennial year on November 11, 1985.

As the Children's Homes look on into the future, the mission continues to care for dependent, neglected, homeless and troubled children, unwed mothers and their children, and the

rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

This past year more than 1,500 children were served. From this group of children/youth many had no religious affiliation when admitted to the homes. Pastors in local churches baptized more than 25 youth into fellowship of the local churches.

News from the Western Area is that construction has begun on the Moody Farm Cottage, located in the Iotla Valley of Macon County.

Gary and Mary Lewis Bruin, Child Care Workers on the Mills Home staff for nine years, have been promoted to Directors of the Moody Farm Ministries.

A special expression of appreciation should go to our Western Area child care workers and social workers who serve so faithfully at our Maternity Home in Asheville, the Thermal Belt Youth Shelter in Forest City, and the Broyhill Home in Clyde/Waynesville. These facilities have operated at near capacity throughout the year. The children served have mostly been those who call for extra measures of strength, wisdom and love. The words "cares finds a way" truly apply to these wonderful servants of our Lord.

American Bible Society

The faithful support which the Southern Baptist Convention has always given to the Bible cause is a blessing from God and a source of great encouragement to us. We are grateful to have you as partners in our worldwide Scripture ministry. Last year the Southern Baptist Convention gave $297,451.17 to the American Bible Society. Most of this came through the individual local churches.

The Southern Baptist Convention was an indispensable partner in the worldwide Bible cause during 1985 and your expanded support is essential in the year ahead as we seek to extend this vital Scripture ministry to embrace all those throughout the world who are still eagerly awaiting God's Word.

The American Bible Society expects 1986 to be a year of unique and exciting opportunities for world Scripture outreach. In May, a two-year world "youth advance" program will be launched called *"Act Now, Go With the Word"* and will involve the preparation, production and distribution of new translations for children and young people, the creation of new book styles and formats, and the preparation of new illustrations and other helps for the young reader. Demographic studies indicate that in the United States alone the target audience for this project will number a phenomenal 35,996,000 people - 15.28 percent of the total U.S. population.

Most churches set aside the Sunday before Thanksgiving annually as the day on which they observe ABS Bible Sunday. The date for 1986 will be *November 23*.

The theme for this year is "Help Children Grow . . . Plant the Seed of God's Word." Regardless of the date you choose to celebrate Bible Sunday, please be sure to have one. Also include a gift to American Bible Society in your regular church budget. God will bless those who care enough to spread God's Word!

Cooperative Program Report

Years ago on the radio there was a program and the "punch line" always was "Was you there?" *You* can be there through the Cooperative Program. People are reached for Christ, lives are changed, bodies are healed, and we grow stronger together as we share in the redemptive task - as we pray and as our churches give through the Cooperative Program.

Jim Henry wrote in the bulletin of First Baptist Church, Orlando, Florida: "Seven top television ministries, including PTL Club, Robert Schuller, Herbert W. Amrstrong, Jerry Falwell, etc. received about 293 million dollars last year. Their budgets support three churches, six schools, one hospital, their television programming, and some hunger and mission projects around the world. Southern Baptists gave 435 million dollars, which supports six seminaries, 67 colleges, schools and Bible institutes, 1,100 college campus ministries, 6,000 full-time missionaries at home and abroad, 32 radio and television programs every week and Bible study materials for 36,000 churches." Some nine million were used to feed the hungry and help them to feed themselves in places as remote as Ethiopia, Haiti, Bangladesh, and Mali.

You are there when you pray, and when you give through your church and your church shares through the Cooperative Program. These are simple steps, but they are important in fulfilling the Lord's command to "go into all the world." You can be there through the Cooperative Program.

When you give - YOU ARE THERE!

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years.

The "roll call" of colleges and a brief mention of current items of interest and concern are listed below:

CAMPBELL - During 1986, there is a special observance of the centennial year. The new School of Pharmacy will open in the fall and a School of Education has been established for graduate studies.

CHOWAN - President Bruce Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for student aid, scholarship assistance and program support.

GARDNER-WEBB - On May 31, 1986, Dr. Craven Williams completed his tenure as president, begun in July 1976. On June 1, Dr. M. Christopher White, Vice-President of Elon College, Became the 10th Presidentr of Gardner-Webb.

MARS HILL - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes a statement of convictions by the faculty. These include centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work.

MEREDITH - "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Construction of the Gaddy-Hamrick Art Center was begun in June.

WAKE FOREST - Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship.

WINGATE - Looking toward its 100th anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign.

Region 9 Brotherhood

Another year is coming to an end and Baptist Men are still on the move for Christ in Region 9. The Buncombe Association leads the way again in 1986. Brotherhood groups are forming or being organized in several of our churches. Men and boys are dedicating their lives to Christ. Our Homeland Projects groups are building churches all over North Carolina. Caswell is being renovated and a new Conference Center is coming into being there.

Our Area Men and Boys Rally on September 27 at Mars Hill College was attended by about 200 men and boys, 50 from Buncombe, and was an overwhelming success.

Our fight against pornography is still gaining ground. Lay Witness revivals have been conducted in many of our churches, and correctional ministries are going great. The demonstration farm at Campbell College is about to show some results.

So many things are happening that space will not allow me to comment on all of them but the bottom line is I feel that Christ is pleased with our work and that is what is important.

As we finish our old year and begin a new one let us not forget that much still needs to be done. Let us be about our Father's business.

I request that you pray for me and I will continue to pray for you. May God continue to bless Buncombe County and Region 9 Baptist Men and Boys in 1987 as He has in 1986.

Christian Action League Report

Much to rejoice about has occurred in the last 12 months, but there are battles on the horizon.

I. OBSCENITY: The state's new Comprehensive Obscenity and Child Protection Act has been met with unusual success. Some 12 months ago, North Carolina had some 750 hard core porno outlets. Today, only about 150 remain, and most of these are facing porno charges with court cases pending. For all practical purposes, convenience stores and other retail establishments have removed sexually oriented publications or have placed it behind the counter or behind "blinder" racks where it is not accessible to minors.

Video stores have cleaned their shelves of sexually explicit materials. Cable porn programs like the Playboy Channel have been discontinued in some communities.

The battle is not over for the cause of decency. The pornography industry is already raising funds to get our state's new obscenity law "watered down" in the 1987 legislature.

II. ALCOHOL (Liquor, Beer, Wine): The League remains the only organization in North Carolina assisting communities involved in fighting our no. 1 addicting drug. Referendums have been defeated in the following areas: Scotland County, Black Mountain, Concord, Manteo, Rowan County, Wayne County, Pasquotank County, Old Fort, and King County. These victories were the result of strong, aggressive leadership on the part of caring people.

III. GAMBLING: In 1987 the church will probably face its strongest challenge yet from the gambling industry. Pro-lottery forces will be back before the 1987 legislature with an all-out effort for a statewide lottery.

Pari-mutuel gambling forces have now come on the scene, with offices in High Point. Rufus Edmisten, the state's former Attorney-General, has been employed by the gambling forces to assist in their drive for pari-mutuel gambling.

What will be the outcome? Basically the decision will be made in the November 1986 General Election. In 1985 the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Billy Sunday used to say: "The only thing worse than an empty voting booth is an empty head in the voting booth."

The position of the 1987 North Carolina House and Senate candidates on the gambling issues must be obtained and shared with the Christian community so voters will be informed.

Plato said: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Baptist Lay Witnessing Foundation

The Baptist Lay Witnessing Foundation is busy at the ministry of soul winning. We appreciate the many opportunities our churches give us to share with their people just how the Lord is using Lay Evangelism. There are at present eight churches in the Buncombe Association that will have simultaneous Lay Revival Weekends on October 17-19, 1986. We praise the Lord for such an effort. There will be more than 100 lay men and women from the Baptist Lay Witnessing Foundation coming in to the churches to share testimony and witness. The churches where these meetings will be held are: Biltmore, Grace, Westwood, Edgewood, Long Shoals, Freedom, Riverside and Morgan Hill. Later this month we will be in Weaverville, Woodland Hills and in November we are at Gashes Creek. Please pray for a great outpouring of the Spirit of God. "He that wins souls is wise."

We just completed a good meeting at Pole Creek Church. Rev. Johnnie Tiller had things ready when we arrived on Friday afternoon and the Lord blessed. There were 24 people that prayed to receive Christ in the home visitation and four people made a rededication of their lives. We visited in over 150 homes. We had a good response during our testimony meetings each evening. The Lord just blessed us good and we give Him the glory for it all.

We will be glad to talk to your church about a meeting. Please contact the associational office, the Brotherhood department in Cary, N.C. or call me at 252-2895, Julian Lanning at 628-2350 or Andy Lawson at 891-7921. These men are all coordinators for Lay Witness meetings. There is no charge for our service. We travel at our own expense. We only ask that the church house feed us while we are on the church field.

We will visit prospects of the church and we must have a church member to accompany us into the home. It really gives the church member an opportunity to observe firsthand the effectiveness of the one-on-one witness. On the job training best describes the process. Pray for us.

Annuity Program Report

The new Church Annuity Plan allows Southern Baptist church personnel to participate in a retirement program based on modern principles of pension planning. This plan has the flexibility to:

Increase benefits
Include all full-time church personnel
Meet the needs of small and large churches.

The new Church Annuity Plan has been approved by the North Carolina Baptist State Convention and the Buncombe Baptist Association. Churches are asked to adopt the plan as soon as possible. For more information call the North Carolina Baptist State Convention or the Buncombe Baptist Association.

Campus Ministries Report

North Carolina Baptists have some form of ministry on 47 college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join with other Christian groups in providing full-time ministers on two other campuses. Our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in BSU and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and associational staff lead out in this exciting ministry. Special conferences for international students, campus evangelism training and black Christian collegians were offered during the school year.

Teams of students from BSU's and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars, are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

Youth and Campus Ministries, BSC

ACTS 1986

The Buncombe County ACTS Board is alive and functioning. The ACTS Network can now be seen by all the subscribers to Asheville Cable. After several meetings with Cencom Cable we have been unable to get ACTS on this system. More pressure by the churches who have this cable system would help us out a lot. We need the support of all our churches in the Buncombe Baptist Association as we continue to seek to do God's will pertaining to ACTS in this area.

A year and a half ago we purchased approximately $8,000 worth of equipment to get ACTS on Asheville Cable. We did this on faith and all but $1,700 of that debt has been paid off through the support of the churches and members. I pray that you will continue to contribute so we might not only pay off this debt but also be able to have the funds needed to broaden the ACTS ministry in Buncombe County.

During our September meeting we voted to meet every month from now on. Our next two meetings are scheduled for October 20 and November 17 at 7:30 P.M. in the Buncombe Baptist Association building on Haywood Road.

Let me take this opportunity to invite you to our meetings and to become a part of the ACTS Board.

The members of other Councils (such as CCM Council, Youth Council, Youth Ministers, Education Ministers) and ministry groups will be nominated by the Nominating Committee with suggestions from said group and/or council. They shall meet quarterly to plan their work.

SECTION 3. Duties of Associational Missions Development Council: The former Committee on Missions, now called the Associational Missions Council, is responsible for developing and implementing the missions strategy of the Association. The missions strategy or program is one

part of the overall work of the association and is, therefore, one of the most important units of organization in the Association.

The Association has 10 identifiable tasks, grouped into three categories:

1. Fellowship Tasks
   (1) Nurture harmony in faith and practice.
   (2) Nurture fellowship among churches, church leaders and members.
2. Missions Performance Tasks
   (1) Call the churches to be on mission.
   (2) Provide resources and services to churches and leaders.
   (3) Train, develop and encourage church and associational leaders.
   (4) Provide opportunities for working together in missions, ministry, growth, and evangelism.
   (5) Establish and maintain appropriate communications and relationships with community and denomination.
3. Administrative Tasks
   (1) Lead the Association under the Lordship of Christ.
   (2) Plan the Association's program and utilize its resources.
   (3) Provide information about churches to the denomination.

Duties of each associational program are drawn from their responsibilities for particular tasks. Programs do not have responsibilities for every task in the Association. Administrative tasks reside primarily with the Associational Council, though each program is responsible for its planning and resource management. Given the total perspective of associational tasks, duties of the Associational Missions Development Council are summarized as: awareness, planning, correlation, and implementation.

Composition of the Associational Missions Development Council is as follows: Chairman, WMU Director, WMU Personal Witnessing and Mission Action Director, Brotherhood Director, Sunday School Director, Church Training Director, Music Director, Library/Media Director. Chairmen of the following: Evangelism Committee, Finance Committee, Church Extension Committee, Seminary Extension Committee, Recreation Committee, Presidents of the Ministers' Conferences, Representatives of Student Ministries, Black Church Relations, Interfaith Witness, and CCM Council.

The Director of Missions, Gayle Brown, recognized the following new pastors and staff: Dr. Joe Hester, pastor of missions, West Asheville Baptist Church; Rev. Aubrey Folk, pastor, and Donnie Marlar, minister of education, Calvary Baptist Church; Gerald Causey, pastor, Beaverdam; John Mason, pastor, Morgan Hill; Barry Roberts, pastor, Oteen; Houston Hall, minister of education and youth, Black Mountain First; Jack Roberts, pastor, Flat Creek; and Bob Hagan, pastor, Brown's Chapel.

Randall Melton introduced the speaker for the evening, Dr. Michael Hester, Director and Associate Professor, Christian Family Ministry, Southern Baptist Theological Seminary. After the Beverly Hills Choir sang "The Love of God" and "Lord, Make Our Homes," Dr. Hester spoke to the group. Using the illustration of a couple that had come to him for counseling, he traced the various circumstances that had brought them to this point and then how they had worked through their differences to reconciliation. He stressed the importance of using our faith to help families find faith. Nothing is too broken to mend. We are called to minister to families. His text was taken from Galatians 5 beginning with the 16th verse. The gifts of the fruit of the Spirit are gifts we are called to give families. A hymn of commitment, "Take My Life, Lead Me Lord," was sung by the congregation and Aubrey Folk led in a prayer of commitment and benediction.

SECOND SESSION

The second session of the Buncombe Baptist Annual Meeting with Harold Savell, Vice-Moderator, presiding, began with the singing of the hymn "Grace Greater Than Our Sin" led by Tom Burns, minister of music at Merrimon Avenue. The scripture, Ephesians 2:19-22 and Ephesians 3:14-21, was read by Mike Willoughby, pastor of South Buncombe. Prayer was led by William Rector, pastor of Emma. Francis Lunsford, host pastor, gave a welcome to the people and Rev. Savell recognized visitors present.

Tim Yarbrough, chairman of the Nominating Committee, nominated Jackie Collins as Moderator for the coming year and Harold Savell as Vice-Moderator. The floor was opened for nominations for both positions. There being none, Jackie and Harold were elected. Tim moved the adoption of the rest of the report and the motion was seconded and passed.

Harold Savell brought a motion to allow David Coleman, chairman of the Missions Development Council, and Joe Hester, pastor of Missions at West Asheville, to report on the Buncombe Baptist/International Church, Brussels, Belgium partnership effort. The motion was granted. David reviewed the facts leading up to the involvement of our Association in this partnership in which we would participate in a project of renovation of a building which would house the church and also in an outreach effort. Dr. Hester, who had been elected chairman of the committee, along with Jerry Pereira, pastor of Swannanoa First, vice-chairman, to steer this project, presented a two-part plan. Teams of carpenters and teams of lay witness people will go in March 1987 to Brussels. Details are being worked out.

Francis Lunsford, chairman of the Membership Committee, moved adoption of his report as printed in the Book of Reports. Motion was seconded and passed.

The Association at Work was presented by (1) Norma Melton, Director of Church Development, who recognized the program directors and gave an overview of church development ministries. She called attention to posters prepared by each program which were displayed in front of the church; (2) Carolyn Johnson, Director of Church and Community Ministries, who recognized leaders of the various ministries and called attention to needs that are being met through church and community ministries; and (3) Gayle Brown, Director of Missions, who looked at the past, present, and future of our Association. He stressed the need to keep before us the development and promotion of evangelistic outreach. We have many ministries and

programs at present, and the future presents a great challenge. Reading from Luke 4, beginning at verse 16, he said that we need to commit ourselves to preaching the gospel, healing the broken-hearted, setting the captives free, giving hope to the hopeless, and sharing the good news of Jesus Christ.

The hymn "Great is Thy Faithfulness" was led by Allen Cantrell, minister of music at Black Mountain First. Fred Werhan, pastor of Hominy, introduced Dr. Doug Cole, Executive Director of Council on Christian Life and Public Affairs, North Carolina Baptist State Convention, who brough a message dealing with families of today. The structure is different - families are getting smaller, there are many one parent families, there is a need for programs for single and senior adults, which is the fastest growing segment of the population. The church role is changing, in North Carolina Christians are in the minority. We have to justify our role in the community. The churches of today must reclaim our role in the community.

The congregation sang "The Family of God" which was led by Dan Snyder, minister of music at Swannanoa First. The Financial Report for 1985-86 was given by Howard Candler, treasurer. Edgar Ferrell, chairman of the Finance Committee, presented the budget for 1987 and moved its adoption. The motion was seconded and passed.

Lee Roy Denton, chairman of the Feasibility Committee, which was formed to explore the feasibility of building a Buncombe Baptist Resource Center, gave a report on the committee's findings. After visiting several neighboring Associations who recently built centers, and after examining the facilities at the Buncombe Association, the committee recommended that the Association proceed with plans to build a new center. Mr. Denton presented his report as a motion and it was seconded and passed. (Report is printed at end of annual meeting proceedings.)

Attention was called to the following committee reports as printed in the Book of Reports: Evangelism, Membership, Seminary Extension, Ordination, Annuity, Historical, Recreation, Youth Coordinating.

The Place and Preacher report was given by Stanley Taylor, pastor of Liberty, and Grassy Branch was named as the place for the first session next year with Hominy as the place for the second session. The preacher will be Coy Jeans, pastor of Long Shoals, with Tim Yarbrough, pastor of Freedom, as alternate.

Constitutional changes were given by Foyd Bennett, chairman of Constitution Committee. The changes had been presented at the evening session and after a grammatical error was corrected, the changes were approved and motion passed.

Steve Pressley, chairman of the Resolutions Committee, presented a resolution of appreciation to the host churches for the use of the facilities, to the Moderator, the Director of Missions, staff, musicians, and speakers. He moved adoption of this resolution and the motion passed. Attendance reported was 369 messengers and others.

Thomas Smith, ACTS consultant, announced that ACTS would move to Channel 36 on Asheville Cablevision. He spoke of an ACTS Good News America Campaign to be held in the spring. He urged everyone to promote the ACTS channel and to urge the Cencom and Sammons cable companies to provide ACTS.

Mrs. Marvin Garrett, Cooperative Program representative, spoke on behalf of the program.

Agency reports were presented as printed in the Book of Reports. Tom Lolley, Western Area Missionary, spoke for the agencies and Sue Fitzgerald, Director of Christian Education Ministries, spoke for the institutions.

The hymn "On Christ, The Solid Rock I Stand" was led by Carson Moseley, minister of music at Westwood.

E. V. Plemmons, chairman of the Committee on Committees, moved adoptio of the committee's report as printed in the Book of Reports. Motion was seconded and passed. Gayle Brown brought information about a trip to the convention at St. Louis in June if interest is sufficient.

Nane Starnes, chairman of the Memorials Committee, presented a Memorial Service remembering the 296 of our number who had passed on. Of these, 14 were deacons, two were ministers, Rev. Terry Thorpe and Rev. Alfred Sellers, and one was a member of a Program Council and former associational secretary, Mrs. Dot Queen. Dr. James Johnson, pastor of West Asheville, led in prayer.

The scripture for the annual sermon, I Kings 19, beginning with verse I, was read by Gerald Causey, pastor of Beaverdam. After special music by Elaine Gregg, music minister at Arden First and Roger Ward, music minister at Biltmore, Rev. Lawrence Fox brought the annual sermon. Using the scripture in I Kings 19, he emphasized that although Elijah didn't stay long, he was used in a great way by God while he was here. Rev. Fox brought out the lessons that we could learn from Elijah's life - lessons of provision, power, presence of God, patience, and preservation.

The benediction and prayer of thanksgiving were given by Charles Sams, pastor of Starnes Cove, after which everyone enjoyed a delicious meal hosted by the Berea Church.

Feasibility Committee Report

The Feasibility Committee had its first meeting August 20, 1986. At this meeting we reviewed the objectives and goals of the Long-Range Planning Committee to study building and facility needs. We reviewed the history of office buildings that have housed the associational program through the years. The first associational office was located in the garage of Rev. H. M. Hocutt, Buncombe's first Associational Missionary. This office was moved to the West Asheville Baptist Church for a short period of time and later to Calvary Baptist Church. During the construction of the present associational office building at 2 Sulphur Springs Road, the office was located in the home of Brother J. C. Pipes. The present associational office was occupied in January 1967 by Missionary E. V. Plemmons and secretary Mrs. J. C. Pipes.

The committee did a tour of the present building and grounds. We found the space to be cramped and inadequate to meet even present needs. Parking is limited to 12 spaces and access is dangerous. Space for equipment and resource materials is limited or unavailable. The offices are used for multiple purposes. There is no reception area or waiting room for guests and visitors.

The committee spent two different days going to Haywood Baptist Association, French Broad Association, Kings Mountain Association and the Mecklenburg Association to see their new facilities. We found all buildings at these Associations to be new or almost new with space to meet their needs. We note that other neighboring Associations, Truett, Tuckaseigee, Carolina and Transylvania have provided new facilities to meet their present and future needs.

The Feasibility Committee feels it is time for Buncombe Baptists to plan and build a resources center that will meet current needs and project ministries and programs into the 21st century. We feel this will help us move forward from a Baptist "Building" concept to a "Baptist Resource Center" which will meet the needs and serve the churches of our Association in better and more effective ways.

Some of these needs we see are: significantly greater parking area, multi-purpose conference/dining area for use by ministers' conference and church development programs, audio-visual center which would accomodate BTN, more adequate and additional office, work and storage space.

The Feasibility Committee recommends:

The Committee on Committees of the Buncombe Baptist Association appoint a "Blue Ribbon" Committee composed of 27 members plus a general chairman. The 27 "Blue Ribbon" Committee members shall be divided into three subcommittees of nine persons - one each from the nine districts of the Association. The Committee on Committees shall name the chairperson for each of the subcommittees.

(a) SITE LOCATION Subcommittee: This committee shall be given the responsibility to locate and search out a suitable site for a new Buncombe Baptist Resource Center.

(b) PROGRAMS AND MINISTRIES Subcommittee: This committee will be given the responsibility to determine the size and space to house the programs and ministries of a new Buncombe Baptist Association Resource Center.

(c) FINANCIAL RESOURCES Subcommittee: This committee shall be given the responsibility to plan, promote, and develop ways and means to secure financial resources to pay for a new Buncombe Baptist Association Resource Center.

The "Blue Ribbon" Committee shall bring an update as to the progress of the three subcommittees and any recommendations they are prepared to bring to the April 20, 1987, quarterly leadership meeting of the Buncombe Baptist Association.

Auditor's Report

We have reviewed the financial records of the Buncombe Baptist Association for the year ended June 30, 1986.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the Financial Report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the Financial Report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the Financial Report and found them to agree.

We did not compare the items of expenditures on the Financial Report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the Financial Report and the books.

Sincerely,
William W. Stewart, Accountant

Director of Missions Report

The Order of Business Committee has appropriately chosen the 106th annual session theme of Buncombe Baptists... "We, the People of God..." This past year has been a time to reflect on our heritage, our past, our present, and our future. We need to keep before us our purpose, mission, and reason for being.

This past year Buncombe Baptists have seen a vision of what God can do as we plan for the future. We have dreamed a dream of one day having a new Baptist Resource Center which will better equip, train, and challenge our churches and church leaders.

A "Blue Ribbon" Committee has been named to lead us in the months ahead as we cooperate, plan, and work together to bring a dream to reality. The overall "Blue Ribbon" Committee is chaired by Glenn Wilcox, a dedicated Christian and prominent Asheville businessman. Three sub-committees are working under the General Chairman-Site Location Committee chaired by Bob Kinser; Program and Ministries Committee chaired by Shirley McIntosh; and Financial Resources Committee chaired by Leonard Clayton. These committees are working hard and doing their homework as they will be bringing recommendations to the association for action. Pray for all these committees as they continue their work.

The associational staff is experiencing some change. Norma Melton, Church Development Director, will be leaving Buncombe Baptist Association at the end of October. She has done a super job for Buncombe Baptists. Her husband, Randy, was called as pastor of First Baptist Church, Old Fort, April 1, 1987. Nancy Owen, part time financial secretary, is now working full time as financial secretary and corresponding secretary. We appreciate Nancy and her capable leadership in many areas of associational work. Carolyn Johnson continues to do a fine job as Director of Church and Community Ministries. Carolyn began her third year with Buncombe Baptist Association this October. Betty Orr, Secretary-Receptionist, continues to give excellent service in all that she does. We appreciate Betty so much. It is a joy to work with such a fine staff that is dedicated to the Lord's work.

Space nor time will not permit me to name all those program and ministry leaders that give countless hours to the Lord's work. I can share with you my deep gratitude to all those who go beyond the call of duty in sharing their gifts and talents in association ministry and work. God continues to bless Buncombe Baptists by providing excellent leaders in our churches and association. As you read this Book of Reports you will get a glimpse of how God is at work in the lives of his people.

As we look toward 1988, 1989, and 1990 there is so much to challenge us! God will be leading us from "dreaming the dream" of a new Buncombe Baptist Resource Center to "implementing the dream" for a new Buncombe Baptist Resource Center. I see 1988 as the year we take a giant step forward in bringing about the new Baptist Resource Center. We will undoubtedly decide where the Resource Center will be built, what will be housed in the

Buncombe Baptist Resource Center, and begin the process of raising funds to pay for it. Nineteen hundred eighty-eight will be a "key" year!

At the same time we must not turn all our energies inward. One of the greatest challenges before us is to challenge Asheville and Western North Carolina in an area wide evangelistic crusade. God has been leading as plans are underway to bring Evangelistic Bill Glass to the Asheville Civic Center May 1-6, 1988. Baptists and other major denominations are working hard to challenge Asheville and Western North Carolina in this great interdenominational effort. Pray that God will use these days in May of 1988 for his glory!

Church and Community Ministries Report

Carolyn A. Johnson, Director

We have had a super year in Church and Community Ministries. A special thanks to all volunteers in the programs of literacy missions, chaplaincy, family prison ministries, special ministries, summer missions, single and senior adult programs, Spanish ministry, multi-family housing ministry. Many lives are being reached through witnessing and ministry in these programs. Volunteers of all denominations work together as Christian brothers and sisters to help others walk closer to Christ. It is a joy to work with these dedicated Christians in Buncombe County.

Singles Ministry Report

The singles of Buncombe County have had a busy year of programs and activities. We are having a good representation of other denominations at the events.

On September 26, Ted Purcell was the guest speaker for our dinner at Beverly Hills Baptist Church. Ted is the campus minister at NC State University. Thirty singles attended.

On November 25, the singles council met in the home of Joe Schubert to make yearly plans for 1987. Four churches were represented and enjoyed the spaghetti dinner. Tentative plans were made for six months of 1987.

On January 15, 1987, seventy-five singles from eight different churches and five denominations mixed and mingled in games and recreation. The group enjoyed table games, volleyball, and racketball at Asheville First Baptist.

On February 28 at Calvary Baptist, two excellent singles conferences were offered. A spiritual growth conference was led by Rev. Tommy Gilmore of Black Mountain First Baptist. Rev. Harrell Wood, professor of physical education at Mars Hill College, led a fitness and well-being conference.

The Spring Singles Conference at Ridgecrest on March 20-22 was attended by several Buncombe Baptist singles. Ridgecrest always offers the best in leadership training and conferences for the never married, single again, and single parent.

May 31 marked the annual singles picnic at Lake Julian. Thirty singles representing eleven churches picnicked and played volleyball, went canoeing and boating.

The volleyball stars appeared on August 15 at the singles volleyball tournament at Newbridge Baptist. The competition was tough but one of the "FOCUS" teams (a Christian interdenominational singles group) won the victory ribbons. Six teams played in the one-day tournament.

The annual Singles Labor Day Conference at Ridgecrest was attended by seven singles from Asheville First and Biltmore Baptist. The conference drew over 3,000 singles this year. Special events included a concert by Truth and a country fair festival of games and activities.

Senior Adults Report

On November 17 at Asheville First, 88 senior adults enjoyed a delicious meal and then entertainment by Mike Haun. Mike is a professional singer and storyteller.

Sixty senior adults attended a history of Asheville program and dinner on February 26 at West Asheville Baptist. Bob Fortune, Asheville historian, was our guest speaker.

110 senior adults met for fun and fellowship on June 25 at Lake Julian for the annual senior adult picnic. Freeman's Barbeque of Hendersonville cooked on site and the Pisgah Pickers entertained with mountain music.

Spanish Ministry Report

The Spanish ministry began in mid-December 1985. Rev. Rudy Aguero led the ministry through a one day a week visitation and Bible study. The ministry evolved to a Sunday worship service at West Asheville Baptist. The work has been very slow and hard with only a few Hispanics participating. Rudy found most of the 1,036 Hispanics in Buncombe County were not interested in this ministry. During the summer of 1987 new immigration changes have affected the ministry even more. Most of the Hispanics are having difficulty getting citizenship and may move. Rudy led several meetings about immigration changes for the Hispanics in Asheville. Because of these factors affecting the ministry Rudy will continue only through December of 1987. Future evaluations will be made to determine later needs of such a ministry.

On behalf of the Buncombe Baptist Association we express our appreciation to Rudy, the Spanish committee, and West Asheville Baptist Church for providing space and support to the Spanish ministry.

Literacy Missions Report

This has been a busy year for the Buncombe County Literacy Volunteers (BCLV). It has been a year of three workshops, numerous local and state meetings and tutoring.

In November, 25 new tutors were trained in a Basic Reading workshop led by Irma Jean Reedy and Jannette Dillard. The workshop was hosted by Black Mountain Presbyterian Church. Five tutors were placed with students.

In January six tutors were trained in Basic Reading at Arden First Baptist Church. Five of those have students now. Some have more than one student.

The third workshop was in August at Beverly Hills Baptist. Twelve tutors were trained in Basic Reading by Irma Jean and Mary Powell. Nine were placed with students.

After each of the workshops the new tutors are commissioned by their church as "Literacy Missions Volunteers." This is a recognition service led by the CCM director and the BCLV president. Four new Southern Baptist tutors were commissioned this year.

The Annual Spring Bazaar at the Asheville Mall brought in $300 for the literacy budget. This March fund raising event is sponsored by tutors who make and bake items for the craft sale. "Thanks" to all who helped make this event successful.

The Annual Literacy Volunteer Appreciation Banquet was held at Beverly Hills with Leta Cornman speaking. Leta is a workshop consultant for the Home Mission Board. Her message was very challenging and inspiring. Sally Hutchison was recognized as volunteer of the year. Many other tutors were recognized for years of service to literacy missions.

Our current president, Betsy Snipes, and the executive committee are to be commended for such fine leadership in literacy. Members of the committee have attended numerous meetings with WLOS about PLUS (Project Literacy US).

We, Buncombe County Literacy Volunteers, are excited about a new literacy project in Buncombe County. The four literacy councils in Buncombe County are meeting with the hope of forming a literacy coalition. Each literacy council will function autonomously but will coordinate efforts to combat the literacy problem in Buncombe County.

Summer Missionaries Report

We would like to thank everyone who has made this summer possible. It has been fantastic. We have been involved mainly in three ministries - Backyard Bible Clubs, VBS, and in the campground.

Our Backyard Bible Clubs have been great. We have conducted 16 clubs ranging from Kiddies' Playland to the Montford Center. 453 children and youth participated. It was such a challenge to bring the word of God to children who have never heard. These children blessed our souls.

We have assisted in 7 Vacation Bible Schools. Our duties at these have varied from helping with a kickoff to being directors of a class. It was a great joy to help churches in their Bible schools. They helped us in training and giving us confidence.

We served as associational GA counselors at GA Camp. What a blessing to see young girls searching for the Lord's will. It was a challenge to work with nearly 80 girls and to think of the effect we would and could have on them.

We also worked at Wray Frazier Campground. On Friday nights we conducted fellowships and vespers for the campers and on Sunday mornings we had the Sunday morning worship. This campground is composed mostly of retired citizens. We have a deep love for these people.

Two creative worship services were conducted. It was fun to present Christ through skits and songs. We assisted with two Mother's Night Out programs for handicapped children.

Many were touched this summer. 38 were saved and there were about 126 rededications. What a thrill to see the great work of our Lord. This has been a blessed summer that none of us will ever forget. We loved every minute sharing the love of God with others - He is so great.

Special Ministries Report

Wow! What a wonderful experience we had in Special Ministries this summer. Special ministries being new to Buncombe Association, we began with some ground work. I visited all the local agencies which meet the needs of special persons to find out the number of people being served in our area and what needs are being met. This also showed me needs that weren't being met and how the local church can meet these needs.

The findings of these surveys led to two Awareness Conferences - one at South Buncombe Baptist Church and one at Newbridge Baptist Church.

I also spent time volunteering at the agencies. Volunteering at Irene Wortham's once a week really helped me in learning to deal with special kids. Bible studies were held at Thomas Rehabilitation Hospital and youth groups were scheduled to present programs for the residents at Black Mountain Center. I visited a day camp for the mentally retarded - Camp High Hope.

Ending the summer, three Mother's Night Out programs were held. These were special nights. Leading the singing at a special education Sunday School class at Merrimon Avenue was rewarding. These people have such a love for Jesus as well as others.

This was a special summer for me and I hope that with the end of summer comes the beginning of other's concern for special people.

Family Prison Ministries Report

The Lord blessed the "Christmas Toys for Children of Inmates" project last Christmas more than ever. Seven hundred twenty-two children received toys through Family Prison Ministries. This more than doubled the number of children receiving toys in previous years. The 1987 Christmas project has already been kicked off with 2 one-hour cable TV programs on ACCN on September 28 and 29. We hope to have another banner year.

Family Prison Ministries has purchased 20 of 40 planned "patio" umbrellas to provide shade for inmates and their familes when visiting at Craggy during the hot summer months. Money is stil needed to help provide these umbrellas.

Over 1,500 miles have been traveled in the past year taking family members who are without transportation to visit their loved ones at area prisons. This was in addition to providing some transportation for some family members to church and other transportation needs.

The following churches have been involved in Sunday Child Care at Craggy sometime during the past year: First Baptist Church, Asheville; Biltmore Baptist; Pole Creek Baptist; Hill Street Baptist; and Fairview Christian Fellowship.

In addition to these, counseling and Christian leadership has been provided for inmates and their familes through Chaplain Fred Duckett and Family Prison Ministries members.

Family Prison Ministries wishes to express our appreciation to Fred Duckett for his service as part-time chaplain at Craggy for the past 20 months. Fred, employed by the Buncombe

Baptist Association, resigned effective September 30, 1987. Fred has done an outstanding job. He was well liked by Family Prison Ministries volunteers, the Craggy staff, and the inmates at Craggy. Thank you, Fred for a job well done! A replacement for Fred will be named early in the 1987-1988 church year.

Sam Alexander, President
Family Prison Ministries

Chaplaincy Report

For the past 20 months, I have been serving as part-time chaplain at the Craggy Medium Security Prison Camp at Asheville, working a minimum of 10 hours per week. I appreciate the sponsorship and support of the Buncombe Baptist Association and the N.C. Baptist State Convention.

During the period, October 1, 1986 through September 30, 1987, I have made 114 visits to the prison and have traveled 3,468 miles in connection with my work. Total counseling sessions held with inmates and families have been 592.

During the past 12 months the complexion of the Craggy work has changed. One year ago the average daily census at the camp was over 200. To alleviate the terribly crowded conditions that existed many inmates were transferred and the population now averages approximately 110. Previously I spent most of my time counseling the new inmates who came in, and there were many. As of this date, there are few new admissions and these are usually repeaters or inmates who are there temporarily to use the Law Library. As a result, I am focusing my ministry more on visiting inmates and their families during Sunday afternoon visiting hours.

My ministry has included counseling with inmates who have had deaths in the family. These include wives, parents, grandparents, brother and sisters. I have visited relatives of inmates in the home and in the local hospitals, sometimes *for* the inmate and sometimes *with* the inmate. During the year I have officiated at the weddings of 4 inmates, 3 at Craggy and 1 at the Yancey County Unit. One of these couples, after living together for 8 years and having 2 children, decided that marriage was the right route.

On September 30, I concluded my work at Craggy. It has been a good experience for me and I trust that it has been for the inmates. I leave the work with some serious concerns. Many people, including some Buncombe County Baptists, look on prisoners as social outcasts with no potential for good. Their philosophy is, "They got what they deserved. Lock them up, throw away the key and let them rot." The truth is that they are, like us, God's children who have sinned and need love and forgiveness. Everyone of us would have to admit: "There, except for the grace of God, go I." Let's help them where they are until God makes them what, by His grace, they can be.

Spruce Hill Ministries Report

Spruce Hill Ministries is a multi-family housing project sponsored by Buncombe Baptist Association and the North Carolina Baptist State Convention. The work began October 1986 with Rev. and Mrs. Erskine Plemmons as ministers.

Spruce Hill is a 176 apartment complex. Mrs. Vickie Fuller is the manager. She is in sympathy with the project. She rented apartment 101-B to the association for an office. Christian Creek Baptist Church, where Mrs. Fuller is a member, is paying the rent on the apartment.

Rev. and Mrs. Plemmons laid a sound foundation for the work. A Big A Club was organized for children in grades 1-6.. Activities were planned for single parents.

An Open House was held October 19, 1986 for the residents and churches. Ladies from Beverly Hills Baptist Church furnished and served delicious refreshments. A total of 46 people attended Open House.

Rev. and Mrs. Plemmons took the job on a six months basis. They completed their work the last of March 1987. Rev. and Mrs. Henry Powell, recently retired Director of Missions in North Carolina, were asked to continue the work at Spruce Hill.

The work has had its ups and downs. The work with singles has floundered and presently the singles are not meeting. Big A Club slowed down during the summer months. It is now in full swing with two groups meeting. There is a club for children in grades 1-3 and another for children in grades 4-6. BSU students from UNCA are helping with the Big A Clubs on Tuesday nights. A Sunday School class at Beverly Hills Church is furnishing refreshments for Big A meetings.

In August, ten children from Spruce Hill attended Vacation Bible School at Beverly Hills. Mr. Powell drove the church van each day to pick up the children. Two of the children were recognized along with five others for memorizing the Bible passage for the week.

Another highlight in August was a visit from BSUers attending Ridgecrest Conference Center. Thirty-seven young adults came to the apartment complex to visit the senior adults. They were divided into teams and visited nine of our senior adults. The senior adults had agreed to the visits. It was a great success. The senior adults loved it and the students loved it. After the visits, the students returned to the apartment office for refreshments. The students want to do it again next year!

Volunteers from Morningside and Beverly Hills churches have been used in several ways. They have helped with Big A when the students from UNCA were on vacation. Volunteers have visited with the senior adults. Volunteers have taken residents to the doctor, the pharmacy, the grocery store, and various other places.

Plans are under way to resume the activities with single parents. The BSU at UNCA is interested in an Adopt-a-Grandparent program.

During the summer Boys' Club of Asheville used our facilities for a crafts and recreation program. The Extension Department wants to organize a 4-H club and use our facilities.

The work has been slow. It takes time to cultivate people - to get their trust. Needs have been met as visits were made to the apartments and to the hospital. We have had several in the hospital this year. We lost some of our senior adults through death.

We have found people are lonely. Some feel they are forgotten by their churches. As we have visited, we have listened more than we have talked. People want someone to listen to them, to show someone cares for them, for their feelings. This is ministry. This is Spruce Hill Ministries.

Church Development Annual Report 1986-1987

The past year and nine months have afforded me many opportunities for sharing with God's people. Thank you for the truths you've shared with me during this time. Being a part of so many educational events makes the position of Church Development an exciting and rewarding adventure. October 30, 1987 will be my last day to be a part of the Buncombe Baptist Associational staff. My family and I now live in Old Fort, N.C. where my husband is serving as pastor.

Buncombe Association is fortunate to have quality volunteer leadership in our church program areas. Ministries have been made possible this year because of the able leadership of the following program leaders: Rev. Coy Jeans, Sunday School (from October 1986 - January 1987); Mrs. Elizabeth Myers, Church Training; Miss Pauline Snelson, WMU; Wayne Higgins, Brotherhood; Rev. Randall Melton, Music (October 1986 - May 1987); Rev. Tom Burns, Music (April 1987 - September 1987); Mrs. Jill Satterfield, Youth. These persons along with their councils are to be commended for their faithful service.

The Bold Mission Thrust goal of reaching ten million people by 1990 continues to motivate us to reach and develop people through the Sunday School. Study course credit for the *Bible Teaching* series was offered on April 6-7 at our annual ASSIST Training Institute. Vacation Bible School is an excellent opportunity for prospect discovery and evangelism. An early VBS clinic in February and two conferences in May gave local church VBS leadership training opportunities. The ASSISTeam has assisted in several local church Sunday School consultations.

At "M" Night 1986 Mrs. Elizabeth Myers was recognized for twenty-five years of faithful and dedicated service as our associational Church Training director. In May very successful Bible Drills and Youth Speakers' Tournament were held. Also, a Bible Drill for grades 1-3 was held for the first time. On September 21 the associational council taught the new Church Training manual, *Discipleship Training*.

The associational music council offers excellent opportunities for all age-levels to be involved in music ministry. In December 1986 the associational Adult Concert Choir gave two performances at the Biltmore House. The annual youth choir retreat climaxed on Sunday, April 26 at Ridgecrest with an excellent performance of *Celebrate Life*. The children's choir camp in July was climaxed with a performance of *Who Built the Ark?*

"Gifted...Called...Empowered...Involved..." has been a challenging theme for WMU this year. The council has provided opportunities for WMU leadership training, foreign and home mission studies, and ministry action. Our local council served as the arrangements committee to help host the annual state WMU convention at Ridgecrest. GA camp in July is always a highlight activity in the area of mission education for young girls. The year 1988 will be exciting as the national WMU celebrates a centennial year.

The Brotherhood council continued to have district breakfasts encouraging men to find out more about the Brotherhood organization. Opportunity to learn about recent changes in the Brotherhood program have been made available. The RA committee is to be commended for their involvement in the following areas: car competition, track, basketball and camp.

The youth coordinating committee sponsored a well attended skating event in October. On March 14, 1987 a Youth Evangelism Rally featured Dean Finley as speaker.

The program councils exist to serve and equip local church leaders. Please feel free to call on the directors when you need assistance. Note the individual directors' reports.

I will continue to thank God for the opportunity of working with Buncombe Baptists. Many exciting possibilities await you as together you enter the challenge of a new Buncombe Baptist Resource Center.

In Christ's Love,
Norma Melton, Director
Church Development

Sunday School Report

The goal of the Buncombe Baptist ASSISTeam (Associational Sunday School Improvement Support Team) is to help Sunday School leaders in our local churches do the work of Sunday School. Buncombe Association can be proud of the trained leadership in our ASSISTeam. Prior to leading conferences in our association the Team receives training from the Sunday School Board and the state convention.

Vaction Bible School comes under the umbrella of Sunday School. Houston Hall, VBS Director, led an early VBS Clinic for pastors and directors on February 23, 1987. Forty one persons from 24 churches attended. On May 5, 1987, two VBS clinics were held with a total attendance of 222 representing 38 churches.

Rev. Coy Jeans was elected as Sunday School Director in October 1986. However, Rev. Jeans resigned in February of 1987. He was called as pastor of Greenlee Baptist Church and moved to Blue Ridge Association. We appreciated the leadership that he gave while serving with us.

Despite an unexpected spring snow we had about 60 persons who participated in the annual ASSIST Training Institute on April 6-7, 1987. Opportunity was given for persons to earn study course credit on one of the *Bible Teaching Through the Sunday School* study course series books.

The ASSISTeam has been available to give one-on-one assistance in our churches. Several churches have taken advantage of personal consultations.

The challenge of reaching 10 million people for Christ by 1990 is still before us. Reaching this goal must be a team effort among our churches. Let us continue to work together as we win the lost and develop the saved through Bible teaching in the Sunday School.

Norma Melton

Woman's Missionary Union Report

The theme for 1986-1987 "Gifted to Serve, Called to Act" has been a challenge.

The Watchword "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." I Peter 4:10 (NIV). This watchword has called our women to service.

Many events have been promoted to strengthen the WMU work in the churches of the Buncombe Baptist Association.

October 20, 1986 - A Foreign Mission Institute was held at Grace Baptist Church. The purpose was to help teachers of all age levels with Foreign Mission study.

November 3, 1986 - The World Day of Prayer was held in 8 districts with a total attendance of 351 representing 43 churches. The total offering was $467.26.

This has been a good year for WMU in Buncombe Association. There have been a few new organizations in churches. Several churches have increased their enrollments from WMU organizations this year.

WMU (SBC) will be 100 years old in May 1988. Plans are being made to take a bus load to Richmond, Virginia for the celebration.

WMU has helped to recruit many missionaries for the mission field through the years. How? By providing missions education for all age levels of girls and women. Many feel a call to missions through these experiences. Is your church providing such opportunities? Call on us to help organize WMU in your church if you do not have one.

GA Camp Report

This year was an exceptional one for GA camp. The weather was beautiful and the environment very conducive to camp activities.

There was a total of 98 people at camp, including girls and counselors. Each counselor had 9-12 girls with ages ranging between 9 and 12 years. The counselors are a very important part of camp. Without them it would be impossible to influence the girls or have a meaningful camp experience. The counselors serve as role models for the girls, teaching them the importance of Christian ideals. They teach the girls to know God as a personal friend.

During the week the girls were exposed to Bible, mission, and GA studies. Steve Harris was our camp pastor who taught about the life of Jesus. He was wonderful with the girls. Our missionaries for the week were Gayle Brown, Joe Hester, and Pauline Snelson. Kay Chasteen, a volunteer from the Christian Service Corps, taught the History of WMU. Each missionary spoke on a different phase of mission work.

Each afternoon the girls were involved in activities such as swimming, rafting, volleyball, softball, kickball, and crafts. During these activities they learned important values such as good sportsmanship, sharing and consideration for others. They learned how to make new friends and how to get along with different types of personalities.

Each evening we had vespers, where the girls were involved in singing and worship. Steve Harris led in a devotional each night. Thursday night was our evangelistic service. Many decisions were made for Christ, including nine professions of faith and about 40 rededications. The Holy Spirit was truly present that night.

The main goal of camp is to bring girls closer to God and help them understand what it means to serve a risen Christ, who is our friend and Savior. I feel this goal was accomplished this year. The counselors' Christian example taught the girls the real meaning of Christianity. GA camp is truly a life-changing experience for young girls.

I want to thank all the counselors, Steve and Sandra Harris, and the mission speakers for giving of their time and talents to this ministry.

Brotherhood Report

During this past year Baptist Men and Royal Ambassadors in our association have involved themselves in many mission activities. Our men and boys have taken seriously God's call, which is to all of us, to proclaim the gospel to others and to share God's word with everyone.

The association Brotherhood Council met six times during the year to plan and coordinate the Brotherhood work of the association. There were four quarterly leadership conferences and one annual Brotherhood Conference which was held on August 31 at Beverly Hills Baptist Church with over fifty men participating representing eighteen churches. We also held two District Brotherhood Breakfast meetings in the Swannanoa-Oteen and Enka-Hominy districts.

Baptist Men in our association were involved in many mission projects which included working at the Baptist Assembly at Caswell, West Virginia, New York, and Brussels, Belgium and many state mission projects. Also, this past year many of our men worked to complete the renovation of the association missions house. The renovations were completed in time for the house to be utilized by our five summer missionaries.

Many of the men in our churches participated in Baptist Men's Day on January 31. Also, several of our men participated in district and state leadership conferences. It is very evident that our men are genuinely concerned about and involved in missions.

Our associational RA Committee was very active this past year planning and carrying out various activities for the boys and young men in our association. Following are some of the activities that our boys were involved in:

1. Pioneer Basketball Program - We had eight teams representing six churches participating.
2. RA Track Meet - This event was held at Reynolds High School on May 2. We also had several boys to participate in the state meet.
3. Crusader Car Competition - This even was held on February 14 at Beverly Hills Church. Ninety-nine boys participated.
4. Ra Camp - This was probably the highlight of the year. See the RA Camp Report for more information.

The structure of the Brotherhood will change this next year. We will need additional workers to carry out the expanded activities. I would encourage you to join me in prayer asking God to guide and lead us and to supply the workers needed to carry out His mission work. We look forward to next year and the opportunities that will be presented to us to serve.

I would like to thank all the men and boys for their involvement in and commitment to missions. May God continue to bless you as you continue to serve.

Wayne Higgins, Director
Association Brotherhood

RA Camp Report

The RA Camp for 1987 was a wonderful experience. There were 103 campers and counselors involved in the camp.

We had mission studies which included foreign, home, and associational emphasis which allowed the boys to see how our cooperative mission program functions.

Royce Phillips led our RA advancement with emphasis on camp craft. There were many activities such as swimming, boating, field events, and crafts. On Friday the activities were concluded with a shaving cream war which was enjoyed by all who chose to participate.

We had Bible studies each morning and vesper services each night. These were led by our camp pastor, Danny Hampton, and a youth group made up of summer workers at Ridge-

crest. Wednesday evening each cabin had devotions and sharing as they cooked out individually.

The boys had opportunities to compete for trophies in advancement as well as camper of the week.

The climax of the week was on Thursday at the evangelism service. The Lord blessed greatly with 15 praying to receive Christ for the first time and over 50 rededicating their lives to Christ. The Lord's presence and blessings were evident all week and we praise Him for a wonderful RA camp.

Youth Coordinating Committee Report

The year began with a regular fall event at Skate-A-Round USA in Weaverville. Over 400 youth and adults enjoyed a late night time of skating and fellowshiping together. Carson Moseley led in music and Sam Taylor gave a devotion during a break in the skating. Awards were presented to youth in several contests during the evening and "early morning". Several churches continued the late night fun by returning to their church for a "Lock-In" or some like to refer to them as "Whip-Outs".

The Spring Event was held on March 14 at Merrimon Avenue Baptist Church. Dean Finley, National Evangelism Consultant from the Home Mission Board, was the guest speaker. We were pleased to see around 300 youth attending during Youth Week in the convention. Trish Higgins from Beverly Hills Baptist brought special music. Roger Ward and Carson Moseley led in group singing.

We continued to try and encourage our youth ministers to participate in the Youth Ministers' Fellowships. Attendance was slim but nevertheless needed time for sharing and support.

Music Report

Music ministry is an ongoing ministry in the local church as well as in the association. The associational Music Council has been busy this past year by providing music opportunities for all age groups.

The fall quarter of this year, October, November, December, saw the adults of the association busy in rehearsals for the Biltmore House project. The rehearsals were conducted by Don Welborn with one performance conducted by Don and the other by Mr. Charles Gatwood of our Baptist State Convention.

Spring always brings the Youth Choir Retreat. The dates this year were April 23-25. The retreat was held at Pigeon Forge, Tennessee. We had 159 youth and 65 adults participate. The choir was directed by Dr. Terry York of the Sunday School Board. The Sunday concert of "Celebrate Life" was held in Spilman Auditorium at Ridgecrest Conference Center.

July 13-16 the Children's Choir Camp was held at Merrimon Avenue Baptist Church. There were 188 children in attendance representing 21 churches. The children sang "Who Built the Ark?" on Thursday evening under the direction of Tom Burns. The Camp director was Lovey Bigham.

Many thanks go to each director and churches that participate in the events of the year. Without their support these events would not be possible. The new director will be Allen Cantrell. We look forward to another progressive year.

Associate Music Director

BSU Annual Report

The UNCA Baptist Student Union (BSU) continues to grow and reach out toward the school and local community. We have grown from 8-10 students 2 years ago to an average of 35-40 in attendance at our Monday meetings. We have also identified some 250 Baptist students on campus that we have had some contact with.

The students are assuming a more active leadership role on the UNCA campus and in the local churches of the association. They are beginning to recognize their roles as witnesses engaged in a ministry of outreach. Our mission has broadened to include not only students but also staff and faculty at UNCA.

The following list of ministries gives an idea of how broad our ministry is: *Missions -Outreach* is visiting and writing students, dorm Bible study, Focus teams in local churches, Big A Club and Adopt-A-Grandparent programs at Spruce Hill apartments, work with ABCCM, as well as three students involved in state summer missions. In the area of personal and spiritual growth, we held our first Fall Retreat with about 19 students in attendance where we spent time focusing on the basic characteristics of the spiritual life. We are beginning a weekly *Share Seminar* that will help students focus where they are in their faith and what questions need to be raised and hopefully help them learn how to share their faith with others.

We will be attending Fall Student Conference at Ridgecrest, Spring Leadership Conference at Asheboro, and a Global Concerns Conference in Washington, D.C. after Christmas.

We continue to stress local church involvement. We welcome input from the churches of the Buncombe Baptist Association.

There are many to thank for their support, prayers, and involvement with the BSU at UNCA. Eddie Morgan, Randy Barnett, and Jim Burnett, the volunteer directors, give many, many hours a week in support and work with the students.

To just thank Mrs. Grace Jones and the WMU's of the association seems trite in relation to the ministry these ladies perform by providing the Monday meals. *Thank you for your faithfulness* - not to mention the great food!

And last, but not least, the Buncombe Baptist Association, Rev. Gayle Brown, Mrs. Norma Melton, Ms. Carolyn Johnson, Ms. Betty Orr, and Mrs. Nancy Owen who without their insight, support and prayers, the BSU and Baptist Campus Ministry at UNCA would not be what it is today.

Associational Missions Development Council

"Missions is finding a need and filling it," someone has said. Understood in that statement are several things: Needs are spiritual - man without Christ is lost. Needs are often physical - God loves man in his human condition, and salavation is holistic. Christ has commanded all Christians to share in the legacy of mission - the Great Commission.

The Church is the primary missions organization. Christ's followers are being discipled by the church. Individuals banded together for worship, fellowship and service, empowered by the Holy Spirit and fervent in prayer, are the missions force.

The association is an organizational expression of many churches with the same commission giving and receiving strength and encouragement from each other. One purpose of the association is to provide resources for churches. The goal is to get missions work done effectively and efficiently. All other activities, though important, are secondary to missions. Missions and evangelism may be thought of here as separate terms for the same accomplishment.

In the Buncombe Baptist Association we are moving from the Association Missions Committee to the Associational Missions Development Council. The work of the Association Missions Development Council has five mission performance tasks. They are (1) call churches to be on mission (2) provide resources and services to churches and leaders (3) train, develop, and encourage church and associational workers (4) provide opportunities for working together in missions, ministry, growth and evangelism and (5) establish and maintain appropriate communications and relationships with the community and the denomination.

David Coleman, Chairman
Associational Missions Development Council

New Work Report

Clear Branch Baptist Chapel has now been constituted into a church and is under the watchcare of our association. Pastor James Paul and the people of Clear Branch are to be commended along with First Baptist Church, Black Mountain who gave them support.

The need for work among the Spanish speaking people has diminished to the point where we are considering discontinuing it.

Rev. and Mrs. Henry Powell are now coordinating the ministry at Spruce Hill housing complex. This is still considered a pilot project and we are aware that the ministry there needs to be flexible enough to adapt to the changing needs of the residents. We are grateful that Rev. and Mrs. Erskine Plemmons helped us get the ministry started there along with the cooperating churches of that area and Mrs. Vickie Fuller, who manages the complex and is a member of Christian Creek Church.

We are now exploring the possibility of the need for new work in the Glenn Bridge Road section in south Buncombe County.

Pray for your New Work committee as we continue to try to discover needs and provide ministries to meet these needs in our county.

Bill Nelson, Chairman
New Work Committee

Evangelism Report

Evangelism is the task of every believer. If, indeed, it is "one beggar telling another where to find bread," then we must encourage more folks to tell the good news. The spiritual hunger is obvious. Baptists can get the job done. Dr. Lewis Drummond said, "We've got the commitment, I am convinced. If we can just get hold of God and never give in, our future will be as great as our past."

Regional, state, and youth evangelism events provided inspiration during the past year. In preparation for the convention-wide crusade in 1990, Lay Evangelism Schools will be encouraged on the associational and church levels during the next two years. On the local level, an area crusade with Bill Glass is set for next year.

Let's keep telling the "Good News."

Ronnie Owen, Chairman
Evangelism Committee

Membership Committee Report

The Membership Committee is pleased to report that the Clear Branch Baptist Church located on Highway #9 between Black Mountain and Bat Cave, North Carolina has come under the watchcare of the association. The church is pastored by Rev. James Paul, a graduate of Fruitland Bible Institute and student at Mars Hill College.

The Membership Committee would like to encourage, along with the association New Work Committee, the importance of starting new Bible studies, mission work, and new church starts.

Charles Brock in his *Principles and Practice of Indigenous Church Planting* points to the centrality of the church planter. "Therefore for the church planter, attitudes precede action; motive precedes motions; organism precedes organization; doctrine precedes doing."

There is a new generation of people in North Carolina. Each new generation must be evangelized for God - God has no grandchildren.

There are five chief reasons for planting new churches:

1. The New Testament spotlights this establishment of new churches as the way spreading the Gospel.
2. The establishing of new work is one of the best and most efficient ways to fullfill the Great Commission.
3. Planting new churches is the most effective evangelistic methodology.
4. The planting of new work helps stimulate other churches and thus they grow.
5. New work helps to develop a broader base of leadership development.

Dr. Francis Lunsford, Chairman
Membership Committee

John G. Hicks Seminary Scholarship Fund

The John G. Hicks Seminary Scholarship Fund was established in 1985 to assist seminary students with financial assistance as funds were made available. Working with the North Carolina Baptist Foundation, an agreement was reached to establish the John G. Hicks Seminary Scholarship Trust Fund. The Foundation receives and disburses all funds as directed by the Buncombe Baptist Association John G. Hicks Seminary Scholarship Committee. At the present time there is approximately $2200 in the Trust Fund.

This past year two scholarships were awarded by the committee. Mary Beth Hicks and Linda Denise Chouquette, both students at Southern Baptist Theological Seminary, were given $400 each for the 1987-88 school term.

It is the desire of the Scholarship Committee that more money come into the John G. Hicks Seminary Scholarship Fund. With more money coming in, more scholarships may be awarded to worthy students. If several of the 92 associational churches would give $50 - $100 each, the fund would build in a very fine way. Prayerfully consider asking your church to give $50 - $100 to the John G. Hicks Seminary Scholarship Fund. Your gift, along with others, will assist some seminary students during those "lean" years of securing an education.

Bob Kinser, Chairman
John G. Hicks Seminary Scholarship Fund

ACTS 1987

ACTS (American Christian Television System) can be seen on Cencom Cablevision. For the present time, Asheville Cablevision has dropped ACTS. Plans are underway to try and get ACTS on Sammons Cablevision which serves Swannanoa-Black Mountain cable subscribers.

Local programming is part of the "key" with ACTS. At the present time the ACTS Board of Asheville and Buncombe County is working with Mars Hill College administration and staff to explore avenues for local programming.

Churches that contribute to the Radio and Television Commission are asked to send comparable support to the local ACTS Board of Asheville and Buncombe County, Inc. to enhance local programming for our area.

Dr. Joe Hester, President
ACTS Board of Asheville and
Buncombe County, Inc.

Brussels Partnership

The Buncombe Baptists and the International Baptist Church Partnership continued to grow in 1987. Our commitment for financial support and personal involvement have begun to materialize. In May twenty-one Buncombe Baptist Mission volunteers went to Brussels both as a work team and witnessing team. The work team worked a "miracle" in Christ by doing "nine days of work in three days" according to International Baptist Church leaders. The Building Chairman there was so amazed he claimed only God could have put together a group so vitally able to do just the right jobs to greatly advance the completion of their newly renovated church facility.

On July 5th the Brussels congregation worshipped for the first time in their new facilities. On September 20th they had a special day of dedication. A letter of congratulations and thanksgiving to God was sent from Buncombe Baptists to be read to the congregation on that day.

During the May mission trip the team joined with members of the International Church for door-to-door witnessing in the flemish neighborhood of the church and later on the streets around the Grand Plaza in downtown Brussels. There were many encouraging experiences of evangelism. Several received Christ as Savior during these efforts including two Iranians.

Last fall a missions offering goal of $45,000 was adopted by Buncombe Baptist for the purpose of renovating the fellowship hall of the International Church. To date $5,252.12 has been given toward this goal. Many association churches are having "Partners in Mission" ingathering Sundays this fall to give towards this goal. Envelopes are available at the associational office for these ingatherings.

Continuing our Partnership in 1988 we also are making plans for another team to go to Brussels/Poland next summer. Definite dates and plans will be announced soon.

Dr. Joe Hester, Chairman
Brussels Mission Partnership

Buncombe Baptist Ministers' Conference

The Buncombe Baptist Ministers' Conference is a time well designed for the Baptist minister (pastors, retirees, denominational workers, music, education, and youth). "THERE IS A TIME": for song, for sharing and praying, for inspiration, and for a program that is helpful to those in the Gospel ministry. Many have often found needed strength and encouragement during the conference hour.

We meet every Monday at 10:00 A.M. in the Chapel at First Baptist Church of Asheville. We do not meet on the dates of the State Evanglism Conference, the Southern Baptist Convention, the State Convention, or major holidays.

All ministers are encouraged to come and gain the benefit of this fellowship one with another. "To everything ...there is a time." Minister, this time is for you!

Charlie Sams, President
Buncombe Baptist Ministers' Conference

Bivocational Ministers

As I think of giving a report for bivocational pastors, a number of things come to mind. It has been a good year. God is good to His people. We have been blessed greatly. Time has gotten by so fast - it seems to have been a short year. We have had opportunity to work together for a common goal: "the work of the Kingdom". We hope and pray for more involvement by the bivocational pastors.

I wish to report on our appreciation supper in the early spring given by the North Carolina Baptist State Convention under the direction of Brother Tom Lolley. This was a time of fellowship, food and enlightenment concerning Sunday School growth. Everyone enjoyed and appreciated this time together.

Later, in the month of July, we had the opportunity to share in a picnic at Lake Julian with all the pastors, wives, and staff members in the association.

We look forward to another year as we labor in the "fields" that are white already unto harvest. "Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:38.

Ray A. Hipps, President
Bivocational Pastors

Region IX Brotherhood

This has been another great year for North Carolina Baptist Men and Region IX. Souls are being won through all our areas of mission.

Churches are being built at Topsail Beach and other places in North Carolina. Caswell is coming along great. John Mason, pastor at Morgan Hill, is coordinating this work in Region IX.

Work is continuing in Brazil, Togo, and now, Poland. Correctional ministry is doing well although more help is needed. Contact me, Sam Alexander, or Gayle Brown if you can help. The demonstration farm at Campbell University is on the move. Services are being conducted at race tracks and camping areas. The fight against pornography is still going on and at this time it looks like we are winning. Mike Smith and his Lay Witness group are going strong and winning souls for Christ. Lay Renewal is going good but we are in need of a coordinator for Region IX. *Prayer support* is still not what we would like it to be and since I feel that is of the *utmost importance* I request your help in strengthening this area.

Our medical people are going overseas, filling teeth and ministering to the sick. Royal Ambassadors are on the move. We have initiated a new program for Baptist Young Men which should give them more interest from High School through their twenties. This is a critical time in their lives and we have been losing many of them.

Our Regional Baptist Men's Rally at Mars Hill was a great success last year and we are praying for another this year at Fruitland.

Region IX and the Buncombe Association are still in the lead in most cases. Keep up the good work!

I request your prayers and you can be assured of mine.

Your brother in Christ,
Fred Sealey, Vice-President
N.C. Baptist Men

Recreation Committee

The Buncombe Baptist Softball League was the only organized recreation activity for 1987. Planning for this activity was begun in February and we finished our league tournament the second week of August.

The participation was great (40 teams) and considerable progress was made in the area of league rules, Christian fellowship and outreach. Our recreation, of course, is self-supporting and our cash balance was increased from $254.00 to $563.00 during the year.

Hugh Cole, Chairman
Recreation Committee

Seminary Extension Report

Southern Baptist Seminaries have been offering off-campus theological training through the Seminary Extension for 36 years. During 1986-87 the Buncombe Baptist Center sponsored by the Buncombe Baptist Association was part of the network of more than 400 similar centers throughout the country. This was the 10th year that a Seminary Extension center has been operated in the association.

According to Gilbert Barnhill, Seminary Extension Committee Chairman, the center offered 3 courses. Sue Fitzgerald taught "The Book of Exodus" last fall, and Chaplain James Sams taught "Clinical Pastoral Ministries". Pastor Tom Lomax began a class at Craggy Prison but had to discontinue the class due to conflicts with inmates' schedules. For the year, a total of 48 persons enrolled in one or more courses offered through the center.

Classes met each Tuesday evening for 9 weeks at First Baptist Church, Weaverville for the course taught by Sue Fitzgerald, Director of Christian Education Center, Mars Hill College and at the VA Medical Center at Oteen for the class taught by Chaplain Sams.

While Seminary Extension courses are designed primarily for pastors and other ministers who have missed out on seminary training, many lay church leaders also have used the courses to strengthen their own ministries. Some 70 ministry-related courses are now available from the Seminary Extension Department. In addition to being offered through centers such as the one in Buncombe Baptist Association, most of these courses also are available for correspondence study.

J. Gilbert Barnhill, Chairman
Seminary Extension Committee

April 6, 1987 - Joe Pressley, Trinity Baptist Church
June 8, 1987 - Lester B. Humphries, Elk Mountain Baptist Church

These men were found to be sound in doctrine and faith and the committee recommended that the churches proceed with their ordination.

The Sheriff and Police Chaplains' Report

BUNCOMBE BAPTIST ANNUAL ASSOCIATIONAL MEETING
October 12 - 13, 1987

"Today, more than ever, law enforcement agencies need religious guidance, counseling and assistance to police officers, their families and their communities. No one is confronted with more situations that demoralize and create emotional, mental and spiritual burdens than is the police officer."

"Each day the police officer is faced with potentially dangerous situations as he/she comes into contact with society. He/she must make split-second decisions that are just and right. Many times the police officer has a need to express his/her frustrations and problems to one who fully understands the circumstances surrounding his/her duties and obligations. The police officer needs at times to discuss his/her problems with someone who understands what he/she is up against, yet is detached enough not to become emotionally involved. The police chaplain can listen with empathy, advise calmly, and offer assistance when such assistance is appropriate."

"The police chaplain bears witness to the love and power of God to police officers, their families and the people they serve. This pastoral care is offered to all people regardless of race, sex, creed, or religion. His/her ministry provides a source of strength to the police officers and their families, the community they serve and the incarcerated as well. The police chaplain is the catalyst of reconciliation bringing God's love to the relationships of staff and officers, police and community and their families."

There are those cases when it would be helpful for a police chaplain to be accompanied by an officer: delivering a death notice, dealing with a mentally ill persons, an attempted suicide, or a confused elderly person wandering the street, rather than going alone. The police chaplain may request that the officer accompany him/her.
11. The police chaplain shall act as a liaison between the local ministerial association and the police department.
12. The police chaplain will not usurp the position of the pastor of clergy at any time, nor act in any way that is unethical.

A number of the chaplains with the county and city are endorsed by their denomination and also hold membership in the International Conference of Police Chaplains which was organized in October of 1973 in Washington, D.C. An Annual Training Seminar and business meeting is held in July of each year.

Regional workshops are also available. Last April the Mid-East Regional Workshop of the International Conference of Police Chaplains was held in Norfolk, Virginia and chaplains from the city and county attended.

Buncombe Baptist can be proud to be a part in such a worthwhile effort for I believe that each police chaplain who serves with either the county or city has made this pledge:

POLICE CHAPLAIN'S PLEDGE

"Chosen, trusted commissioned, I will be true.
The opportunity that I have was given to me, I accept it humbly and gratefully.
Mine is an important assignment with great responsibilities, I will do my best.
As an appointed chaplain of my law enforcement agency, and a chosen representative of my faith, I will serve both with all my ability.
Since service to others is my goal, I will seek no personal credit.
Recognizing that chaplains of other faiths have motives similar to my own, I will cooperate with them.
As the chaplain of men and women of many faiths, I will serve all with equal sincerity, believing that what I am is more convincing than what I say.
I will live worthily.
Since I have been appointed to minister, I will strive to become a worthy representative of God.
As a chaplain I represent all citizens of good will.
This I will always remember.
Because I am chosen, trusted, commissioned for tasks beyond human limitations
I will seek the guidance of God daily and will trust utterly in him".

Buncombe Baptist Church Secretaries Association

The Buncombe Baptist Church Secretaries Association has been meeting for two years. The purpose of the organization is:

1. To understand the various roles of the secretary on the church staff.
2. To provide an opportunity of fellowship and stimulate an interchange of ideas.
3. To provide programs that will deepen the spiritual understanding of the secretary, improve her performance, increase her personal effectiveness, acquaint her with the latest tools.
4. To encourage interests of others in the vocation of church secretary.

Meetings are held the third Thursday of the month at Shoney's on Patton Avenue. On the first month of the quarter we meet with the association in the Quarterly Leadership Meeting and go into our own conference.

We have had such guest speakers as: Dr. James Johnson, Carol Collins, Dr. Dennis Moore, Scott Rogers, Gayle Brown, Dr. Billy Cline, and many other fine speakers.

We enjoy meeting together and learn from each other how to best serve our church. All church secretaries, full, part-time or volunteer, are encouraged to take part in our activities.

We have had two secretaries to retire this year, each with 26 years of service: Mildred Gardner, West Asheville and Verlie Leatherwood, Black Mountain First.

Blue Ribbon Committe Report

The Blue Ribbon Committee is making progress in the over all process of bringing about a new Buncombe Baptist Resource Center. During the past months considerable attention has been given to the formation of three sub-committees which reflect good representation from the churches across the association.

The Site Selection Committee, chaired by Bob Kinser, is in the process of gathering data and information as to population and main traffic patterns and trends for our city and county in the coming years. Committee members are gathering information regarding water and sewage requirements, writing letters to gather information and suggestions from pastors and church members as to possible land acquisition for a Baptist Resource Center, and working with the Program and Ministries Committee to determine the need for adequate acreage to build a resource center and provide adequate parking facilities.

The Program and Ministries Committee, chaired by Shirley McIntosh, has been busy gathering information from associational staff and associational program directors as to what they would like to see in the new Resource Center. In addition, the Program and Ministries Committee will be having area meetings to gain input from pastors and church leaders as to what they would like to see in the new facility.

The Financial Resource Committee, chaired by Leonard Clayton, is waiting to receive information from the Program and Ministries Committee and the Site Selection Committee, as to where we want to locate and what type of building we wish to construct. The Financial Resources Committee will be developing plans for raising funds in the coming months. The Executive Committee of the Buncombe Baptist Association recently took action to set up an account to receive monies for the new Buncombe Baptist Resource Center. Any church or individual wishing to make a contribution toward the new Buncombe Baptist Resource Center may now do so.

I am excited about the progress of the Blue Ribbon Committee. In the coming months we will hear more about plans and suggestions for the new Resource Center. Soon recommendations will come to the associational board for action and we will be well on our way.

Let us continue to pray for all committees, committee members and leaders as progress continues.

Blue Ribbon Committee

Baptist Hospital Report

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 100 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 100 persons with kidney stones have been treated with the lithotripter, which has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success. Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue.

The Air Care Program, a "flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

The Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events.

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September 1985 and the first Homes and Hospital Offering in May 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

Baptist Children's Homes of North Carolina, Inc.

This has been another exciting year in the life of the Baptist Children's Homes. There has been four major emphases during this year.

1. There was a re-organization of Group Care on the Mills Home Campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of "Friendship Therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and the people of Western Carolina in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years' was begun. As a basis for this Long-range Planning, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child care institutions in North Carolina.
4. Partnerships in cooperation with the W.M.U., personal evangelism, Baptist Men, and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing Baptists of North Carolina.

It is also delightful to report that more than fifty children and youth from the Homes made professions of faith during this past year.

Some of the things that have been happening in Western North Carolina is the opening of the new Moody Home. This is a marvelous facility in the beautiful Iotla Valley of Macon County. An outstanding ministry is being offered to teenage girls needing a level of care beyond that which is available in other services of the Homes. Mary Lewis and Gary Bruin, the directors of Moody Home, are well trained and gifted in leading this work.

Other services in the western area continue to do well. The Broyhill Home at Clyde, the Maternity Home in Asheville, and the Thermal Belt Youth Shelter in Forest City tend to have a waiting list in recent months.

Baptist Children's Homes have a dedicated staff of child care and social workers to meet the challenge of caring for some of God's loveliest children. Through our prayers and generous gifts, we continue to be laborers together for God's work and the needs of these children.

Baptist Retirement Homes

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. *Advocacy for Older Adults:* During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. *Quality Care:* During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

III. *New Development:* During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

North Carolina Baptist College Report

CAMPBELL	CHOWAN	GARDNER-WEBB	MARSHALL
1887	1848	1908	1856
MEREDITH	WAKE FOREST		WINGATE
1891	1834		1895

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The folowing summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.
2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.
3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.
4. Most said they learned about the coleges through the *Biblical Recorder*. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

Christian Action League

The General Assembly adjourned its 1987 session on August 14th marking the first time in history for the legislature to last into August. One reason for the long session was the "rash" of liquor bills and gambling initiatives.

A major victory was the defeat of the state-wide lottery proposal. Pressure from the gambling industry was evident, but with opposition to the proposal coming from Governor Martin, Lt. Governor Jordan, and House Speaker Ramsey, the bill died in a Senate Committee.

However, a pari-mutual gambling bill, Senate Bill 732, is still alive. Its sponsor, Senator Kenneth Royall, was able to get the measure held over until the 1988 legislative session. This proposal would open the door for horse and dog gambling tracks.

In the war against poronography, we have special reasons to be thankful. The North Carolina Supreme Court recently upheld our 1985 Comprehensive Obscenity and Child Protection Act. The "smut peddlers" have contested this statute in both the state and federal courts. Each time the courts have ruled in support of the measure. We have now gone from some 750 poronography outlets to less than 50. No longer do you find sexually oriented publications available and accessible to children in convenience stores, etc.

There will be more court cases. In the current session of the N.C. General Assembly, an effort was made to "gut" our obscenity statute by a provision to apply a state-wide standard rather than a community standard. The U.S. Supreme Court in 1973 set forth as a basic test in determining obscenity the applying of a contemporary *community* standard rather than a *state-wide* one. This reveals the importance of one word to a good law. We are grateful that the attempt was unsuccessful.

An effort was made to repeal our newly enacted age 21 drinking law, but it was unsuccessful. The beer industry was behind that effort, but the loss of federal highway funds for N.C. highway building projects was more than the legislators were willing to tackle.

The Christian Action League not only has been on the "firing line" during this legislative session, we have assisted in successful campaigns involving liquor, beer and wine referendums in places like Pasquotank County, Hudson, Lenoir, Banner Elk, Manteo, Franklin, and King.

Thank you for standing with us in the ministry of applied Christianity. Through your prayers and financial support, you help us to be an effective applicator of "salt and light".

The Biblical Recorder

Report to the Association - 1987

Some Baptists are well-informed, some misinformed, some uninformed. *The Biblical Recorder* tried each week to present the news and activities of Baptists so that all will have the opportunity to be informed. As our state grows and there are more challenges for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make the gospel known. *The Biblical Recorder* aids this task by providing information about the opportunities and ministries which are going on around us.

Readership is strong, but the *Recorder* goal is to reach every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain—only $5.00 per year for the Church Budget Plan! For one-half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year, there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so the greatest number of Baptists can benefit from the paper—at the lowest possible costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

Baptist Foundation Report

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are witnesses that give daily, that the lost, the needy, the hurting people of the world might know Jesus.

Contact the Association for a conference with our local representative.

American Bible Society

Praise God for the continuing partnershp of the Southern Baptist Convention in the worldwide Bible cause! Your faithfulness with prayer and finances make a vital contribution to American Bible Society in translation and distribution of scriptures around the world.

Can you imagine - living on the hot and humid coast of Sierra Leona, West Africa; and you have just received your first copy ever of the New Testament in your Krio language? Krio is one of the 19 "new" languages to receive scriptures for the first time. United Bible Societies, of which the American Bible Society is a member, reports four of these 19 received the New Testament and the other 15 received a single book. This brings the total to 1,848 now that scriptures are published.

It is *hard* to *feel* any lack of scriptures at all in America, North Carolina and Buncombe County, where they are so available. I cannot help but think of Luke 12:48b KJV... "For unto *whomsoever much* is given, of him shall be *much* required..."

Thanks for calling on me and letting me help you with your Scripture needs. This year I've ordered Amharic, Thai, French, Spanish, and Korean.

We have a job to do! Let's be a witness with God's Word.

Annuity Program Report

Most pastors have heard about the new EXPANDED CHURCH ANNUITY PLAN -some have not. All pastors and churches would know that regardless of what happens to them; disability, retirement, or death that they and the ones they love are protected. The Expanded Church Annuity Plan offers all this. If you die before reaching retirement age, your beneficiaries may receive up to $45,000. If you become disabled, your disability benefit will provide a monthly check, or when you reach retirement age you will have an income to live on for the rest of your life.

My brother, Cecil Fox, former pastor of Blantyre Baptist Church in Transylvania Baptist Association says, "There is a difference between existing and living....A BIG DIFFERENCE! The difference for me is the EXPANDED CHURCH ANNUITY PLAN."

The Expanded Church Annuity Plan is not a dream - it is a reality. Beginning January 1, 1988 you can be covered under this new plan. This is your opportunity to encourage your church to have a PLAN for protection - both for the church and for its ministers - by signing the cooperative agreement. All you have to do is (1) Begin to make your contribution, the suggested amount is 5% of your salary and housing; (2) Encourage your church to vote to put 10% of your salary and housing into your retirement account and; (3) The Baptist State Convention will contribute up to $420.00 per year in this plan.

The important thing is for your church to have a plan of protection for it's minister(s). You and your church need to begin where you are and increase contributions each year toward the 5% for member and 10% for church. Expanded contributions means expanded benefits.

Let's all go back to our churches and encourage our churches and pastors to become enrolled in the EXPANDED CHURCH ANNUITY PLAN which goes into effect January 1, 1988. If I, or my brother Cecil, can be of assistance to you and your church in discussing and explaining the Expanded Church Annuity Plan please let us know. You can get in touch with us by calling the Buncombe Baptist Association office at 252-1864.

Second Session

The second session of the 106th Annual Meeting of the Buncombe Baptist Association with Jackie Collins, Moderator, presiding, began with the singing of the hymn "What a Friend We Have in Jesus" led by Tom Burns, minister of music at Merrimon Avenue. George Holland, pastor of Long Shoals, read the scripture, Luke 10:1-9, and led in prayer. Fred Werhan, pastor of Hominy, gave a welcome to the people.

Ronnie Owen, chairman of the Committee on Committees, presented the committee's report for review and moved its adoption. The motion was seconded and passed.

Tim Yarbrough, chairman of the Nominating Committee, nominated Harold Savell to serve as Moderator for the coming year. The floor was open for further nominations; there being none, Harold was elected. The name of David Coleman was placed in nomination for Vice-Moderator. With no further nominations for this position, David was elected. Tim moved the adoption of the rest of the Nominating Committee report and the motion passed.

In the absence of Francis Lunsford, chairman of the Membership Committee, the report was referred to in the Book of Reports and since there was no action required, the report was accepted as printed.

Jackie Collins yielded the floor to Harold Savell for a time. Harold recognized Gayle Brown, Director of Missions, who spoke words of appreciation about Jackie's two years of service as Moderator. The congregation indicated approval by standing and applauding. Gayle, after words of appreciation for the many who serve in the association voluntarily, recognized Carolyn Johnson, Director of Church and Community Ministries, who gave an excellent overview, through a slide presentation of the work accomplished under her direction. This included work with singles, senior adults, resort ministries, literacy missions, prison ministries, new work, and others. She gave information about helps and materials available to churches to begin their own church and community ministry. Norma Melton, Director of Church Development, then presented slides depicting the work of the programs included in church development: Sunday School, Church Training, WMU, Brotherhood, Music, and Youth. She recognized the directors of these programs and also mentioned the large amount of resources available at the associational office for churches to use in their programs.

Joe Hester, chairman of the Buncombe Baptist/International Church, Brussels, Beligum partnership effort, gave an encouraging report on the progress of the work in Brussels. He praised the work of the team of volunteers from the association who went to Brussels in May and helped in the building renovation and participated in a witnessing effort. He announced that on July 5th the Brussels congregation worshipped for the first time in their new facilities. On September 20th they had a special day of dedication.

Gayle Brown in speaking for the Association at Work, remarked that the association has moved from an "in house" ministry to ministry looking outward. He mentioned the many other areas of work that vast numbers of Buncombe Baptists are involved in such as ABBCM, WNC Rescue Mission, Contact, Alcohol Rehabilitation Center, Juvenile Evaulation Center. He then recognized volunteer hospital chaplains: Johnnie Tiller, Art Stainback, Barry Roberts, N.J. Neely, Ray Billings, Jackie Collins, Robert Lewis, Francis Lunsford, Mary Caldwell, Polly Bryson. Norma Melton, who has resigned as Director of Church Development after serving a year and a half, was recognized for her excellent work with the association. Dee Foreman, the new Director of Church Development, was then introduced.

The hymn "I Love to Tell the Story" was sung by the congregation and led by Roger Ward, minister of music at Biltmore.

Howard Candler, treasurer for the association, gave the Finance Report for July 1986-June 1987. In the absence of Edgar Ferrell, chairman of the Finance Committee, Harold also presented the 1988 budget. A motion was made that the budget be adopted. After a second, the motion passed.

Larry Moore, speaking for the Program and Ministries Sub-committee of the "Blue Ribbon" Committee, said that this committee was soliciting input from Buncombe Baptist churches as to what program and ministries resources they would like to see housed in the new Buncombe Baptist Resource Center. They have also met with the associational staff to determine what would be required in space for office equipment, resources, storage, work space, etc.

Don Marlar, member of the Site Selection Committee, gave a brief update on their progress. They have met to establish a strategy for determining the criteria from which they will eventually make a recommendation for a site for the new Buncombe Baptist Resource Center.

The Place and Preacher report was given by chairman, Charlie Sams. Woodland Hills was named as the place for the first session next year with Arden First as the place for the second session. The preacher will be Lester Crayton, pastor of Gashes Creek, with Charles Sprinkle, pastor of Glady, as alternate.

Steve Pressley, chairman of the Resolutions Committee, presented a resolution of appreciation to the host churches for the use of their facilities, to the Moderator, the Director of Missions, staff, musicians, and speakers. He moved adoption of this resolution and the motion passed. Bill Horton, Christian Action League Representative, brought a Resolution on Sanctity of Life and Opposition to Abortion and made a motion that it be approved and sent to the Governor of North Carolina and our representatives from Buncombe County. It was approved unanimously. Joe Hester made the suggestion that it be printed in the next newsletter from the association.

Mrs. Marvin Garrett, Cooperative Program representative, spoke on behalf of the program. She described the Cooperative Program as a bridge, a yardstick, and a chain. She stated that for more than 60 years the Cooperative Program has been the Southern Baptist way of winning a lost world to Christ.

Agency reports were presented as printed in the Book of Reports. Lloyd Fish, Baptist Children's Homes, spoke for the agencies, and Evans Whitaker, Assistant to the President, Gardner-Webb College, spoke for the institutions.

The hymn, "The Church's One Foundation" was sung by the congregation and led by Elaine Gregg, minister of music at Arden First.

In miscellaneous business, Gayle Brown brought a recommendation that although Dee Foreman had been elected by the Executive Committee, he thought it appropriate that she be elected by the total Association Board. The motion passed.

A memorial service was brought up by E. V. Plemmons in the absence of Nane Starnes, Memorial Committee chairman. 306 of our members, which included 11 deacons, who had passed on were remembered.

James Paul, pastor of Clear Branch, read I Corinthians 2:14-16. Carson Moseley, minister of music at Westwood, and his sister, Elaine, minister of music at Zephyr Hills, sang "No One Else." Tim Yarbrough, pastor of Freedom, brought the annual sermon.

From the scripture I Timothy 3:16, he brought a message entitled, "Who is Jesus Christ ... Anyhow?" His excellent message used this verse to demonstrate that Jesus was either God or He was not. He was ..."God manifest in the flesh, justifed in the spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory."

The benediction and prayer of thanksgiving was given by Carl Mintz, pastor of Skyland, after which everyone enjoyed a delicious meal provided by the Hominy Church.

A Resolution of Appreciation

WHEREAS the Buncombe Baptist Association has met in annual session with the support of churches, denominational agencies, and individual leaders and messengers; and

WHEREAS Grassy Branch and Hominy churches have graciously hosted the evening and the morning sessions; and

WHEREAS the Moderator, the Director of Missions and his staff, the musicians and the speakers have invested extensive effort in promoting the information and inspiration of the assembled messengers; now

BE IT THEREFORE RESOLVED that Buncombe Baptist Association, meeting in 106th annual session, affirm its gratitude to all who, in any way, have contributed to the occasion.

Done this 13th Day of October, 1987, at Hominy Baptist Church.

Auditor's Report

We have reviewed the financial records of the Buncombe Baptist Association for the period ended July 1, to December 31, 1986.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the finanacial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

DR. RAY E. ROBERTS

Dr. Ray Roberts was born and reared in Asheville, North Carolina. After graduating from Wake Forest College, he attended Southern Baptist Theological Seminary in Louisville, Kentucky, where he received the Bachelor of Theology Degree. He received the Doctor of Divinity Degree from Georgetown College, Georgetown, Kentucky in June 1961.

The emphasis of his ministry has been in the field of evangelism and missions from the beginning. As a pastor and later as a denominational worker, he served widely as an evangelist, having preached in evangelistic campaigns in most of the United States, including Alaska. He participated in numerous mission tours including 16 foreign countries and four continents.

He went to Ohio as a pioneer missionary in July 1952. When the State Convention was organized in 1954, he was elected Executive Secretary of the new convention, a position he held until retiring in 1980.

After retirement, the Roberts returned to Asheville where he held numerous interim pastorates and preached in countless revivals. He was a member of the Peace Committee of the Southern Baptist Convention from 1985-1988 and was elected Second Vice-President, Southern Baptist Convention in 1986. Dr. Roberts died on April 25, 1988, at age 72.

Dr. Roberts is survived by wife, Margaret, and four children: a daughter, Mrs. Becky Craft, whose husband, Dr. Lynn Craft, is President of Texas Baptist Foundation, and three sons: Ray, Jr., chaplain in US Navy Reserve and pastor of St. Thomas Episcopal Church in Vernon, New Jersey; Dr. Roger D., pastor of Metropolitan Church in Wichita, Kansas; and Phillip, who was assistant Professor of Evangelism at Southern Seminary, and is now pastor of International Baptist Church in Brussels, Belgium.

REV. RAY BILLINGS

Ray Billings was born in Sparta, North Carolina on November 19, 1910. He spent his childhood days there and his family moved to Winston-Salem, North Carolina when Ray was about 14 years of age.

He met his wife, the former Nancy Clyde Morris, in Winston-Salem and they were married in 1929. The Ray Billings' had four children, 10 grandchildren, and 12 great-grandchildren.

Ray was converted at the age of 28 on a Saturday night, December 8, 1938. He poured out liquor he still possessed and was the first one at church Sunday morning. Just one year later he answered the call to the ministry. He was licensed to preach on December 18, 1940. He first preached as an evangelist and his first service was a tent meeting in May 1941 when 39 professions were made.

He was called to his first pastorate in September 1941, the Yadkin Valley Baptist Church. His salary was $17.00 per month as he served the half-time church. He was ordained on October 12, 1941, by Haynes Baptist Church in Winston-Salem, North Carolina.

His pastorates included Yadkin Valley Baptist Church, Pleasant Hope, White Plains, Piney Grove, Cold Water, Welcome, Patton Avenue, Berea, Smith Grove, and Edgewood. He served as interim pastor at Emma and Crestview. At the time of his death, November 11, 1987, he was serving as Assistant Pastor of Pole Creek Baptist Church.

Dr. Johnnie Tiller, pastor of Pole Creek Baptist Church, says of Ray Billings, "He was faithful until death."

Director of Missions' Report

This past year has been a year of progress with the "Blue Ribbon" Committee which has led us forward in our dream of a new Buncombe Baptist Resource Center. Property has been purchased, two plus acres, at 227 Hazel Mill Road just off Patton Avenue. A capital funds drive will begin with a "Kick-Off" Dinner at First Baptist Church, Asheville on Monday evening, November 21. We are appreciative of the "Blue Ribbon" Committee and the progress they are making. Special thanks to Glenn Wilcox, General Chairman; Bob Kinser, Site Location Chairman; Shirley McIntosh, Program and Ministries Chairman; and Leonard Clayton, Financial Resources Chairman.

An area wide evangelistic thrust came in May of this past year with the Asheville-Western Carolina Crusade for Christ with Bill Glass. The dates of the crusade were May 1-6. The meetings were held at the Asheville Civic Center. A Prison Ministry Weekend followed the crusade at several prison units and detention centers in Western North Carolina. Hundreds of volunteers were involved in the planning, implementation, and follow up. A $63,000 budget was raised and over $5,000 is to be sent to the Bill Glass Evangelistic Association to be used in prison ministry.

We are thrilled with the progress being made at the University of North Carolina at Asheville. Through the North Carolina Baptist State Convention a nice three-bedroom house is under contract to be bought and used as a BSU Center for this growing campus community. Joe David Fore, Campus Minister and Baptist State Convention BSU coordinator, has made it possible for an intern to live in the BSU house and minister to the students and university staff. This is a giant step forward with the BSU work at UNCA.

Multi-family Housing Ministries have been a "pilot" project in our association this past year. The ministry at Spruce Hill Apartments is coordinated by Diane Barnes and Rose Mor-

ford is coordinating ministries at Westbrooke Village. Area churches are assisting with these ministries.

It would be very difficult to name all the people who are involved with ministry across our association. Many are involved with programs and ministries within the association, others with ministries outside the association, and some with both. The important thing is that they are seeking to do God's will and are using their gifts and talents for the glory of God. As we look across our community we see many worthwhile agencies and institutions rendering good service and ministry with people. Buncombe Baptists are leaders and workers in many of these organizations. We praise the Lord for their involvement and participation.

This coming year is going to be a "cornerstone" year for Buncombe Baptists as we begin to plan for the 1990s and into the 21st century! With the building of a new Resource Center we will experience a new vitality across our association. Churches and people will begin to see the great potential and possibilities with the new Resource Center as we see the ground broken for a facility that will help us in programs and ministries for the years ahead. The Resource Center must never become the end in itself, but should be a means to an end - reaching, teaching, and discipling people for Jesus Christ.

It's an exciting and challenging time for Buncombe Baptists! May we seek His will in the months and years ahead. May He be lifted up and glorified in everything that is said and done.

Church and Community Minstries Report

The year 1988 has been my busiest and most exciting year in Church and Community Ministries. The national theme for Church and Community Ministries is "It's OK to Care." Our volunteers have demonstrated this in each program. We have had *95* persons involved in ministry through *eight* different programs. These include ministries with Singles, Senior Adults, Family Prison Ministries, Literacy Missions (Buncombe County Literacy Volunteers), Summer Missions, Resort Ministries, Ethnic Ministries and Multi-family Housing Ministries.

These volunteers are church members interested in reaching beyond the church walls to "do the word" of God through ministries outreach. They are people who are dedicated and committed to proclaiming the gospel and ministering to needs of non-christians.

We greatly appreciate the wonderful support of churches in our association. Our goal in 1989 is to expand even further with Christian outreach ministries. We want to help more local churches reach out to their community with Christian love. We want to help the church to be the supporting and healing source in their community.

This has been an exciting year for me personally. On October 1, Donald Lynne Charles and I were united in Christian marriage. We are very excited about our future together and covet your prayers as we grow and minister together.

Respectfully submitted,
Carolyn J. Charles

Senior Adults

On November 19, 90 senior adults met at Asheville First for a Thanksgiving dinner. The "Unbelievables," composed of members who were 70 years and above, were the evening's entertainment. They sang and played washboards, tamborines, and other homemade instruments.

On March 17, the first quarterly event was held at Beverly Hills Baptist Church. Susan Holt of Wilcox Tours presented a travelogue of Hawaii and China. Fifty-five seniors attended the St. Patrick's day of games and prizes.

Seventy-five senior adults from nine churches attended the annual picnic at Lake Julian Park. Good food was catered by Freeman's BBQ and the Pisgah Pickers presented great entertainment.

The September luncheon was canceled due to few reservations.

Singles

On November 21, 40 singles gathered at Asheville First for tough team competition in volleyball. FOCUS (Fellowship of Christian Singles) won their second tournament.

On December 17, 75 FOCUS singles met at the Governor's Mansion for their annual Christmas dinner. The Ed Brothers presented the evening's entertainment.

In January the 1988 events were scheduled for each third Saturday at 7:00 P.M.

Asbury United Methodist Church hosted the first monthly singles event. Some 15 singles attended the fellowship.

In March, Bev Sullivan, new Singles and Education Minister at Merrimon, led the Bible study and fellowship. This event was hosted by Merrimon Avenue Baptist Church. Churches represented were Biltmore, Beverly Hills, Asheville First, Merrimon Avenue, Westwood and singles from FOCUS.

Some 15 singles from seven churches enjoyed a night of games and activities at Biltmore Baptist Church for their April meeting.

A small group met at Beverly Hills in May for fellowship.

Two churches were represented at a pool party and hot dog cookout hosted by Beaverdam Baptist Church.

In August an event sponsored by Black Mountain First Baptist Church was held at Camp Ridgecrest. Black Mountain First was the only group to attend. They enjoyed a hot dog cookout and games.

The September event was a volleyball tournament at Asheville First gym, sponsored by First Baptist. Fifteen singles enjoyed volleyball and fellowship.

In October Beverly Hills will host a Halloween party at the church.

Family Prison Ministry

Some 500 children received toys for Christmas through the annual toy collection for children of inmates. Toys were delivered to Craggy, Yancey County, Haywood County, Henderson County and Black Mountain Advancement Center for Women. Calculators were purchased for residents at the Juvenile Evaluation Center.

Lonas Murdock, Family Prison Ministry chaplain, resigned in March. Lonas did a fine job coordinating the children's Sunday ministry at Craggy and assisting with needs of inmates' families. This chaplain position has not been filled. More churches are needed to become involved in preparation to minister to the 400 bed facility which will be built in 1989. Resumes are being accepted and interviews set for a new part-time chaplain to continue the work with families of inmates.

In May the Family Prison Ministry sponsored four Awareness Conferences around the county. Guest speakers included: George Holley of "Mountain Missions," Sam Everette, chaplain with ABCCM, Sam Alexander, NC state chaplain, testimonies from ex-offenders and other Family Prison Ministry council members. George Holley is speaking in churches of our association for Family Prison Ministries each Sunday and Wednesday, October through November. He will be helping build awareness for our annual Christmas toy collection. The toy collection will be December 11 at West Asheville Church. These are new toys collected for five institutions in western North Carolina.

Buncombe County Literacy Volunteers

Buncombe County Literacy Volunteers have had a very productive year, thanks to our Tutor-Trainers Irma Jean Reedy, Mary Powell and Jannette Dillard. Two workshops have been held, one at Foster Memorial in November and one at Beverly Hills in August and September. Twenty tutors have been trained of which four are now tutoring and 13 are awaiting certification before being assigned students. Another workshop is scheduled for November 28-December 2 at The Church of the Redeemer. All three trainers will lead the workshop.

The January 24 meeting at Beverly Hills Baptist Church had good attendance and officers for 1988 were installed by Carolyn Johnson. Rita Cohen, president of the ABC Literacy Council, and Elizabeth Clark were special guests.

Our fifth Annual Volunteer Appreciation Banquet was held in April at Beverly Hills Baptist Church and was very well attended. In these five years 214 tutors have been trained, 53 of whom are still tutoring at present. Peg Pinkerton was guest speaker and brought a very timely and inspirational message in keeping with the theme of the banquet which was "Love Knows No Limits." Vivian McAbee was named Volunteer of the Year for her faithfulness over the years, first as Secretary and then as Literature Coordinator for the last four years as well as serving as librarian for the Literacy Library at the Buncombe Baptist Building. Our congratulations to Vivian and many thanks to all our volunteers.

TUTOR (The Union of Tutoring Organization for Reading) received United Way seed funding to employ a clerical secretary. TUTOR is a coalition of the four literacy groups in Buncombe County. TUTOR will be conducting a community survey to better determine and establish ways to combat illiteracy in Buncombe County.

Buncombe County Literacy Volunteers

Spruce Hill Ministries

In November the ministry was asked by the Council on Aging to be responsible for distribution of the USDA surplus food in the apartments. They will continue doing this quarterly. This especially helps the recipients who had no way to get the food.

The Asheville Boys' Club is providing a recreation/study/tutoring program four afternoons a week and Saturday morning and afternoon. They use the facilities at Spruce Hill, providing the staff person and all supplies.

The possibility of a Home Demonstration Club for ladies at Spruce Hill is still on the back burner pending enough interest. Also, a 4-H Club for the youth is being considered.

A Christmas video tape was shown and refreshments served at the "Christmas Drop-In." However, only a small number attended.

January and February continued on schedule in spite of low attendance due to bad weather and the flu/virus epidemic. Kim Bryant and Debbie Rogers from UNCA BSU led Big A Club each Monday night. The Boys' Club of Asheville continued their afternoon recreation/study hall program.

Beginning in April, Diane Barnes of Morningside Baptist Church took charge of this ministry. The Powells had to give the ministry up due to caring for Mrs. Powell's semi-invalid mother. However, Henry continued through February in visitation, Boys' Club, Big A Club.

Approximately 12-17 children are attending Big A Club and Bible Study time for first through sixth grades on a weekly basis. Area churches, BSU students and older apartment residents volunteer to teach, do crafts, and have refreshments. In addition, teens meet weekly for Bible study and recreation.

Area churches are ministering to senior adult residents through both visitation and transportation.

Diane Barnes continues to visit, assist with Big A Clubs and schedule events. A drug program was presented in September by the 4-H Clubs of Asheville. Children are being enlisted to begin another Big A Club in September.

In evaluation of the ministry in September, possibilities of several new ministries are being explored with senior adults in the complex.

A team of four State and Association BYW from South Carolina led a week of VBS the last week of July with 12 children attending. The ladies did an excellent job and a few new children became involved in the ministry.

Westbrooke Village Ministries

The ministry at Westbrooke Village apartments was initiated on July 1, 1988. Eighty families are residents at this privately owned apartment complex. The manager has provided a three-bedroom apartment for ministry use. She desires to have activities available for youth and adults.

During the months of July and August, my husband and I visited members of almost 60 families. We developed a good relationship with several families. Needs, desires, resources and spiritual interest were noted as we talked to people.

On July 20th, a weekly recreation and song time was begun. Fifteen to sixteen children have attended, playing games such as kickball and parachute toss. Recently a biblical story or message has been included. Rev. Larry Thomas, Youth Minister at the Sunrise Church, has assisted with recreation on several occasions. Refreshments have been served after each session.

Four volunteers from the Starnes Cove Church painted the downstairs of the apartment. A fifth volunteer cleaned and waxed the floor. He donated the first piece of furniture, a chest of drawers.

Five pastors have indicated interest in initiating a chaplain-on-call program specifically for Westbrooke Village. Guidelines and procedures will be discussed, with plans to begin as soon as it is appropriate.

Presentations regarding the ministry have been made at four churches. Several people have communicated their desire to participate.

An article describing the ministry and a photograph of some of the children were printed in the *Asheville Citizen-Times* on August 3rd. There were many positive comments by apartment residents and other people following the publication.

Future plans include initiation of a Big A Club, the chaplain-on-call program, formation of groups for youth and adults, visitation and volunteer recruitment.

I have enjoyed the challenge and reward of a unique, pioneering endeavor. It has been a pleasure to work with Carolyn Johnson and other associational staff. I will be continuing to depend on the prayers of God's people for fruit for the Kingdom.

Sincerely in Christ,
Rose Morford
Westbrooke Village Coordinator

Summer Missions Report

On August 12 we concluded another outstanding summer of missions ministries. This summer we had five students. Two worked in Backyard Bible Clubs and Vacation Bible Schools. Two worked in campgrounds and flea markets. The other student worked in special ministries with special education children. She also assisted the weekend resort ministries.

Four hundred and twenty children attended Backyard Bible Clubs and puppet shows. These were held in 14 apartment complexes and trailer parks, four-day care centers, and several parks. The students leading in Backyard Bible Clubs also assisted in four Vacation Bible Schools and served as camp counselors for our associational GA camp.

Each Friday-Sunday two students held activities and Bible stories for children at Dreamland Flea market. Sixty children participated. Since the summer one student continues to lead activities for children and adults. Already she has made 50 contacts with adults in witnessing through the use of calligraphy. She writes the person's name, Biblical meaning and scripture verse on a piece of paper and uses this as a witnessing tool.

Rev. James Lamb of Grovestone Baptist Church led worship services each Sunday morning at KOA Campground. He averaged 25 people a week and will continue this ministry through the fall. We had about 125 children and adults at KOA involved in Bible study and recreation. Vesper services were held each Friday night at Frazier Campground with 100 atttending this summer.

Forty-five children attended VBS and Kids Activities for special ed children. Four special VBSs were held in churches across the county. These were led by summer mission ministries and assisted by youth in local churches. Every other week children met at the gym in Asheville First Baptist for recreation and Bible study.

Church Development Annual Report

"Church" is translated "people" - and a very select group of people. Thus, Church Development is a development of people, not buildings or programs. All plans are made with this in mind.

During the last year many persons have been responsible for carrying training to the members of the churches in Buncombe Association, and we express appreciation to and for them. There are seven programs with dedicated Directors and Councils who have been faithfully working throughout the year. Their detailed reports are included in this Annual. The Directors and programs are:

Donnie Marlar ..... Sunday School
Elizabeth Myers ..... Church Training
Cathryn Kinser ..... Media Library
Wayne Higgins ..... Brotherhood
Pauline Snelson ..... Woman's Missionary Union
Carson Moseley ..... Youth
Allen Cantrell ..... Music

What a marvelous joy has been mine to be able to assist these Directors and Councils as they have carried out their tasks. This is a most privileged position in which to see Christians walking daily in their Faith, nurturing others as Christ commanded. They have not asked for applause and recognition but have undertaken quietly to handle the details necessary to get the job done.

The help has been accomplished through Associational activities, individual church assistance and one-on-one consultations. Locating resources has helped to meet special needs, also.

All age levels have felt the impact of this loving attention; the various interests of our people have been attended; every church program has been addressed.

May I encourage all of our churches to participate in the activities planned by the program councils. In this manner, we can join together more effectively to win and nurture people.

In Christ's love,
(Mrs.) Dee Shaw Foreman
Church Development Director

Sunday School Report

According to the ASSIST GUIDEBOOK:

> Associational Sunday School work exists to help churches. The term "ASSIST" is an acronym for "Associational Sunday School Improvement Support Team." As the name implies, associational work is designed to "assist" churches and Sunday School leaders.

During 1987-1988 the Buncombe Baptist Associational ASSISTeam joined hands with her Buncombe County sister churches and Sunday School workers to "TOUCH LIVES... CHANGE PEOPLE."

The Buncombe Baptist ASSISTeam was awarded by the Baptist Sunday School Board "The Associational Sunday School Standard" for its work in 1987. Achieving excellence in areas of organization, planning, programming, training, and administration, the ASSISTeam was also recognized across North Carolina for this award. We are pleased to announce that we anticipate Standard recognition for 1988.

Last November four of our ASSISTeam members were invited to receive training from the North Carolina State Convention as Special Workers in Sunday School. In February 16 of our 17 team members participated in the annual ASSIST Training Institute at Ridgecrest. Here members not only received ASSISTeam Training but were also trained in areas of Sunday School planning, curriculum, and evangelism. And many team members attended in March the annual Vacation Bible School Training Clinic sponsored by the State Convention.

Many opportunities for training of Buncombe Association churches and Sunday School leaders were offered by the ASSISTeam in 1987-1988. Participation in September in the Sunday School Mini-Conference at Ridgecrest was encouraged. The Early VBS Clinic was held in February for Buncombe Baptist pastors and VBS Directors. Our annual Associational ASSIST Institute was held in March for training all Sunday School workers. At this Institute, training conferences were offered for workers in Adult, Youth, Children's, and Preschool Sunday School. For the first time an alternate conference was offered for training in the ***Baptist Faith and Message***. And in May our annual VBS Clinic offered training for all VBS workers in an alternate morning or evening format. All of this training is in addition to regular training at our Associational quarterly meetings as well as specialized training by request at individual Buncombe Baptist churches. Well over 10 percent of our local churches have taken advantage of this individual training.

The theme for 1988-1989 Sunday School is "GATHER THE PEOPLE"...Gather the People through Bold Mission Thrust...Gather the People through Challenge 10/90...Gather the People for Sunday School in 1988-1989. Join hands with your Associational ASSISTeam. Associational ASSISTeam.

> "Gather the people together, men, and women, and children, and thy stranger that is within thy gates, that they may hear, and that they may learn, and fear the Lord your God, and observe to do all the words of this law..." Deuteronomy 31:12

GA Camp Report

Camp began this year with a cloud over my head medically speaking as I was in the throes of a virus; however, I gained strength as the week progressed and was able to handle the responsibilities of directing the camp. There were real clouds over the entire camp during the week, and we had a number of showers. This did not interfere with the programs, though - even swimming.

There was a total of 72 people at camp including girls and counselors. Each counselor had 9-12 girls in their cabins which guaranteed much giggling and activity. The "personality" of the camp was friendly, relaxed and well-mannered. Much appreciation goes to the counselors who serve as role models for the girls each year, influencing them by their teaching and actions. Devotions are held in the cabins, and the girls are led to know Jesus Christ as a personal Savior who lives within them.

The program for the week centered around Bible study, Mission studies, and GA studies. Steve Harris served again as camp pastor and won the hearts of all the campers including the counselors. His Bible studies were excellent and were presented on the level of the GAs. Our missionaries for the week were Gayle Brown, Laura Frances Snow from Chile and Pauline Snelson. Dee Foreman taught a unit of study on Brazil using *The Biblical Basis of Missions* as text reference. These studies took three hours of each day.

Each afternoon the girls were involved in activities such as swimming, rafting, volleyball, softball, kickball and crafts. Besides the fun, the girls learned sportsmanship and getting along with each other.

The evening vespers were special times. Steve led in devotions and special music was provided by Dan and Amy Snyder and Rich and Cathy Coffey of Swannanoa First Baptist Church. Thursday night was the evangelistic service, and many decisions were made for Christ, including 14 professions of faith and 30 rededications. The spirit of the meeting was sweet and deep. We truly felt the presence of our Lord.

The main goal of camp is to bring girls closer to God and help them understand what it means to serve a risen Christ, who is our friend and Savior. I feel this goal was accomplished this year. The counselors' Christian example taught the girls the real meaning of Christianity. A camp is truly a life-changing experience for young girls.

I want to thank all the counselors, Steve and Sandra Harris, and the mission speakers for giving of their time and talents to this ministry.

Edwina Messer, Camp Director
Associational GA Director

Brotherhood Report

The Baptist Men and Royal Ambassadors in our Association have been very involved in many mission related activities this past year. This involvement ranged from local community missions to foreign mission projects. It is very evident that our men and boys are taking seriously the call to share the love of Christ around the world.

The Association Brotherhood Council has been active this year in planning and coordinating activities for Baptist Men and RAs in our Association. The Council met six (6) times during the year to plan activities for the year. Following are some of the activities which were carried out during the year:

(1) Four quarterly leadership conferences were conducted.
(2) Annual leadership training conference - This meeting was held on September 19, 1988, at the Asheville First Baptist Church and was conducted by Mr. Tommy Puckett and other state Brotherhood workers.
(3) Three district Brotherhood Breakfast meetings were held.
(4) Assisted in promoting the WNC Men's and Boy's Rally at Fruitland.
(5) Several members of the council attended state sponsored training meetings during the year, including the N.C. Baptist Men's Convention.
(6) Several of our council members have spoken at and assisted in training leaders in our local churches.
(7) Promoted Baptist Men's Day.

Again, I would like to thank the men who served on the council for their dedication and involvement.

This year has also been good for the Royal Ambassadors of our Association. Under the leadership of Steve Harris, the RA Committee planned and carried out many activities for our young men. Some of these activities included Crusader car competition, RA basketball, RA track meet, and RA camp. For more information concerning activities of the RAs, please see the RA Report.

I want to personally thank Steve and the members of his committee for the excellent job they are doing. These men have made sacrifices and given of themselves in order that our boys and young men might come to know Christ in a more personal relationship.

As I have visited various churches in our Association this year, I have seen Christ working in the lives of men and boys. I believe there is a new excitement about missions involvement and I am looking forward to seeing great things during the coming year. The world needs to know and experience the love of Christ and we, as Baptist Men and Royal Ambassadors, have an excellent opportunity to share this love. I encourage all of us to become more involved this coming year!

Associational Brotherhood Director

RA Camp Report

The Royal Ambassador Camp for Buncombe Baptist Association was held at Camp Bear Walla with 63 attending. This included boys, counselors and leaders. It was a week of fun and games, good food and sharing, fellowship and competition, as well as sharpening RA skills.

Some of the highlights were the skits which were presented by each cabin on Wednesday evening, the selection of best camper from each cabin, and trophy competition which involved boys answering questions from the Mission studies, Bible studies, and RA Advancement.

The field day activities included tug of war, sack races, water balloons, and ended with the shaving cream war.

The climax of the week is on Thursday evening with the evangelistic service. This year our Lord richly blessed by bringing 14 first-time decisions for Christ and many rededications to the Lord.

We praise the Lord for our associational RA Camp and feel it is the single best opportunity we offer through our association.

If anyone would like to volunteer to work in camp, please let the association know.

Steve Harris, Camp Director
Associational RA Director

Church Training Report

The purpose and goal of Church Training is to train people to do the work of ministry. This year our theme has been "Living in the Spirit."

Activities and events the past year are as follows:

October 26 - "M" NIGHT meeting at West Asheville Baptist. Our attendance was 306 and represented 34 churches. An inspirational message was brought to us by Rev. Aubrey Folk, pastor of Calvary Baptist Church. Attendance banners were awarded to Riverside and Victory with 41 each in attendance and White Rock for the highest percentage. Riverside and Victory took first and second place in achievement. West Asheville had highest gain in enrollment and Freedom had the highest percentage in enrollment.

November 6-7 - Five Church Training Council members attended the Area Enablers' Conference at Ridgecrest.

December 11-12 - Dee Foreman represented Church Training at the Laity Spiritual Preparation Conference at Ridgecrest.

December 29 - The Church Training Council met for a planning meeting at the Baptist Building.

January 18 - Seventeen people attended our quarterly Church Training Conference. They represented 12 churches.

February - An important emphasis in February was a Church Training Telephone Survey which the State Church Training Department asked us to do. This survey gave us information concerning the types of training that is being done in our churches. With the help of our district leaders, Betty Orr and Dee Foreman, every church in our association was contacted. Much time was involved in this effort and I want to express my appreciation to each one who helped.

March 29 - An Area Doctrine Seminar was held at Calvary Baptist. Fifteen people representing 10 churches from our association attended.

April 18 - Ten people attended the quarterly meeting with seven churches represented.

May 9-11 - I attended Key Leadership Conference at Ridgecrest.

May was also Bible Drills and Youth Speakers' month. We had one youth speaker, Aimee Stewart from Victory. There were seven youth in the Youth Bible Drill from Calvary, Grace, and Riverside. Stephanie Creasman and Douglas Penley were six-year State Bible Drill winners. Douglas from Riverside was high scorer in the state drill. He represented North Carolina in a drill at Ridgecrest during Church Training week in July.

There were 21 children in the Bible Drill for grades 4-6. They were from Biltmore, Calvary, Emma's Grove, Grace, Morningside, New Morgan Hill, Riverside, Starnes Cove, and Victory. Teresa Gray from Grace was a three-year state winner.

In our "special" drill for grades 1-3 there were 15 children from Biltmore, Buckeye, Calvary, Emma's Grove, Grace, Morningside, and Riverside.

This was a rewarding experience for children and youth and for their leaders and parents.

July 7 - The Church Training Council met with Martha Hicks for our annual picnic and planning meeting.

August 2 - Gayle Brown, Dee Foreman, and I met with Maurice Cooper, our State Church Training Director, to talk about our Church Training in general.

August 19 - Gayle, Dee, Eloise Roberson, and I met with Mic Morrow from Nashville for the purpose of discussing an Equipping Centers Showcase for our association. This has been scheduled to take place February 4, 1989.

September 12 - Doris Morgan from our State Church Training Department and Margaret McArthur from Nashville conducted a Regional Preschool/Children Training Leadership Bonanza at Calvary. Twenty-two people, representing 11 churches, attended from our association.

September 27 - The Church Training Council met at the Baptist Building for a planning meeting.

This was a busy year. Much effort and many hours have been given by our dedicated council members and I am grateful to them.

Music Report

Music for the Annual Meeting at Grassy Branch Baptist Church October 12 and Hominy Church October 13, 1987, was coordinated by Tom Burns, Minister of Music at Merrimon Avenue Baptist Church.

"M" Night Youth Choir at West Asheville Baptist Church on October 26 was under the direction of Roger Ward. Numbers from "Celebrate Life" were used.

Music Missionaries from the state of Rio Grande in South Brazil, Joan and Boyd Sutton, were our guests at the quarterly meeting, January 18.

Some churches had choir members and instrumentalists at the Foreign Missions Appointment Service April 12, 1988, in Greensboro.

Many choir members participated in the Crusade for Christ Choir May 1-6, 1988. This was held in the Civic Arena and Bill Glass was the evangelist.

Church Media Library Report

"Media Libraries...Touching Lives to Improve Learning" has been the emphasis for us this year, and several training sessions have been scheduled to meet this need. We encourage more library workers to take advantage of the ones planned for 1988-1989. Although they do take time to attend, they save time in the long run because of the information covered.

In April we attended the State Media Library Conference at Caraway. It was most informative, and a Baptist Book Store was available for purchase of media.

Media Library Week at Ridgecrest was held in June of this year and a number of our people were able to attend. This is a tremendously valuable conference with state and national workers available for leadership and consultation. Bonnie Nelson, Media Library Director at Ridgecrest Baptist Church, worked in the Media Library Center at the Conference Center. This is an indication of the level of her expertise.

We had quarterly meetings of the Associational Church Media Library Organization (TACMO) at West Asheville Church. The attendance was small and we invite all Media Library staff to join us during the coming year.

In September a group attended the Carolina Association Workshop using the book *The Learning Team: The Learner, Leader and Library*. This book is helpful to all leaders of the programs of a church.

Just as the Media Library is a service organization of a local church, so is TACMO to the churches in the association. This will become even more evident as the new Resource Center is developed and media can be used even more than in the past.

My word of encouragement is to begin a Media Library in each church. A group of media can mean a more informed church member.

Media-Library Director

Youth Coordinating Committee Report

This past year was highlighted by two annual events planned by our Youth Coordinating Committee.

The fall event was held at Skate-Around U.S.A. in Weaverville and was well attended. Skate wheels rolled, bodies crashed, collided and enjoyed the exercise. Rev. Art Fowler led the

devotional time at a break in the skating. The night continued for several churches in "Lock-Ins" and other activities.

The spring event was held at Biltmore Baptist Church's family life center. Michael Capps of East Flat Rock, N.C. led in this special youth gathering. Michael used "Christian grinology," drama and music to communicate biblical truths for living to youth and adults in attendance.

A special Thank You! is extended to this past year's Youth Coordinating Committee: Larry Thomas, Sam Taylor, Roger Ward, Susan Ward, Jeanne Stewart, Steve Harris, Laura Dotson, and Dee Foreman.

Plans are already underway for '88-'89 for increased church participation, youth ministry support, and promotion of each area of youth ministry among Buncombe Baptists.

Carson Moseley, Chairman
Youth Coordinating Committee

BSU at UNCA

This year in the life of the Baptist Student Union has been very productive. We have been able to identify over 300 Baptist students and have had some contact with each. The first semester was particularly strong in student participation during our noon luncheons on Mondays. The second semester participation has been off due to noon time class schedules for many students. Therefore, to maintain a sense of community has been difficult and we have begun to look at alternative times and events to give each student a chance to participate at his or her own level.

Areas of ministry are:

1. *A Fall Retreat* at Cherry Grove around the theme of Spiritual Growth. An attempt was made to define what spiritual growth is.
2. *Monday Noon Meetings* - Fellowship and devotions.
3. *Share Seminar* - This was designed to give participants basic training in the area of personal witness. It included material dealing with personal spiritual preparation, developing a depth ministry with persons, various methods of verbal witness and fellowship with new Christians. This group met for eight weeks on Thursday evenings. It was student-led with the student leader trained by the Campus Minister.
4. Raised a Student Summer Missions offering of $550.00.
5. *A BSU Focus Team* led Viewmont Baptist Church Senior and Junior High Youth Retreat. The students were resourced and trained by Mr. Eddie Morgan who is one of our volunteer directors at UNCA.
6. The Campus Minister led a Thursday night Bible Study/Personal Growth Group. This lasted for six weeks.
7. Various gatherings and fellowships throughout the year.
8. Engaged and contracted with Mr. Mike Stephens, a seminary student from Southern, to be our intern at UNCA on a full-time basis this year. More information later about the person and position.
9. Continued work and resourcing of Big A Club at Spruce Hill Apartments.
10. Involved with Craggy Prison ministry working with families of inmates.
11. Working with other religious organizations to sponsor a campus-wide evening of good entertainment.
12. *The Dream* of a place or BSU Center has become a reality. We have a 2,651 square foot house adjacent to the UNCA campus. The house is located at 138 Sevier Street.
13. *First Open House* - The students sponsored a cookout and open house on September 23 and had an attendance of 118 students.
14. *The first worship event* at the center was attended by 67 students.

A final word of thanks to the associational staff and volunteer directors, Randy Barnett and Eddie Morgan, and the WMU of Buncombe Baptist Association for their support and prayers as we attempt to minister to students and the institution of UNCA.

UNCA Campus Minister

Associational Missions Development Council Report

Missions development is mission performance in the association. Goals in Associational Missions Development are to (1) assist churches in carrying out church missions development, (2) work in a supportive manner with other programs through the associational council, (3) serve as a resource to church Missions Development leaders, (4) gather, select, and interpret Missions Development information and resources suited to churches or groups of churches, (5) conduct Missions Development events for, or on behalf of, the association, and (6) interpret needs of churches and association to state mission leaders and the Home Mission Board.

The Buncombe Baptist Association Associational Missions Development Council meets quarterly along with the Associational Council for review and planning of programs and ministries of the association. We see these mission ministries in action through the following:

(1) *Church Extension* - The New Work Committee of the association is meeting regularly and encouraging new work starts. A recent new work start is the Clear Branch Baptist Church on Highway 9 between Black Mountain and Bat Cave, North Carolina. This church is now under the watchcare of the association and will be voted into full membership of the association during this year's annual meeting.

(2) *Language Missions* - We see this ministry taking place through the organization of the Korean Baptist Church meeting at South Asheville Baptist Church. Pastor Kim is the leader of this congregation. The Korean Baptist Church will come under the watchcare of the association at this year's annual meeting.

(3) *Church and Community Ministries* - We see many ministries taking place as churches of our association reach out and witness to people of special need. Literacy missions, church community ministries, criminal justice ministries, disaster ministries, singles ministries, hunger ministries, and youth and family ministries are a few of the ministries our association is involved in through the leadership of our Church and Community Ministries Director, Carolyn Johnson Charles.

(4) *Chaplaincy Ministries* - We have several volunteer chaplains serving with the Asheville Police Department and the Buncombe County Sheriff's Department.

(5) *Interfaith Witness* - Each year during Home Mission Week at Ridgecrest an Interfaith Awareness Conference is held in our association. Home Mission Board personnel are present to lead in various conferences in several churches.

(6) *Resort/Leisure Ministries* - Through our summer mission students and now through a part-time person we are able to continue to encourage churches to become involved in Resort/Leisure Ministries.

(7) *Changing Community Concerns* - In the coming year we will be looking at the possibility of doing a "Probe" with the Church Extension Department. "Probe" is an in-depth survey of finding areas where new work may be started. We will also be working with the Home Mission Board on "Mega City" Thrust. Asheville is a "key" city along with larger cities in the state of North Carolina for this emphasis.

(8) *Multi-family Housing* - At present there are several Multi-family Housing Ministries going on in our association. Spruce Hill Ministries in East Asheville is coordinated by Diane Barnes. Westbrooke Village in West Asheville is coordinated by Rose Morford. Pine Valley Ministries is being done by volunteers from Biltmore Baptist Church. Other doors of opportunity will be opening up in Multi-family Housing in the near future.

Pray for all the people involved through the ministries and programs of our association. God is working through the lives of His people!

New Work Committee Report

The New Work Committee's responsibility becomes increasingly evident. We are well aware of the Home Mission Board's goal for starting new work. For us, in a growing area, this is more than a suggested undertaking, it is a vital challenge.

Some activities of the year are worthy of our attention:

Clear Branch, having organized into a church, is to be presented during our annual meeting to become a member of the association.

The Korean church which meets in the South Asheville church building was organized this past year and we expect them to make application for membership in the association.

The Biltmore Church has sponsored a Sunday School at the Pine Valley Mobile Park. This Sunday School is meeting in a mobile home rented by Biltmore for this purpose. The ministry continues to make progress and is reaching families in that area. Biltmore is using a Sunday School outreach approach as they minister to families in the Turtle Creek area.

The Multi-family Housing Blitz conducted during the year revealed that there are places where various kinds of ministers are a possibility.

The Multi-family Housing Committee, formed to carry out this ministry, has results to report of ministries being conducted in two areas.

Our committee is recommending to the Missions Development Council that an Associational Probe be planned during the coming year to enable us to ascertain where New Work needs to be started in an attempt to reach the people.

As these efforts are carried out and these plans become a reality we are making strides toward meeting the challenge of the unreached.

Frank B. Hopkins, Chairman
New Work Committee

"Blue Ribbon" Committee Report

First, I want to thank the committees and committee chairmen who are doing a great job in their role and responsibilities. Bob Kinser and the Site Location Committee have located, and the association has bought, a prime piece of property at 227 Hazel Mill Road. Shirley McIntosh and the Program and Ministries Committee are meeting with the associational staff and architect on the schematic drawings for the Resource Center. The Financial Resources Committee, chaired by Leonard Clayton, is well organized with leaders in each of the nine associational districts. A "Kick-Off" Financial Campaign is set for Monday evening, November 21, 6:30 P.M. in the dining and fellowship hall of First Baptist Church, Asheville.

Second, I want to encourage every pastor, staff, and church member to support the financial campaign to build the new Buncombe Baptist Resource Center. The Resource Center will be a facility that will serve the churches and people of our association for many years to come.

Third, I believe this proposed Resource Center is an investment in the Kingdom of God. It will be good not only for Baptists, but for the entire Christian community as followers of Christ are trained and discipled to minister and witness not only in Buncombe County, but around the world.

Glenn W. Wilcox, General Chairman
"Blue Ribbon" Committee
Buncombe Baptist Association

Membership Committee Report

The Membership Committee of the Buncombe Baptist Association met with Rev. Burke Holland, Director of Chaplaincy and Language Missions, North Carolina Baptist State Convention, Gayle Brown, Director of Missions for Buncombe Association, and Rev. Thomas Kim, pastor of the Korean Baptist of North Carolina, on June 7, 1988, to discuss the possible membership of the Korean Baptist in the association.

As of this meeting, the Korean Baptist of North Carolina met in conference on June 19, 1988, and voted to petition the Buncombe Baptist Association for membership in the association, pledging their support to the Kingdom of God and the Baptist work around the world. The name was changed to the Korean Baptist Church of Asheville.

The Membership Committee met again and voted to recommend to the Buncombe Baptist Association that the Korean Baptist Church of Asheville be taken under the watchcare of the Association for one year, at which time the church will be presented to the association for membership.

The Membership Committee believes that Pastor Kim and the congregation of the Korean Baptist Church of Asheville are seeking to do the will of God and to advance the Kingdom's work.

Clear Branch Baptist Church, located on Highway 9 between Black Mountain and Bat Cave, having been under watchcare of the association for one year, will be voted on for full membership at the October 11, 1988 annual meeting of the association.

Charles Phillips, Chairman
Membership Committee

Buncombe Baptist Ministers' Conference

The Buncombe Baptist pastors and staff meet at First Baptist Church in Asheville each Monday from 10:00 A.M. to 11:00 A.M. It is a time of information, inspiration, and fellowship. Those who can spare the time go to the J & S Cafeteria for food and fellowship after the meeting.

The officers of the conference serve for a six month period. The new officers for October 1988 to April 1989 are as follows: Vice President, Robert Lewis; Program Chairman, James Johnson; Music Director, Carson Moseley; and Pianist, Martha Hicks.

We are anticipating a good conference for the next six months. All pastors and staff people are urged to take an hour each week to share our common commitment to the Lord and our churches.

Lee Roy Denton, President
Buncombe Baptist Ministers' Conference

Bivocational Pastors Report

Several times each year opportunity is given to bivocational pastors and families to come together for inspiration, seminars, and fellowship.

I would like to encourage all bivocational pastors and bivocational church staff members to participate in the meetings we have in the Buncombe Baptist Association.

The next scheduled event will be the annual Christmas party. We will be meeting with the Buncombe Baptist Ministers' Conference sometime in December for this most inspiring and meaningful meeting of the year.

Ray Hipps, President
Bivocational Ministers' Conference

Seminary Extension Report

The Seminary Extension Committee met twice in the past year. Three courses were planned. Miss Sue Fitzgerald taught the book of Mark at First Baptist Church in Weaverville March 3, 1988-April 28, 1988. Fifteen students participated in this study.

The "Life of Christ" is presently being taught at the Biltmore Baptist Church on Tuesday evenings through November 8, 1988. Rev. C.R. Pierce is the instructor for this course of study.

A spring course will be offered on Thursday evenings February 2-April 6, 1989. Miss Sue Fitzgerald will teach "How to Understand the Bible" at the Baptist Building, 2 Sulphur Springs Road in Asheville. Students may enroll any time by calling the Associational Office, 252-1864.

We have promoted these studies by calling them Bible studies. Seminary credit can be earned by those who wish to have credit and meet the requirements necessary for credit.

The resumption of classes for the inmates at Craggy will be evaluated when the new prison is completed. We hope to have a learning ministry for those in prison who want to study God's Word.

A special word of thanks is due for our dedicated committee members, the teachers of the courses, and to Dee Foreman for her help in promoting and scheduling.

Pray for the work of the Seminary Extension Committee.

Lee Roy Denton, Chairman
Seminary Extension Committee

Evangelism Report

One wishes that each annual reporting would indicate increasing numbers of people receiving Christ, being baptized, and growing in Christian discipleship. Realistically though, there are occasions when that cannot be done. We must not, however, become discouraged. Through the use of both traditional and innovative methods of sharing Christ, Baptists can return to our priority of winning people to Christ.

Again this year, we were inspired by very fine regional and state Evangelism events provided by our state convention. Buncombe Baptists were also strategically involved during May in the Western Carolina Crusade for Christ with Bill Glass. A strong base of fellowship across denominational lines resulted, as well as many changed lives. During the coming year the associational and individual churches will be engaged in preparations for the 1990 simultaneous revivals April 22-29, 1990, built around the theme, "Here's Hope. . . Jesus Cares for You."

Much good work has been done, but a great harvest awaits. Let us not grow weary of entreating the Lord of the harvest to thrust laborers forth into the fields. Keep telling the Good News.

Ronnie Owen, Chairman
Evangelism Committee

John G. Hicks Scholarship Fund Report

The John G. Hicks Scholarship Fund was established in memory and in honor of Rev. John G. Hicks, Director of Missions, Buncombe Baptist Association. The purpose of the fund is to assist seminary students with financial assistance in their seminary education. All assistance is based upon the availability of funds. Working with the North Carolina Baptist Foundation, the John G. Hicks Scholarship Fund Committee receives and disburses all funds.

This past year two scholarships were awarded by the committee. Mary Beth Hicks Williamson and Linda Denise Chouquette have been recipients of the scholarship fund.

It is the desire of the Scholarship Committee that more money come into the John G. Hicks Seminary Scholarship Fund. With more money coming in, more money may be awarded to worthy students.

If churches will give $50-$100 each year the fund will increase in a steady way. The gifts, from churches or individuals, will assist seminary students during those "financially tight" years of securing a seminary education.

Robert Kinser, Chairman
John G. Hicks Scholarship Fund Committee

Our Mission Partnerships

BRUSSELS

The Brussels Mission Team from Buncombe Baptist Association consisted of 16 members from seven different churches. The team departed September 5th and returned September 16th. It was a highly successful mission effort. The team spent a hard week preparing the International Baptist Church for an evangelistic "open house" to introduce it to the neighborhood. After the open house, Rev. Phil Roberts, pastor, expressed his deep appreciation to the team for their week of hard work to finish the building after the "mess of construction." They cleaned windows, rugs, tile floors, bathrooms, and provided the outdoor church sign virtually making the church "spic and span" for future use.

On Saturday afternoon the team joined with church members in showing the neighbors the newly renovated church building. It is now complete. It is also considered by many as "the most beautiful Baptist church facility in Europe." Prior to the open house the team spent one afternoon visiting in the neighborhood giving out over 1,000 brochures inviting neighbors to get involved with the church programs.

While the team was there, associate pastor, Michael Hester, was ordained by the church. This was their first pastoral ordination in the church's 25 year history. Over seven Southern Baptist foreign missionaries in Europe attended the service. It was a most meaningful day.

Basically, our official partnership with the International Church in Brussels is complete. . . but our relationship will continue through our three years of labor and gifts of love. Buncombe Baptist churches provided over $27,000 in three years to help renovate the building. They provided volunteer teams of labor that were equal "to over $13,000" per their building chairman. This happens to amount to over $40,000 in gifts and labor. This was our original goal. God works in mysterious ways. . . but He works.

SÃO PAULO, BRAZIL

The São Paulo Mission Partnership is now established by most North Carolina Baptist Associations. Our partnership is with the Leste (East) Association with the city of São Paulo, itself. The Foreign Mission Board and the Leste Association have requested 32 evangelistic teams to hold simultaneous crusades during the week of August 4-14, 1989.

Pastor, evangelist, teaching teams in all areas of Baptist work will be needed. The estimated cost will be $1,500 per team member. Begin now to pray for God's will concerning joining this

team effort. Each pastor/evangelist will be assigned one of the churches. Teaching teams will go from church to church during the week. Our Southern Baptist missionary in São Paulo, David Campbell, will coordinate our assignments, room and board and transportation needs as the team develops.

Joe Hester, Coordinator
Mission Partnerships

Buncombe Baptist Church Secretaries' Association

The purpose and objective of the Buncombe Baptist Church Secretaries' Association is:

1. To understand the various roles of the secretary on the church staff.
2. To provide an opportunity of fellowship and stimulate an interchange of ideas.
3. To provide programs that will deepen the spiritual understanding of the secretary, improve her performance, increase her personal effectiveness, acquaint her with the latest tools.
4. To encourage interests of others in the vocation of church secretary.

Meetings are generally held on the third Thursday of the month at 6:00 P.M. at various restaurants. Plans are being made to hold luncheon meetings to accommodate more participants.

Some of our programs for the past year were: the Baptist Church Secretaries' Conference at Caraway; Gayle Brown on improving our meetings; Rev. Dick Eley on "The Secretary as a Team Member"; Rev. Larry Holloway on missionary work in India by the New Life Ministries; and Valerie Holloway on God's work in her life. A Pastor-Secretary Luncheon was held on April 28, 1988.

Our meetings give us a time of fellowship and learning from one another as we endeavor to serve in our various areas of work.

We welcome all Buncombe Baptist Secretaries, full-time, part-time or volunteer, to our meetings.

North Carolina Baptist Men - Region 9

This past year has been another very good year for North Carolina Baptist Men in Region 9.

Our men have been involved in Lay Witness revivals in North Carolina as well as in several other states. Homeland Projects have had the benefit of many men from Buncombe County and Region 9 to build several churches and the new chapel that is underway at Mars Hill College.

Some of our men have been involved in liquor-by-the-drink opposition, anti-gambling legislation, opposition to abortion and the film, "The Last Temptation of Christ." Much work has been done in correctional institutions and in prayer support for these and other activities. These are just a few of the many, many things that men are doing in service to the Master.

There are some new projects on the drawing board for next year. A medical van owned and operated by North Carolina Baptist Men is probably the most exciting. Also, our new Lawyers' Fellowship and Mechanics' Fellowship is coming along well.

My prayer is that God will continue to bless the work of North Carolina Baptist Men and that we will do His will in all things.

The Sheriff and Police Chaplains' Report

The Sheriff and Police Chaplains are continuing to provide services to their respective departments. Rev. Larry Holloway, pastor of New Morgan Hill Baptist Church, continues having devotions at the Enka-Candler Substation of the Sheriff's Department. He is also involved in ride-alongs and death notification.

In May 1988, a "Justice and Healing Conference" was held at the Kanuga Conference Center in Hendersonville, North Carolina. Rev. Ron Brown, pastor of Cumberland Avenue Baptist Church, gave a workshop on "The Religious Community and Victim Assistance." Rev. Brown is a member of the North Carolina Victim Assistance Network.

Please pray for the chaplains as they continue to work in the law enforcement community.

Recreation Report

This year has been a great one in recreation. God has blessed our softball league with growth. We had a total of 34 teams comprising three men's and a woman's division. Our season started May 10 and ended the first week of August. The tournament was held at Charles D. Owen park this year. For the first time all teams participated in it.

Softball is a great outreach tool of the churches and I feel that each church grew from the fellowship and Christian spirit that was present throughout the year.

Pray as we try to expand recreation even further in the coming year.

American Bible Society

"HOPE" - an encouraging word; a word that gives strength to keep trying, searching, waiting; a word that cheers the heart. Oftentimes we are caught up in a tragic happening as when "tiny Jessica McClure" slipped into an abandoned wellshaft. The nation was glued to their television sets because we had hope of her being alive, and thank God she was!

This year's American Bible Society theme is "GOD'S WORD: HOPE FOR ALL." Buncombe Baptist people can be ambassadors to provide this hope to the homeless, prisoners, prostitutes, the white, blacks, ethnics, and any and everybody we know or meet.

Our Scripture Center is open day or night and willing to help you secure all kinds of Bibles, Testaments, selections in various languages as you need them.

God's Word is now translated into more than 1,800 languages. Our Southern Baptist gifts are a great support in this work. Please give all you can and ask your churches to include American Bible Society in its annual budget.

Isaiah 55:11 - "So shall my word be that goes forth from my mouth; It shall not return to me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it."

We are God's vessels of hope to a dying world. Be faithful.

Annuity Program Report

My report is simple - but to the point. I would like to see more pastors and churches participating in the Annuity Program.

Every church, regardless of its size, needs some plan of protection for its pastor and family. If your church is not participating in the Annuity Program for the pastor, let me suggest you do so.

I will be happy to come to your church and discuss the Annuity Plan at your convenience. You may reach me at 667-3747.

Baptist Children's Homes of North Carolina

This has been another busy year for the Baptist Children's Homes. Much work has gone into completion of the Long-Range Five-Year Plan.

Some of the things planned are to add two emergency care homes. One of them on the Kennedy Home Campus and one where the need is the greatest. The Cameron Boy's Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened in early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of the children have had no spiritual training before coming into the Children's Homes. Seventy-nine of these children accepted Christ and were baptized this year.

To meet the challenges of this new Five-Year Plan of child care, the budget must be increased and to meet this challenge it is hoped that churches will be increasing their giving through the Cooperative Program and the Homes and Hospital offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the churches throughout the state.

In the Western Area of our state, God continues to bless the work at Moody Home in Franklin, Broyhill Home in Clyde, Thermal Belt Youth Shelter in Forest City, Haywood Emergency Care Cottage on the Broyhill campus, and the Baptist Maternity Home in Asheville.

Many of the children in care come from homes where they have received no spiritual training. A special week of Christian activities called SONshine Week has been established at Broyhill and has become a vital part of the program.

One of the highlights of SONshine '88 was the testimony of a high school girl named Kristy as she shared how her life had been transformed because of Broyhill and because of Jesus Christ who now lives in her heart. Also thrilling was the response of many troubled children who listened and their giving her a rousing standing ovation at the close of her testimony.

We appreciate the dedicated workers that are in places of service helping meet the needs of these children. We can each be a part through our prayers, support and giving through each of our churches to help meet the many needs in our state and denomination.

The Baptist Foundation Report

A unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause. Often, however, the person realizes that both his family and Baptist causes that he loves can derive a greater benefit from

his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desired to support.

The "unfunded" trust simplified planning for many persons in the past year and provides a way to help meet their objectives. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded." The individual has the joy of having a plan in place, all signed and legal.

A lady has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. She named her trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provided individuals with an avenue for continuing their support of Christian causes beyond their lifetime. It can help you.

The Baptist Foundation

North Carolina Baptist Hospital

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting the counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, was named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Baptist Hospital

Baptist Retirement Homes

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The foundation of the ministry is based in the Gospel of Jesus Christ for in the Gospel is a message of healing and wholeness. The Homes believes this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives.

The Homes takes seriously its responsibility to make its residential opportunities available to Older Adults across the State and to be continually responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

According to a January 1987 report, the number of North Carolina citizens age 65 and older will increase by 203,935 by 1995 and 286,831 by the year 2000. The percentage of increase for the 80-plus age group in Baptist life (those most likely to need residential care) is predicted to be more than 50 percent by the year 2000. To meet this challenge Baptist Retirement Homes has launched a program of development and ministry that includes the following:

1. A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for the same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and eastern North Carolina.
2. In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance. Fixed incomes and meager resources mean that Older Adults are also benefited as they seek to use their funds prudently; there will be no charge for the Home Health Care services.
3. The fastest growing segment of North Carolina Baptist Life is the Older Adult population. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care. Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes has responded as much as the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

The *Biblical Recorder*

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it. . . if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact: The *Biblical Recorder*, 232 West Millbrook Road, Raleigh, NC 27609; (919) 847-2127.

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING—The greatest push ever for legalized gambling stands on the horizon. In recent months you have major candidates for statewide office in North Carolina that embrace such proposals.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter.

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, if you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING—Efforts will also continue in the area of alcohol, drunk driving, and other drugs.

We are grateful for the passage of legislation creating an 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol or more, passed the House but got by-passed in the Senate.

ABORTION—The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in North Carolina have been met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge, much less consent. Futhermore, North Carolina remains the only state in the Southeast to use state funds to kill unborn babies.

TOPLESS DANCERS—There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in North Carolina, we have some bars and taverns near military installations that have been employing minor girls (as young as 15) as topless dancers.

When legislation of this nature cannot pass our North Carolina Senate, it is quite evident that we are electing legislators according to party label rather than on moral principles.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayers and financial support as we join with you in being "salt and light."

Christian Action League of North Carolina, Inc.

Council on Christian Higher Education

WHAT IS A BAPTIST COLLEGE?

First, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church anymore than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word *"Baptist"* tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals; children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions' summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; WMU-sponsored Acteens' meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by North Carolina Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee, and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

Cooperative Program

WHAT IS IT?

The Cooperative Program is a financial plan to underwrite Southern Baptists' response to the Great Commission. Before 1924 Southern Baptist work around the world was supported by special offerings in the churches. Often agencies were forced to borrow funds to keep their doors open. A unified budget was established in 1924 to yoke together the support of churches, state conventions and the Southern Baptist Convention. It was named the Cooperative Program by the 1925 convention. The Cooperative Program unifies Southern Baptists in purpose and spirit. It enables each Southern Baptist to join hands with 14 million others in telling the world about the love of Christ and the compassion of His children.

HOW DOES IT WORK?

The chain of mission support begins with the individual Christian who gives a portion of his income back to the Lord through the local church. The moment this offering is given, Cooperative Program world mission support begins. By church action a percentage of undesignated income of the church goes to world missions through the Cooperative Program. This is sent to the offices of the state convention. The state convention each year allocates a percentage of all undesignated income to the Southern Baptist Convention causes. Thus a single offering in the local church becomes a part of a mighty stream of support for missions at home and around the world.

WHAT DOES IT DO IN NORTH CAROLINA?

A portion of the Cooperative Program dollar enables N.C. Baptists to respond to the Great Commission in their home state: Baptist colleges and universities, children's homes, homes for aging, hospitals, new churches, missions and language ministries. The Cooperative Program is a unified ministry of 3,500 N.C. Baptist churches and missions beginning at home and going into all the world.

WHAT DOES IT DO IN AMERICA?

Southern Baptist Convention institutions and agencies receive their main support from Cooperative Program income. What no single church can do, 37,000 Southern Baptist churches working together can accomplish by being a major source of support for seminaries, Radio and TV Commission, 3,600 missionaries establishing new work, ministering in crisis situations, preaching the gospel in many languages and offering hope to the hopeless.

. . . AND AROUND THE WORLD?

Around the world, Southern Baptists support the work of more than 3,700 missionaries in approximately 110 countries. More than 50 percent of the SBC Cooperative Program income goes to support foreign missionaries.

WHAT CAN I DO?

1. Commit yourself anew to Christ and His Great Commission.
2. Examine your own giving. Is the amount biblical? Is it all you should do in light of the way God has blessed you?
3. Be a good steward of your influence. Help your church to be a good steward of its income.
4. Use every opportunity to teach biblical principles of stewardship.
5. Help develop a spirit of understanding concerning the way your church can combine its gifts with those of Southern Baptists all over the world to do the work Christ has commissioned us to do.

Association Board and Executive Committee Actions

EXECUTIVE COMMITTEE - October 5, 1987

David Coleman, member of Personnel Committee, brought a recommendation from that committee that Mrs. Dee Shaw Foreman, Minister of Education at Grace Baptist Church, be approved as the new Director of Church Development. A motion was made to accept the recommendation and after the second, the motion passed unanimously.

David Coleman, chairman of the Missions Development Council, brought a recommendation that we participate as an association in a World Missions Conference in the fall of 1990 with October 21-28 as the suggested dates. The motion passed.

Gayle Brown brought an update on "Blue Ribbon" Committee which is working on establishing a new Buncombe Baptist Resource Center. He suggested that a fund be established to receive monies which would be put in a special account for the new center. Edgar Ferrell moved that this fund be started and the motion passed.

In a report from the "Blue Ribbon" Committee, Miss Shirley McIntosh, chairman of the Program and Ministries Subcommittee, brought a recommendation that Mr. Carleton Collins of John Rogers Associates/Architects be employed as architect for the new Baptist Resource Center. The motion was seconded by Lee Roy Denton and the motion passed.

ASSOCIATION BOARD - January 18, 1988

Miss Shirley McIntosh, chairman, Program and Ministries Committee for the Buncombe Baptist Resource Center, brought an update on the efforts of the committee to secure an architect. The Executive Committee had approved Carleton Collins at the January 11 meeting. The Association Board was asked to affirm this decision and unanimous approval was given.

David Coleman, chairman, Association Missions Development Council, brought a three-part recommendation in regards to the participation of the association in the São Paulo/North Carolina Partnership 1988-1992. The recommendation was (1) that we participate as Buncombe Baptist Association in the São Paulo North Carolina Partnership, (2) that Dr. Joe Hester, pastor of Missions, West Asheville Baptist Church, be elected as our representative from the association to coordinate this project, and (3) that funds be established to help with the expense. A motion was made that this recommendation be approved and the motion passed.

EXECUTIVE COMMITTEE - April 11, 1988

A recommendation was brought from the Finance Committee concerning an increase in insurance for the Director of Missions. Due to a changeover from agency term life insurance to church term life insurance, an increase of $2,335.96 needs to be added to the budget item insurance for the Director of Missions. Dr. James Johnson, chairman of the Finance Committee, moved that we modify our budget accordingly. The motion was seconded and passed.

Each year the associations of North Carolina Baptist State Convention receive a percentage of the State Missions Offering if they request it. Buncombe Association received $4,019.46 from the 1987 offering. On behalf of the Association and Missions Development Councils, the association staff, and the Finance Committee, a request was made that $3,000.00 of this amount be applied toward the purchase of a van for the association ($2,000.00 would be used for a down payment and the remainder used as payments until an item could be put in the 1989 budget). The remaining $1,019.46 would be allocated to the UNCA campus minister/intern program scheduled to begin August 1988. It was also requested that the moderator appoint a Van Committee to check into insurance, coverage, designated drivers, maintenance costs, and where the van would be kept. David Coleman moved that the requests be approved and the motion passed.

ASSOCIATION BOARD - April 18, 1988

David Coleman, speaking for Moderator Harold Savell, presented the names of those appointed to the associational Van Committee. They are: Edgar Ferrell, chairman, Margaret Stamey, Jackie Collins, Edwina Messer and Wayne Higgins.

EXECUTIVE COMMITTEE - June 20, 1988

This meeting was called in order to consider the results of the work of the Site Selection Committee for the Buncombe Baptist Resource Center. Bob Kinser, chairman, Site Selection Committee, brought information about two pieces of property for consideration - (1) a little over two acres located on Hazel Mill Road in West Asheville and (2) a parcel of land adjacent to the Billy Graham Training Center at The Cove. Advantages and disadvantages of each piece of property were explained. Carleton Collins, architect for the new Resource Center, gave potential first costs (estimated) for each site. Purchase price for the Hazel Mill site was $74,950. Kenneth Ridings made the motion that we purchase the site on Hazel Mill Road, Roy Denton (and others) seconded and the motion passed. Mr. Kinser suggested that a letter written by the moderator be sent to people living in the vicinity of the Hazel Mill site explaining our purpose as an association, etc. The motion was made and passed that these contacts be made.

ASSOCIATION BOARD - July 18, 1988

Glenn Wilcox, general chairman of the "Blue Ribbon" Committee for the new Buncombe Baptist Resource Center, brought an update on the progress of the committee, particularly the Site Selection Subcommittee. The site recommended by the committee was approved for purchase by the Executive Committee on June 20, 1988. A motion was made that the Association Board affirm this action and the motion passed.

Information was brought to the board about a movie being filmed by Universal Studios which is a blasphemous portrayal of the life of Jesus. Bill Horton made a motion that fact sheets and petition forms be made available to the churches by the association. This was seconded. Cecil Hopps brought an amendment to the motion that the Director of Missions write a letter of disapproval to local theatres and Universal Studios. The motion was then presented that the association acquire the material and disseminate to the local churches and that the letter of disapproval be sent to Universal Studios and local theatres. The motion was seconded and passed.

Administrative tasks reside primarily with the Associational Council, though each program is responsible for its planning and resource management. Given the total perspective of associational tasks, duties of the Associational Missions Development Council are summarized as: awareness, planning, correlation, and implementation.

Composition of the Associational Missions Development Council is as follows: Chairman, WMU Director, WMU Personal Witnessing and Mission Action Director, Brotherhood Director, Sunday School Director, Church Training Director, Music Director, Library/Media Director. At the conclusion of the presentation, Harold Savell led the congregation in a prayer of commitment using scripture verses and congregational responses after which the choir closed with a choral response, "Here Am I, Send Me."

SECOND SESSION

The second session of the 107th Annual Meeting of the Buncombe Baptist Association, with Moderator Harold Savell presiding, opened with the hymn, "Praise Him! Praise Him!," led by Elaine Gregg, Minister of Music at Arden First. Tom Pierce, pastor of Deaverview, read the scripture, Romans 12:1-16a and Gilbert Barnhill, pastor of Oakley, led in prayer. James Weaver, host pastor, extended a welcome to all present.

Ron Kiser, chairman of the Committee on Committees, presented the committee's report for review and moved its adoption. The motion was seconded and passed.

Larry Sprinkle, chairman of the Nominating Committee, nominated Harold Savell to serve again as Moderator of the association. The floor was opened for further nominations; there being none, Harold was elected. The name of David Coleman was placed in nomination to serve again as vice-moderator. With no further nominations, David was elected. Larry moved the adoption of the rest of the Nominating Committee report and the motion passed.

Carolyn Charles, in her report for Church and Community Ministries, referred to the Family Prison Ministries program and the many churches involved in working with families of inmates, also the upcoming toy collection for six prisons. Other programs include literacy missions, senior adults, singles, summer students, multi-family housing, which includes Spruce Hill and Westbrooke Village. She introduced Hugh Lauffer, member of Biltmore Baptist Church, who spoke about the work being done by Biltmore Church at Pine Valley Mobile Home Park.

Dee Foreman, Director of Church Development, referred to the reports of programs including Sunday School, Church Training, Music, WMU, Brotherhood, Library-Media and Youth. She explained the purpose of each of the councils for these programs.

Gayle Brown, Director of Missions, recognized three people and asked them to share about some areas of work. Joe David Fore, Campus Minister at UNCA, reported on the new Baptist Student Union Center. A house has been purchased adjacent to the UNCA campus and will be used for BSU activities and is also housing the new campus intern, Mike Stephens. Ronnie Owen brought information about Metro Thrust, a national strategy to reach out to American's metropolitan areas working through the local church, association, state Baptist Convention and Southern Baptist Convention. It is a program similar to long-range planning but there will be many resources not available before. Frank Hopkins described the program, Probe. This is an intensive field study of the association to determine potential new work needs. It utilizes church extension consultant working along with local leaders to help discover people who are not being reached.

In the State of Buncombe Baptist Association message, Gayle Brown, Director of Missions, asked what word would best describe Buncombe Baptist Association. He suggested the word "becoming." As individuals, as local churches, as an association, we are all in the process of becoming. His hope and prayer is that we are becoming the people of God, to be what God would have us to be. He referred to the digest of church letters in the Book of Reports and observed that all areas need improving. He challenged each of us as individuals and local churches to set goals for the coming year, to dream great dreams, and then to work to bring these dreams to reality.

The congregation sang the hymn, "Take Up Thy Cross," led by Allen Cantrell, Minister of Music at Black Mountain First Baptist Church.

The financial report was given by Howard Candler, associational treasurer. The 1989 budget was presented by Edgar Ferrell, chairman of the Finance Committee, who moved its adoption. The motion passed.

Charles Phillips, chairman of the Membership Committee, brought a motion that Clear Branch Baptist Church, which had been under the watchcare of the association for one year, be voted into full membership. The motion passed. He also brought a motion that the Korean Church of Asheville be taken under the watchcare of the association for one year, at which time the church will be presented to the association for membership. The motion passed.

Glenn Wilcox, general chairman of the "Blue Ribbon" Committee, brought an update on the progress of the three subcommittees, Site Selection, Program and Ministries, and Financial Resources. These committees have been working hard to bring into being the new Buncombe Baptist Resource Center. Property has been purchased, plans have been drawn, and a financial campaign will begin on November 21, at the "Kick-Off" dinner at Asheville First Baptist Church.

Ronnie Owen, chairman of Place and Preacher Committee, gave the following report. Pole Creek Baptist Church will host the first session next year on October 9, 1989, and the second session on October 10, 1989, will be held at Oakley Baptist Church. The preacher will be Frank Hopkins, pastor of Barnardsville Baptist Church, with David Coleman, pastor of Newbridge Baptist Church, as alternate.

Foyd Bennett, chairman of the Constitution and Bylaws Committee, brought the following proposed constitution changes: New Work Committee will be composed of eight members instead of 10, and Long-Range Planning Committee will be composed of nine members instead of 25-30 members. The changes were approved.

Aubrey Folk, chairman of Resolutions Committee, presented a resolution of appreciation to the host churches for use of their facilities, to the Moderator, Director of Missions and staff, musicians and speakers. He moved the adoption of this resolution and motion passed.

The Cooperative Program Report was brought by Mrs. Patsy Hilliard. She also brought a tribute to Mrs. Mary-Ellen Garrett. Mrs. Garrett had been the Cooperative Program representative for the association and had brought the report to the association for many years. Mrs. Garrett died July 27, 1988.

The speaker for the Baptist State Convention agencies was J. Dewey Hobbs, Department of Pastoral Care, North Carolina Baptist Hospitals. The speaker for Baptist State Convention Institutions was Miss Sue Fitzgerald, Department of Continuing Education, Mars Hill College.

The congregation sang the hymn, "Rejoice, the Lord is King," led by Carson Moseley, Minister of Music at Westwood Baptist Church.

Personnel policies for the association state that retirement for an employee shall be effective on December 31 of the year the person reaches age 65 unless exception is recommended by the Personnel Committee and approved at the Annual Meeting. David Coleman, speaking for the Personnel Committee, recommended that Betty Orr, secretary-receptionist, be allowed to remain in that position for another year. The recommendation was approved.

Ronnie Owen, chairman of Evangelism Committee, brought a motion that the association participate in the "Here's Hope - Jesus Cares for You" Crusade in 1990. The motion passed.

Lloyd Wolfe, chairman of the Memorials Committee, using the scripture Malachi 3:16-17, remembered the 306 members who had passed on since the last annual meeting. This number included 11 deacons and two ministers. Rev. Wolfe made the motion that the 1988 Buncombe Baptist Association Annual be dedicated to the memory of Dr. Ray Roberts and Rev. Ray Billings. The motion passed.

Scripture for the annual sermon was read by Rev. Charles Sprinkle, pastor of Glady Baptist Church. He read Exodus 2:21-3:14.

Special music was brought by Linda Davis who sang "How Great Thou Art." She was accompanied by Anna Taylor.

Lester Crayton, associate pastor of Grassy Branch Baptist Church, brought the annual sermon. His message, based on the life of Moses, drew similarities of our living in times like Moses and that we are never too old, inexperienced, etc. to be used by God.

Jamie Morgan, Minister of Education at Arden First Baptist Church, gave the benediction. A delicious lunch was served by the Arden Church.

A Resolution of Appreciation

WHEREAS the Buncombe Baptist Association has met in annual session with the support of the churches of the Association, denominational agencies, and individual leaders and messengers; and

WHEREAS Woodland Hills Baptist Church and First Baptist Church of Arden have graciously hosted the evening and the morning sessions; and

WHEREAS the Moderator, the Director of Missions and his staff, the musicians and the speakers have invested extensive effort in planning, promoting and conducting these meetings for the purpose of equipping and inspiring the churches for a more effective ministry to our community and the world; now

BE IT THEREFORE RESOLVED that Buncombe Baptist Association, meeting in 107th annual session, affirms its gratitude to all who, in any way, have contributed to the occasion.

Done this 11th day of October 1988, at First Baptist Church of Arden.

Dedication

THE REV. HORACE L. SMITH

Horace Smith was born July 26, 1897, in Burke County, North Carolina. He received his education at the old Rutherford College, Wake Forest University and the Southern Baptist Theological Seminary. He had served 30 interims in Western North Carolina since his retirement in 1963 from Canton First Baptist Church. His pastorates included First Baptist churches in Marshall, Clinton, Tennessee, Canton and the Redbank Baptist Church in Chattanooga, Tennessee.

Rev. Smith served as president of the State Pastors' Conference, two terms as vice-president of the Tennessee Baptist State Convention and as program chairman of the Tennessee Baptist State Convention.

He was a former trustee of the East Tennessee Baptist Hospital, the Harrison Chillhowee Baptist Academy and the Baptist Children's Homes in North Carolina and Tennessee.

At the time of his death, he was a member of the Calvary Baptist Church, Asheville, which he attended with his wife, Ruth Pipes Smith.

He involved himself in two great church building programs, one at Clinton, Tennessee, and the other at Canton, North Carolina. Many people are grateful for the progressive work he accomplished and the optimism he displayed in his ministry.

He was known for his love for the Lord, his friendly handshake and his genuine concern for mankind. He is remembered as a dedicated and committed servant of the Lord.

He was called home to the Lord on October 4, 1988, at 91 years of age.

MARY ELLEN GARRETT

Mrs. Marvin Garrett, Mary Ellen, died at Ridgecrest, North Carolina, on July 27, 1988.

Educated in Ohio, New York and at the WMU Training School, Louisville, Kentucky, Mrs. Garrett had a varied career in foreign missions. She began in Burma in 1937, going to Nigeria in 1946, serving still later in Rhodesia.

After resigning from foreign mission service in 1972, she became active in the Ridgecrest Baptist Church until her death.

"Mrs. Garrett was very active in the Buncombe Association, serving as Cooperative Program representative and leading many conferences and prayer retreats."

A friend, Kirsten Mitchell, says of Mary Ellen Garrett, "I asked her once how did she know who to help—who would not take advantage of her? She said that as a young girl she once bought and gave dresses to some mothers so they could accompany their children to church. They didn't come, but sold the dresses to buy booze. Her mother told her, 'You've done your part and fulfilled your obligation to God—the rest is up to them.' " Mary Ellen lived by these words the rest of her life.

Director of Missions' Report

This past year has been a good year for Buncombe Baptists as we have moved forward on several fronts. The "Blue Ribbon" Committee continues to lead us toward the new Buncombe Baptist Resource Center which comes closer to reality each passing month. Our property has been secured and a balance of only $45,000 is all that remains to be paid on the property. The architect has completed the schematic drawing and is ready to begin preparing construction drawings. The "Blue Ribbon" Finance Committee is leading our association in Phase II of the financial drive which should provide the financial base to "groundbreaking" in 1990!

Our association is in the midst of Association Strategy Planning which involves five "Task Force" Committees which have been gathering data and information concerning the total work of the association. The work of these committees will help define our work, restate our purpose as an association, and give us direction as we move into the 1990s. Over 30 "key" leaders have been involved in the Association Strategy Planning effort who have volunteered hundreds of hours in this special project. We will learn more about Association Strategy Planning as we continue the process.

During this past year we have seen good ministry through the five church programs of the Sunday School, Church Training, Brotherhood, WMU, and Music. Dee Foreman gives excellent leadership in these areas of ministry and I refer you to the Director of Church Development Report for a detailed summary of the work being done in Church Development.

Church and Community Ministries, under the direction of Carolyn Charles, continues to provide challenges and opportunities for churches to reach out and minister to people in need. A new ministry this past year has been in the area of Multifamily Housing. This is challenging, yet rewarding work, and much can be done on a "one to one" basis.

This past August 46 Buncombe Baptist people went to Sao Paulo, Brazil for a preaching and witnessing missions trip. Dr. Joe Hester, Pastor of Missions, West Asheville Baptist Church, led the mission team. All returned enthusiastic about what they saw and did during the days in Sao Paulo. Nearly 500 conversions were reported by the team members!

As we look to the future we anticipate good participation in the simultaneous crusade in April - "Here's Hope - Jesus Cares for You." Every church in the association is encouraged to be a part of this convention-wide evangelistic effort!

In October 1990 our association will host a World Missions Conference. Planning for this great missions event has been in progress for several months. Churches will have the opportunity to hear foreign, home, state, and association missionaries share what God is doing around the world. Mark your calendar for October 20-28, 1990!

I am grateful to serve with a fine associational staff. In addition to Dee Foreman and Carolyn Charles, Betty Orr and Nancy Owen continue to do their work well and are committed leaders. The association staff wants to be a friend, enabler, and support to all our churches and church leaders as we work together seeking to carry out God's mission in Buncombe County and around the world.

Church and Community Ministries Annual Report

This has been a great year in Church and Community Ministries. We have an estimated 100 volunteers in CCM working through the ministries of: Literacy, Singles, Senior Adults, Multifamily Housing, Resort Ministries, Family Prison Ministries, Ethnic Ministries, and

Summer Missions. At least 3,200 people have been ministered to through CCM. Children and adults have been led to Christ and baptized into church fellowships. We are actively taking the gospel to the unchurched; lives are being changed because dedicated Christians give of themselves to teach, visit, witness, and minister to the needs of non-Christians.

Respectfully submitted,
Carolyn J. Charles, Director

SINGLES

In November West Asheville Baptist Church hosted a Thanksgiving dinner for all associational singles. Forty singles attended.

The 1989 focus for singles in the association was to host a district event. Five out of nine districts planned single events for March.

On June 3, 50 singles enjoyed an afternoon of fun and fellowship at the annual singles picnic at Lake Julian. The program was planned by the West Asheville Baptist Church singles. Bev Sullivan of Merrimon Avenue led games for the group and Ernie Philips, a former member of the Kingsmen, provided the entertainment. Five churches were represented.

SENIOR ADULTS

The holiday event was canceled due to special holiday dinners in local churches.

Along with the singles, the 1989 associational focus for senior adults was for churches to host a district event. Six hosted the March district events. Seniors began to renew friendships and plan other trips and events together.

On June 29, 90 senior adults attended the annual BBQ picnic at Lake Julian. Twelve churches were represented. The picnic was catered by Little Pigs and the program included ministers from South Buncombe, Calvary, and Biltmore. Rev. James Lamb of Grovestone Baptist Church presented the entertainment.

FAMILY PRISON MINISTRIES

The Annual Christmas Toy Collection for the children of inmates was a tremendous success. Nearly 500 children throughout Western North Carolina received toys. Toys were distributed to prisons in Buncombe County, Hendersonville, Hazelwood, Burnsville, the Black Mountain Women's Institution, the Juvenile Evaluation Center, and the Buncombe County Detention Center for Youth. Those children living in Buncombe County whose fathers were serving in another part of the state were also given toys. Each child received a Bible with their toys. One-third, or 35 churches of the Buncombe Association, participated in the toy collection.

On May 14, 15 attended the prison awareness conference at First Baptist Church, Asheville. Chaplain Frank Shirley, Western North Carolina Chaplain Director, led the program. Other program guests included Rev. Wayne Morrow, part-time chaplain with the Family Prison Ministries, and George Holley, Christian ex-offender from Hazelwood. An excellent training session was presented by these guests on how to visit inmates, be a sponsor, work with children and families of inmates, and how to be a prison volunteer.

Report from Wayne Morrow, part-time chaplain at Craggy Prison:

> I was called to be a part-time volunteer chaplain at Craggy Prison on October 24, 1988. Since that time we have seen the old Craggy Prison close and the new one open. Buncombe Correctional Center, a new honor grade camp, has also opened.

In this time I have made 102 visits, held 20 counseling sessions, and made 37 presentations to area churches in an effort to recruit volunteers for our Family Prison Ministries, with limited success, while driving 1,680 miles.

On the negative side, we can no longer have a Children's Ministry at Craggy Prison because there is no space for the children to go during family visiting.

We are looking forward to a good year with our Family Prison Ministries.

Yours in Christ,
Wayne Morrow

ASTON PARK NURSING HOME MINISTRY

I began a weekly ministry at Aston Park in November of 1988 for elderly residents. This program of Christian education and enrichment has been led by several WMU groups and pastors. The program includes devotions and mission studies.

HOME MISSION STUDY

I enjoyed leading the Home Mission Study for four churches in March. The study this year was about ONE MISSION, MANY PEOPLE. Several testimonies were given of various ways Home Missionaries are helping people spread the gospel to all persons. The one mission is "to spread the gospel of Christ." This study helped us to pinpoint those areas in our community that we can become involved in and those people we can minister to, such as hunger, proper housing, child care, single parents, the elderly, and the list goes on and on. These are some of the areas we are trying to minister to through local Home Missions in Church and Community Ministries.

BUNCOMBE COUNTY LITERACY VOLUNTEERS

Literacy volunteers are busy in a very rewarding work. Last year 40 tutors worked with that many adult non-readers. Three tutors worked with other nationalities in our midst. This is called conversational English or English as a second language.

Six volunteers attended the North Carolina Literacy Retreat at Caraway.

Three literacy workshops were held to train tutors in Basic Reading and Writing. These workshops were led by Irma Jean Reedy, Jannette Dillard, and Mary Powell.

A spring banquet was held in April. Mrs. Jean Clayton, A-B Tech, was the guest speaker. The president spoke about literacy to two women's civic organizations.

There are many adult non-readers in our county. Help us to find them. Encourage a friend who cannot read to get help. Remind the adult non-reader that teaching is one-on-one - just the student and the teacher. No one else need know the student cannot read.

Mary Powell, President
BCLV

SPRUCE HILL MINISTRIES

Craft classes for senior adults have been meeting weekly for several months now. We have been working on a variety of projects according to the interests of the group.

GED classes have been meeting twice weekly at the ministry. These are being taught by a teacher from A-B Tech who is a resident in the apartment complex.

Big A Club is still meeting with a new club having been started. We have a total enrollment of 37 children. BSU students and some area church volunteers have been leading classes.

A Senior Adult Bible Study began in January 1989. We were meeting on a weekly basis but this was discontinued due to medical problems.

Christmas baskets were distributed to 52 senior adult singles and/or couples.

Halloween drop-in was done with approximately 40 children coming by the apartment.

Visitation and some transportation continues with senior adult residents.

Some individual needs and ministries are being met by area churches.

The opportunity to do Outreach Bible Study is presently being explored.

Spruce Hill Ministries

WESTBROOKE VILLAGE MINISTRIES

"Praise the Lord!...Great are the works of the Lord!" Psalm 111:1, 2.

It has been an exciting and rewarding year! The Lord has blessed the Westbrooke Village ministry as children and adults have made commitments to follow Him. At the Deaverview revival on April 11, and at Vacation Bible Schools during the summer, at least 18 children received Jesus Christ as Lord and Savior or made recommitments to Him. Six children were baptized at the Sunrise and Deaverview churches.

The ministry to children and youth included the following:

(1) The Big A Club was organized on October 18, 1988. An average of 20 children per week attended the Bible study (ages 4-16). Judy Rigsby (Deaverview), nine volunteers from the Edgewood Church and six Mars Hill sorority girls were the major directors of the activities.

(2) Four RA/GA summer camp scholarships were provided by the Deaverview Church and by several individuals.

(3) Tutoring was provided during the school year by three volunteers: Judy Rigsby, Lisa McArdle (Riverside) and Marie Clontz (Grace). One to three children were assisted with schoolwork each Tuesday and Thursday.

(4) Individual children were discipled during the year. For the past month, four girls have been participating in a Bible study group.

(5) A basketball team was initiated on August 1, 1989. Fifteen youth have participated at the Sunrise Church on Tuesdays at 7:30 p.m. Rob Morris, Sunrise Youth Minister, has directed the sessions. Five church volunteers have attended.

The ministry to families included: visitation, evangelism, referral to agencies, counseling and assistance with needs. A new washing machine was given to a Christian family due to the generosity of the Deaverview and Sunrise churches and individuals.

An adult group completed the Outreach Bible study booklet. Up to seven people participated. Currently, the group is studying requested topics and appropriate Bible verses.

Picnics for the residents were held on July 6 and September 14. Approximately 60 people attended each of the hot dog suppers.

Five churches have assisted in sponsoring the Westbrooke Village ministry since July 1, 1989; Deaverview, Edgewood, Enka, Starnes Cove and Sunrise. Pastors from these churches have visited the residents. There has been participation by volunteers from the Calvary, Erwin Hills, Grace, Riverside and White Rock churches. Presentations regarding the ministry were given at the above churches and at the Emma Church.

The Westbrooke Village Council of church coordinators had its first meeting on August 31.

I am very grateful for the interest, prayers and support of God's people who are touching lives for Christ.

With love and appreciation,
Rose Morford
Westbrooke Village Ministry Coordinator

SUMMER MISSIONS 1989

Weekday Ministry: On weekdays we had opportunities to work with churches throughout the association. We worked with a different church each week doing a variety of programs. We taught Vacation Bible School in churches that did not have enough leaders to lead their own. Door-to-door surveys were done in several neighborhoods to discover prospects for churches. We organized a week-long day camp in several churches and taught children Bible stories through clowning, puppetry, skits and games. Several Backyard Bible Clubs were led in church neighborhoods. Sometimes we dressed in clown suits and went to pools, parks, and community centers to share the gospel through clowning, puppets, and skits. Balloons were handed out with Scripture verses and faces painted while telling Bible stories.

The children we encountered this summer were very different. Some had attended church; some had never been to church. We prayed for each child, trusting God would work through us. We feel many lives were touched through our ministry this summer. Thanks for all the prayers and support we received. There were 1,820 children ministered to through weekday ministry.

Fleamarket Ministry: Each Saturday morning we entered a booth at Dreamland Fleamarket. We had a table filled with a variety of tracts and scripture verses. At the table there was one or more clowns that painted children's faces and gave out balloons with scripture verses. The balloons and face painting gave us a tool to share Christ with the children. The fleamarket ministry was a great success this summer; there were 30 tracts given out and 580 people ministered to through our booth.

Campground Ministry: We had a Saturday night fellowship each week in KOA campground in Swannanoa. Games, clowning, skits and puppets were used to share the gospel. Special guests sang several times and associational youth choir performed a musical.

On Sunday mornings two churches rotated in leading the worship service. We sang solos, singed songs, and used skits to assist with the service. Many of the children we had on Saturday nights came on Sundays. We enjoyed using our gifts and talents to share the gospel with others in the campground. The attendance at the services was 353.

Special Events: We also served as counselors for a week at GA Camp. There were 13 professions of faith and 35 rededications. It was a wonderful week attended by 65 campers and counselors.

We had a booth at Sharing Affair where 50 tracts were picked up. We attended the Antique Car Show and gave out 50 balloons and painted 20 faces.

In His Love,
Summer Missionaries of 1989
Tammy Hutchison, Tricia Babb, Mary Sneed

A total of 3,044 lives were touched by the work of the summer mission students. They did an outstanding job this summer sharing the gospel with so many people in Buncombe County.

Nursing Home/Senior Adult: Kim Bryant worked with four nursing homes and our association to assist with senior adult activities. She says, "I found out this summer that missions is a lot more than Bible studies. It is providing a helping hand. It is giving of yourself to others. These people can teach so much when you take time to listen."

Kim worked at Hillhaven, Victoria and Aston Park Health Care Centers and Princess Anne Retirement Home. Through the activities department she shared the love of Christ one-on-one to many residents.

Campers on Mission: Carl and Mary Reagan, Home Mission Board National Consultants for Campers on Mission, led a training conference on ministering to campers. Five adults attended.

Church Development Annual Report - 1988-1989

Cooperation is a word that we Baptists use frequently to define our relationship with each other. Many times we think of it in terms of finances as we have the "Cooperative Program," but it is much more than that. Cooperation is the way we work together. Other denominations are amazed that we can accomplish our goals in this manner.

I call our attention to the cooperation among ourselves that has taken place during the past year. Our associational structure is that of having councils and committees to handle the various programs of our work. These councils/committees are staffed with members of our local churches and bring to the work a cross section of the churches. We are careful to have people from each of the churches on the councils/committees. This is good as it gives ownership to all. Appreciation goes to Church Development councils/committees:

Church Training (Discipleship Training as of October 1): Ably led by Elizabeth Myers for 28 years. Prior to that she served as a district leader for seven years. Elizabeth is retiring from that position this year but will remain as a worker with the Children's Bible Drill. We give her our thanks for a job superbly done.

Sunday School ..... Don Marlar, Director
Media Library ..... Cathryn Kinser, Director
Music ..... Elaine Gregg, Director
Brotherhood ..... Wayne Higgins, Director
WMU ..... Martha Hicks, Director
Seminary Extension ..... Lee Roy Denton, Chairman
Youth Coordinating ..... Carson Moseley, Chairman

Training leaders is the expertise these council/committee members have brought to us as an association. During the past year they have held leadership conferences teaching study books. In addition, they have gone into our churches for conferences and one-on-one training. In order to receive this help, a church needs only to request it and be fitted into the schedule. Please read the individual reports made by each of these directors/chairmen.

Working on the associational level helps the individuals involved as workshops are provided for them by the NC State Convention and the SBC. Skills are sharpened, enthusiasm built and visions for the future become clearer as a result. They are equipped in order to equip. Appreciation goes to each one for his/her willingness to devote this extra time for training.

A Language Director was secured this past year: Mimi Kim (Mrs. E.Y.). She will be assisting the different programs in relating to the ethnic groups among us. She is a member of the Korean Baptist Church of Asheville which currently meets in the Biltmore Baptist building. This position promises many possibilities, and we look forward with anticipation to the many developments that will take place. Please pray for Mimi as she learns her work and serves in our Buncombe Association.

My prayer is that we will continue to cooperate one with the other as we share in the great ministry of Jesus Christ.

Sunday School Report

In 1988-1989 our Associational Sunday School program joined with other associations and churches across the Southern Baptist Convention in the fourth of a five year emphasis: CHALLENGE 10/90 . . . to enroll 10,000,000 people for Bible study by the year 1990. The goals set for Buncombe Baptist Association were:

Increase Sunday School enrollment 1,000
Churches with Outreach Bible Study 10

Workers and members prepared for evangelistic teaching, witness, and ministry	200
New Sunday Schools started	1
Churches with Weekly Workers' meetings	10
Sunday School Leadership Diplomas earned	10

All of our church letters are not in, but indications are that we did very well toward reaching some of our goals and that other areas still need a lot of work.

Several projects were planned, promoted, and/or conducted by the Associational Sunday School ASSISTeam to help churches in Buncombe Association with Sunday School work. These included:

July '88	Sunday School Week, Ridgecrest
August '88	Sunday School Week, Ridgecrest
	Sunday School Leadership Training, Caraway
September '88	Fall Sunday School Leadership Training, Ridgecrest
	Preparation Week, local Buncombe churches
October '88	Preparation Week, local Buncombe churches
February '89	Quarterly Leadership Conference, Buncombe Association
March '89	"Evangelism Through the Sunday School," FBC, Black Mountain
April '89	ASSIST Training Institute, Buncombe Association
	Vacation Bible School Training Clinic, Buncombe Association
May '89	Vacation Bible School Training Clinic, Buncombe Association
June '89	Quarterly Leadership Conference, Buncombe Association

In addition to these associational projects, the Buncombe ASSISTeam answered requests from several Buncombe Association churches for help in special areas of Sunday School work. It is estimated that hundreds of Sunday School workers and better than one-third of Buncombe Baptist churches have participated in these training opportunities. We offer our congratulations to these Sunday Schools and our thanks to the ASSISTeam workers.

SHARE HOPE...REACH 10 will be the theme across our denomination for our final year of CHALLENGE 10/90. Our Sunday Schools will be called upon to play a major roll in the "Here's Hope. Jesus Loves You." simultaneous revivals during the spring of 1990. We will also be encouraged to make a final push to enroll 10 million in Sunday School by October 1990. A big year in Sunday School is ahead of us!

Our associational goals for 1989-1990 are similar to last year's goals:

Increase Sunday School enrollment	1,000
Churches with Outreach Bible Study	10
Workers and members prepared for evangelistic teaching, witness, and ministry	200
New Sunday Schools started	1
Churches with Weekly Workers' meetings	10
Sunday School Leadership Diplomas earned	10

To quote Harry Piland:

"Think of it - no telephones; no automobiles; no jets; no cassette tapes, computers, or satellites. The early believers were not known as members of the information society. Yet, they shared the gospel person to person. And that is the same way it will be done today. That is why we have Sunday School. That is why we have Bible study. That is why we have revivals. That is why we have the theme: 'Here's Hope. Jesus Loves You.' That is why we have the Sunday School theme: Share Hope...Reach 10. Let's stop talking about it and let's start doing it right now! It's late but not too late. God bless each one of you as you do His will." (from *Share Hope...Reach 10, Sunday School Plan Book, 1989-1990)*

Woman's Missionary Union Report

Woman's Missionary Union has had a good year in the Buncombe Baptist Association. The new WMU officers began their training in July of '88 when we attended the State WMU Leadership Conference at Fruitland. Some, along with other ladies in the churches, attended WMU week at Ridgecrest. Our first official duty was to lead the associational Leadership WMU Conference in September. This was held at First Baptist Church, Asheville with 152 present.

We now have 64 churches with WMU work. Three churches have begun WMU work this year - Woodland Hills, State Street, and Grovestone. There are 27 of our 91 churches with no WMU work listed.

Each of our age-level organizations have had a number of activities, seminars, fairs, etc. during the year. In June BAPTIST WOMEN held a retreat at Lake Junaluska with 63 ladies and five men attending. This was led by Mike and Susie Hester, Foreign Mission appointees to Madrid, Spain. They taught the book *The Biblical Basis for Missions.* Baptist Women lead monthly programs at the Baptist Retirement Home working closely with Mary Francis who coordinates the programs for the home. BAPTIST YOUNG WOMEN had a workshop on enlistment in November entitled "The Vision Continues for BYW." On April 3 the BYW Director led a workshop for BYW members and officers helping them discover new and innovative ways in which teaching missions can happen entitled "Missions Education - How Creative are You?" Two churches have started BYW. ACTEENS met in the fall and the Acteen Handbook, *Acteens A-Z* was taught. There were 22 girls from the association attending the National Acteens Convention in San Antonio, Texas in July. In the eary spring GIRLS IN ACTION met for a Home Mission emphasis with 30 girls present. In July GA Camp was held at Camp Bear Walla with 72 girls. Many decisions were made for the Lord. In October a Missions Adventure Workshop was held with 50 attending. In January a Mexican Fiesta was held in the Biltmore gym with approximately 170 girls and leaders attending. Our MISSION FRIENDS director led a conference in the study of the new Mission Friends manual for church leaders.

A Foreign Mission study workshop for teachers was held on October 17 with Rev. and Mrs. John McGee leading. Many good studies were held in the churches with 12 or more ladies going into the various churches for teaching the mission study on Nigeria. From reports to us - most churches went over their goal to the Lottie Moon Christmas Offering.

In November we observed the Women's World Day of Prayer. This was led by our district leaders. A total of 325 attended from 34 churches. There was an offering of $563.46 which went to the Baptist World Alliance for women's work of the BWA.

Many of our WMUs participated in the toy collection for children of prisoners at Craggy and other prisons in the area.

The WMUs of our association serve lunch each Monday at UNCA for the 25-45 BSU members present. We also furnished pots, pans, dishes, etc. for the kitchen in the new BSU Center adjoining the campus.

Our Mission Action/Personal Witnessing Director led in the preparation of boxes for the Women's Correctional Center at Black Mountain. Forty-five boxes were delivered and a Christmas program was presented to the group and refreshments served. Also three boxes were taken to the Baptist Maternity Home, 12 boxes to the Juvenile Evaluation Center, and the surplus was taken to the Western Carolina Rescue Mission.

The WMU Council met at the Baptist Building for reporting and planning each quarter this year.

Our churches observed WMU Focus Week in February. Also in February a good number of teachers went into the churches and taught the Home Mission Study. This year was an excellent study in different ways to reach the unchurched and unsaved in our communities - which is over 50 percent of the population. We also had the Annie Armstrong Easter offering emphasis in the churches.

On March 31 and April 1 a group of WMU ladies from the churches attended the North Carolina State Annual WMU Meeting in Fayetteville.

I, as Director, had some surgery and a bout with pancreatis in March and had a three week stay in the hospital and an eight week recuperation period at home. The WMU Annual Meeting came during this period of time and Mrs. Teena Strange, Associate Director, led the group for this meeting with Mrs. Dee Foreman, our associational Church Development Director, assisting her. We're very grateful to these ladies and to all who helped during this time. Mrs. Mary Allred who led in our first associational Literacy Workshop was the speaker for this occasion and Miss Jan High, WMU State Leader, brought greetings to the group and led in the installation of the new officers.

In April the book *I Can Be a Mirror: My Role in Mission Action and Personal Witnessing* was taught by Mrs. Marie Clontz. Two sessions were held with good attendance at each of these.

To God be the glory for great things He hath done in our WMU work across the association. Those of you in the churches are doing the work - my husband John used to say - "the light that shines the farthest around the world, shines the brightest at its home base" - which is the local church and association. We thank God for all of you who lead in missions!

GA Camp Report

It has been a very rewarding year for me as GA Director. One of the most rewarding experiences was directing GA Camp. Working with all the girls and counselors was a great privilege.

Our camp was held at Camp Bear Walla the second week in July. We had a total of 100 people at camp, including girls and counselors. Every day was a full schedule of study and activities.

Every morning the girls were involved in mission study, Bible study and GA study. I taught the girls about the involvement of missionaries in their work and the commitment necessary. Marshall Blankenship, First Baptist Church, Swannanoa, told the girls about missions in Haiti. Dr. Joe Hester talked to the girls about partnership missions. Kathy Coffey involved the girls in learning about clown ministry and its effectiveness in witnessing. Steve Harris, Trinity Baptist Church, was the camp pastor. He taught Bible study each morning.

Every afternoon the girls were busy with swimming, playing ball, hiking, and many different relay games. Involving the girls in both study and fun activities gave them a well rounded experience.

The purpose for having camp is to teach girls that Christians can have fun. We introduce them to Christ and help them to realize what a wonderful life we can have in Christ. We put Christ as the center of camp. We give Him the glory for all the great things that happen at camp.

On Thursday evening we had an evangelistic service. There were many decisions made for Christ. Eleven girls became Christians and over 40 girls rededicated themselves to Christ. I feel many lasting decisions were made.

Our commitment as children's leaders should be to point them to a more abundant way of life in living for Jesus. As GA leaders and counselors we are committed to helping children understand the meaning of Christian living. We pray that through our efforts many GAs will want to become missionaries.

Edwina Messer, Camp Director
Associational GA Director

Brotherhood Report

This year we have seen the Lord continue to work in the lives of men and boys. There have been many opportunities to serve and the Baptist Men and RAs of our association have responded to God's call to serve and be involved in missions. Involvement in missions included local, home and foreign missions.

During the year the association Brotherhood Council was active planning and coordinating activities for Baptist Men and RAs in our association. The Council conducted six (6) regular planning meetings during the year. Following are some of the activities which were conducted during the year:

(1) Four quarterly leadership conferences were conducted.
(2) Conducted workday to clear the association property on Hazel Mill Road. This was completed on August 26 and involved fifteen (15) persons.
(3) One District Brotherhood Breakfast meeting was held on March 11 at Westwood Baptist Church.
(4) Assisted in promoting the WNC Men's and Boy's Rally which was held at the Broyhill Children's Home on October 15. Several men and boys from our association attended this meeting.
(5) Several members of the Council attended state sponsored training meetings during the year, including the NC Baptist Men's Convention.
(6) Assisted in promoting Baptist Men's Day which was on January 2.
(7) Assisted in promoting the Baptist Men's work on the Chapel at Mars Hill College.
(8) Many of our Council members and association Baptist Men were directly involved in mission work this year. This included work in Brazil, Belgium and various home and local mission projects.

This year we have expanded our program to include direct involvement in the High School Baptist Young Men area. Mr. Jack Meadows from Westwood Baptist Church has accepted the challenge and opportunity to direct this work in our association. There are many opportunities to serve and assist young men in this area. We all know that this period in a young man's life is very critical. I encourage all of us to pray for Jack and our young men as they lead out together.

Our association RA Committee has also been very active this year. Under the leadership of Steve Harris, the RA Committee has planned and carried out many activities for our young men which included the following:

(1) Crusader Car Competition - This activity was held at Trinity Baptist Church on February 18. Over 80 boys participated.
(2) Association RA Track Meet - This event was held at A.C. Reynolds High School on May 6. The first and second place winners also competed in the state track meet.
(3) RA Camp - This week-long camp was held July 24-28 at Camp Bear Walla near Hendersonville. (For more details on this see the RA Camp Report.)

I want to personally thank Steve and his committee for their hard work and dedication this year. Our young men are very important to God's Kingdom and are the future leaders of our communities and churches. Also, I want to express my appreciation to all RA counselors and leaders for their involvement with our young men and leading them to a closer relationship with Christ.

There are many opportunities for us as Baptist Men and Royal Ambassadors to become involved in God's work. I challenge all of us to continue to hear God's call, which is to go and share the gospel with others. If we do this, it will mean we must make sacrifices. However, the blessings will be tremendous and the results will be that God's love will be shared and people's lives will be changed.

Wayne Higgins
Association Brotherhood Director

RA Camp Report

RA Camp was an exciting time for the RAs in Buncombe Association. Although we were only 59 in number we enjoyed the closeness of family living in a rustic setting for a week in July. We enjoyed times of fun with swimming, canoeing, athletic events, air rifle competition, and crafts which included gliders which the boys painted to their personal taste.

The skits the cabins presented were fun and involved every boy along with drafted counselors.

We praise our Lord that once again He allowed us to experience His touch through mission studies. We also had a time of worship each evening with singing, Bible study, and prayer led by Danny Hampton.

Thursday night was our evangelistic emphasis in which God blessed with 12 decisions for Christ and many rededications.

May God continue to use Buncombe Baptists to provide an opportunity for RAs to experience summer camp.

Steve Harris, Camp Director
Associational RA Director

Church Training Report

"A Call to Baptist Basics" has been our theme this past year. Our mandate from God is found in Ephesians 4:11-16. We are to help our people discover their gifts and then equip and train them to use their gifts.

Our Church Training Council met quarterly to plan our calendar of activities and special events. I appreciate the many hours the council members have contributed to our Church Training work.

Suthell Walker, who is a consultant in NEW STARTS in Church Training, was in our association for three days in October. Eight pastors were scheduled to meet with her. Four of them were able to fulfill their commitment.

Weaverville First Baptist was host for our annual "M" Night meeting. We thoroughly enjoyed Luell Smith, Church Training Consultant from Nashville, who was our speaker. A choral reading, which had been prepared from Bible drill verses, was presented by participants in the Children and Youth Bible drills. Awards for achievement were awarded to Riverside and Victory. Attendance and percentage banners were awarded to Victory and Riverside. Largest numerical attendance gain and percentage were awarded to Reed Memorial and Newbridge. Largest numerical enrollment gain and percentage were awarded to Edgewood and Reed Memorial.

Five council members attended the ACTT conference at Ridgecrest in November.

A Regional Bible Drill Judges' Training Conference was held at Grace Baptist Church in January. Twenty-three people representing 12 of our churches attended this conference.

February 4 an Equipping Centers Showcase was conducted at Grace Church by Mic Morrow from the Sunday School Board, Nashville. This was the first time an Equipping Centers Showcase had been conducted in North Carolina. It began at 8:30 that morning with a snack breakfast and closed with a noon meal. The State Church Training Department contributed toward the food, which was prepared by members of Grace. Thirty modules were overviewed. There were three sessions and we were able to choose from ten different modules each session. The 30 overviewers were all from our Buncombe Baptist Churches. Each district was represented. One hundred people attended from 26 churches.

There was a Regional "Ingathering: Reclaiming Inactive Church Members" conference at Calvary Church, February 28. The leader was Jim Simpson, former associate in our State Church Training Department. Thirty-four persons from 21 of our churches were in attendance.

In March Dee Foreman and I attended an Area "Training Encouragers" conference at Fruitland. The purpose of the Encounter Plan is to encourage new Christians as they begin their new life in Christ. The plan is readily adaptable to churches of all sizes.

The associational Bible Drills were held at Victory, April 30.

There were three youth in the Youth Bible Drill. All three of them were from Riverside. Bethany Gosnell was a six-year State Bible Drill winner.

There were 14 children in the Children's Bible Drill. They were from Grace, New Morgan Hill, Ridgecrest, Riverside, Starnes Cove, Victory, and White Rock. Amy Ray from New Morgan Hill was a three-year State Bible Drill winner.

In our "special" drill for grades 1-3 there were 18 children. They were from Calvary, Grace, Ridgecrest, Riverside, and Victory.

A Church Training conference was held at each of our quarterly meetings. A special emphasis was presented at each meeting.

Church Training is Discipleship Training. Beginning in October we will have a new name. It will be "Discipleship Training."

In October we will have a new "Discipleship Training Director." He is Ed Barron, pastor of Edgewood Baptist Church. He has been a good supporter of Church Training.

My cup has overflowed with blessings and joy these past 28 years that I have served as your Church Training Director. I want to thank you for all your prayers and the support that you have given me.

Elizabeth Myers, Director
Church Training

Music Report

The year of 1988 and 1989 has given the music council of our association an opportunity to minister through music in a number of different ways.

In October several of the ministers of music provided the music leadership during the sessions of the annual meeting. Roger and Susan Ward (Biltmore), Hugh Patterson (South Buncombe), and Elaine Gregg (Arden First) participated in the Singing Churchmen and Women which sang for our state convention in November.

During December a choir sponsored by our associational music council sang four concerts at the Biltmore House on Saturday, December 3. Rehearsals were conducted during November under the direction of Don Welborn (Calvary). Jim Reich from the state convention was our guest director for the performances.

During January, February, and March the council spent time in planning for a busy spring and summer.

The last Tuesday in April rehearsals began for our Associational Youth Choir Retreat. The retreat was held at Pigeon Forge, Tennessee, May 18, 19 and 20. On Sunday afternoon, May 21, a concert of "Live It To the Max" was presented under the direction of Roger Ward.

The associational Children's Choir Camp was held at Calvary Baptist Church on July 17-20. Lovey Bigham (Mount Carmel) directed the camp. Guest directors were Beverly Smith and Myrna Stokes. The children presented "Heart Covenant" on the evening of July 20 to a "full house."

On July 22 the association youth choir presented another performance of "Live It To the Max" at the KOA Campground in Swannanoa. Then, on Saturday, August 26, the youth choir (with the help of several adults) sang at Ridgecrest for the opening session of the National Convocation of Directors of Missions.

It has been a pleasure to serve as associational Music Director this year. The music council is a hard-working committee composed of dedicated Christians and musicians. We will continue to use music as a tool of growth and ministry.

"O bless me, Lord, and help me sing,
Thy love so full and free
And bless all those who listen, Lord,
Help them to worship thee."
(Preston)

Church Media-Library Annual Report

"Media-Libraries Touching Lives...To Enrich Worship" is the banner under which we have been working during the past year. Associational Quarterly Meetings have given workers an opportunity to learn ways to enhance this theme and have provided time for Media Library Directors to share skills.

In addition to these three meetings, two workers attended the Special Workers' Workshop in Cary in January and three attended the State Media-Library Conference in Caraway in April.

Buncombe Association has a number of churches which have Media-Libraries to provide study materials for their members. The Media-Libraries become an undergirding for all the programs of the church. TACMO (*T*he *A*ssociational *M*edia-Library *O*rganization) can be an undergirding for the church Media-Libraries by providing workshops and conferences.

Our goal for 1989-90 is to full staff our Media-Library Council. The theme for the new year will be "Media-Libraries...Touching Lives to Strengthen Ministry." TACMO stands ready to strengthen ministry through providing helps for the local church.

(Mrs.) Cathryn Kinser
Media-Library Director

Youth Coordinating Committee Report

Each year our associational youth coordinating committee plans and seeks to implement a major youth event for fall and spring.

This past year our fall event was unsuccessful due to a scheduling error at our meeting site.

The spring event was held at Westwood Baptist Church and included supper, a youth talent show, and a powerful message from the film, *The Pretender.* Youth were challenged to not just talk the talk of Christian faith but to walk the walk of faith in Jesus Christ.

As we look toward the upcoming year this committee desperately needs the support and input from our youth associational organization leaders and also from all youth ministers. Together let us strive for the best we as an association can provide in ministry to our youth.

In Christ,
Carson E. Moseley, Chairman
Youth Coordinating Committee

BSU at UNCA

In the UNC Asheville Baptist Student Union, the past year has been possibly the most frustrating, most exciting and most promising year ever. The past 12 months have brought with them significant growth in many areas.

An immediate visible sign of this growth is the new Baptist Student Center. Any of those who accepted our invitation to visit the center last year will probably no longer recognize it after this summer's renovations. Almost complete now is a 450 square foot multi-purpose/dining area. The house is also freshly painted and in the process of becoming fully handicap-accessible. The women from Weaverville Baptist who shivered through a meeting in our unheated living room will be especially happy to know that a new furnace is on order.

Also exciting is the development of a more accessible campus ministry staff. Mike Stephens, who served last year as a student ministry intern, has returned this year as an associate campus minister. Joe David Fore, WNC Area Director of Campus Ministry, continues to focus a significant portion of his time on UNCA. Volunteer directors from the local association round out the campus ministry staff at UNCA.

With a full-time Baptist presence on campus the establishment of solid links between the Baptist community and the UNCA administration has come. We have developed a student center and made available a full-time campus minister that assures the school of our continued commitment to the students there. It also reassures the students that we are genuinely concerned with their well-being. One of the finest compliments this program could possibly have received came from a university vice chancellor who said that UNCA looks to the Baptist Student Union as a model for other student organizations.

Finally, and most importantly, comes the reason for Baptist involvement at UNCA - the students. While just looking at the increased number of students involved seems reason enough to call the work a success, other factors are even more promising. The students also developed emotionally and spiritually as they involved themselves with Baptist student ministry. The activities of the BSU, while guided somewhat by the campus ministers, are student planned and student led.

Last year, students took on mission projects such as working with the Spruce Hill Ministries Big A Clubs and using their Spring Break to work with crisis assistance ministries in Washington, D.C. A less tangible but still significant growth came in the level of awareness among the students of the world around them. Students became more able to discuss issues concerning world missions, local area needs, and even questions concerning their own faith journeys. And yes, we have new births to report. Through the Baptist Student Union at UNCA last year, three students made public commitments to Christ. Through the work of the students at the Spruce Hill apartments, several of the children there also decided to accept Christ as saviour.

The Buncombe Association continues to support this valuable ministry both through the associational office and its staff and the involvement of the local churches. In a program currently headed by Mary Powell, the WMUs of the association continue to provide lunches for the students each Monday. BSU students went to several churches last year and spoke about their involvement with BSU programs. We look for an exciting year to come and hope that you of the association will continue to be a part of the BSU through your prayers and your presence.

Joe David Fore, WNC Area Director of Campus Ministry
Mike Stephens, Associate Campus Minister

Association Strategy Planning Report

Buncombe Baptist Association Strategy Planning has been in progress for the past several months. Seven Task Force Groups have been gathering data and information for the purpose of studying every aspect of association work. The Task Force Groups are Statement of Purpose, Publications, Church Study, Associational Organization, Population Study, Social Systems, and Other Religious Groups.

Much time, prayer, and effort has been invested in the Association Strategy Planning experience. Another 35 people have been involved in the data and information gathering process thus far.

An Associational Strategy Planning Retreat will be held in early December to review the data and information gathered, discussion of goals, and priorities set for the association.

Associational Missions Development Council Report

Recently I was asked by the Nominating Committee to serve the Buncombe Baptist Association as the Associational Missions Development Council Chairman. Let me say that it is with a deep sense of honor and appreciation that I assume the responsibility.

As we move into the next decade the philosophy of missions is shifting from a committee approach to that of a council. What this means is this: instead of everyone on a missions committee having a general responsibility to promote and encourage missions, the members will have specific responsibilities. With this in mind, the nucleus of a council will be composed of a chairman, a survey chairman, and a promotion chairman accompanied by various program chairmen.

Since I have agreed to serve as the chairman of the council, I attended a week of training at Ridgecrest (August 19-24) to equip me to serve the association as your Missions Development Council Chairman.

I look forward to serving in this capacity and believe that we have what should be an approach to missions that will lend itself quite readily to an effective implementation of the Great Commission.

Art Fowler, Chairman
Associational Missions Development Council

New Work Committee Report

The words of Jesus in John 13:17, "If ye know these things, happy are ye if ye do them," become more challenging to us with every bit of information we receive and every opening for service that presents itself. As we review situations in our association regarding new work, we see great opportunities to be happy, if we were only doing more.

The "Probe" occupied a great deal of our attention in the past year. We began with a promotional drive aimed at getting our churches enlisted in a united effort to discover the areas where new work was needed.

Under the leadership of Joe Jones of the State Church Extension Department as director and Mike Eller, a consultant with that department as local coordinator, we launched the Probe on May 8. We had enough local church response to form Probe teams for eight of our nine districts. With outside consultants to direct the activity these teams participated in a field study of their district to determine what the needs were in that district and to prioritize the new work need areas for the Report and Evaluation Session.

After hearing reports from the Probe teams in the Report and Evaluation Session we prioritized the five areas where new work needs seemed the greatest.

I feel we had a successful Probe with significant work being accomplished. The big question still remains unanswered; what is going to be done about it? At this time we are not in a position to report any definite progress.

Our committee is standing ready to help churches that catch the vision of reaching into these areas of need.

The thought with which I began this report deserves consideration as I close.

Frank B. Hopkins, Chairman
New Work Committee

"Blue Ribbon" Committee Report

The Buncombe Baptist Resource Center is coming closer to reality. This past year tremendous strides have been made through the work of the three subcommittees that comprise the "Blue Ribbon" Committee.

The Site Location Committee has provided leadership in purchasing an additional piece of property that adjoins the original property on Hazel Mill Road.

The Financial Resources Committee has raised over $178,000 in pledges and contributions. The committee is now leading in Phase II of the capital funds campaign in which churches are asked to increase their giving to association missions by one percent of last year's undesignated offerings. If every church will do its part, the financial base for building the Resource Center will be in place. During the next three months many churches will be developing their budgets for 1990. I strongly encourage finance committees to put Phase II (an increase of one percent of last year's undesignated offerings) in the proposed budget.

As soon as we have the financial base secured through the commitment of the churches, we can go to a leading institution and borrow the money to build the Resource Center. We should have documentation of church support by December 31 of this year. I want to commend Leonard Clayton and the nine District Finance Leaders for the great job they are doing. In addition, I want to thank every pastor and layperson that has caught the vision and led their church to support the building of the new Resource Center. Special thanks is extended to Dr. Steve Pressley, pastor of Beverly Hills Baptist Church, who is giving outstanding leadership in the capital funds campaign.

Glenn Wilcox, General Chairman
"Blue Ribbon" Committee
Buncombe Baptist Association

Membership Committee Report

At our associational Annual Meeting on October 11, 1988, at Arden First Baptist Church, the membership committee recommended to the Buncombe Baptist Association that the Korean Baptist Church of Asheville be placed under the watchcare of the association for one year at which time the church will be presented to the association for membership. This recommendation passed. No other mission or church has sought membership into the association during the past year.

Therefore, the membership committee recommends to the Buncombe Baptist Association that we accept the Korean Baptist Church of Asheville into full membership of the association on October 10, 1989.

Charles Phillips, Chairman
Membership Committee

Buncombe Baptist Ministers' Conference Report

To some busy pastors an hour or so every Monday morning, to meet with the ministers of our association, may seem a waste of time. But to those of us who have regularly attended the conference at 10 o'clock on Monday morning it is time well spent in receiving information, inspiration and challenge as well as a good change of pace.

We need the encouragement of those who are doing what we are doing and experiencing what we are experiencing. The ministers, whatever their particular area of work, can receive a blessing from this weekly time of fellowship.

The new officers who will serve from October 1989 through March 1990 are as follows: President, Larry Holloway; Vice-President, Larry Sprinkle; Program Chairman, Richard Alan Cox; Secretary, Wayne Bennett; Music Director, Don Davis; and Pianist, Martha Hicks.

All our pastors and staff persons will benefit from an hour or two together on Mondays.

Frank B. Hopkins, President
Buncombe Baptist Ministers' Conference

Bivocational Ministers' Report

In the past year, the bivocational pastors have had a number of opportunities to come together for fellowship, inspiration, and information.

It is always a blessing and enjoyment for all who attend. We encourage each bivocational pastor and his family to attend these meetings.

Ray A. Hipps, President
Bivocational Ministers' Conference

Seminary Extension Committee Report

The Seminary Extension Committee met once this past year. The committee discussed the program changes, future courses, and the dates and places to hold them.

A seminar on the changes that are being made was attended by C.R. Pierce and Lee Roy Denton at the Key Leadership Meeting at Ridgecrest Baptist Conference Center in May.

Two courses were taught this year. "The Life of Christ" was taught by C.R. Pierce at Biltmore Baptist Church. The attendance was less than had been anticipated. Miss Sue Fitzgerald taught "How to Understand the Bible" at the Baptist Building during the winter months. The attendance was better for the winter semester.

Courses of study will be announced in the coming months. The committee is concerned with the low attendance at these seminars. We are trying to address this concern. We urge our churches to help us promote and enlist people for these studies.

A special word of thanks to the committee members, the teachers, and Dee Foreman for planning, promoting, scheduling and teaching these courses.

Pray for Seminary Extension.

Seminary Extension Committee

Evangelism Committee Report

The Evangelism Committee is very much concerned with the baptismal record of Buncombe Association and we are seeking ways and have some plans to cause this trend in our churches to reverse. Please be in prayer for us and also we ask you to pray about your church. What are your plans for evangelism in your church as we enter the '90s?

The plan we need your church support for is, "having every church elect or appoint a representative to be the liaison person to the associational evangelism committee. A person who will keep your church in touch with what is happening in Evangelism here in our association as well as statewide."

Here's Hope revivals, April 22-29, 1990, will require much planning and organizing of our efforts if we are to see good results. We need to train and David Coleman has agreed to be that trainer. David will teach pastors or other church representatives so that they in turn can train our people. We will keep you informed as the plans for Here's Hope develop.

We have no great success story to share with you at this time; however we feel that we will have as our committee continues to work towards "Winning the Lost." Jesus said that this is the most important of all that we do.

Thanks for letting me be your chairman this past year and we look at 1989-1990 as a year of opportunity.

Mike Smith, Chairman
Evangelism Committee

John G. Hicks Scholarship Fund Report

The John G. Hicks Scholarship Fund was established in memory and in honor of Rev. John G. Hicks, Director of Missions, Buncombe Baptist Association. The purpose of the fund is to assist seminary students with financial assistance in their seminary education. All assistance is based upon the availability of funds. Working with the North Carolina Baptist Foundation, the John G. Hicks Scholarship Fund Committee receives and disburses all funds.

This past year one scholarship was awarded by the committee. Jamie Ladner, a member of First Baptist Church, Black Mountain, and a student at Southern Baptist Theological Seminary, was this year's recipient of the scholarship fund.

Churches are encouraged to give $50-$100 each year so that the fund will increase in a steady way. The gifts, from churches or individuals, will assist seminary students during those "financially tight" years of securing a seminary education. It is the desire of the Scholarship Committee that more money be available to worthy students from our association pursuing an education in Christian ministry. At the present time, approximately $2,200 is in the scholarship fund.

Buncombe Baptist Church Secretaries' Association Report

The purpose and objective of the Buncombe Baptist Church Secretaries' Association is:

1. To understand the various roles of the secretary on the church staff.
2. To provide an opportunity of fellowship and stimulate an interchange of ideas.
3. To provide programs that will deepen the spiritual understanding of the secretary, improve her performance, increase her personal effectiveness, and acquaint her with the latest tools.
4. To encourage interests of others in the vocation of church secretary.

Meetings are generally held on the third Wednesday of the month at 1:00 p.m. at Western Sizzlin' on Patton Avenue.

In November 1988, seven secretaries from the Buncombe Association attended the North Carolina Southern Baptist Secretaries' Seminar at Caraway. It was a time of growing personally and spiritually. In April 1989 we had seven secretaries to attend the National Southern Baptist Secretaries' Conference in Nashville. This was a time of learning and interaction with secretaries from across the country. The Sunday School Board provided seminars and workshops for enrichment both spiritually and professionally.

We have also compiled a Church Secretaries' Questionnaire and the results were printed in the associational newsletter.

A Pastor-Secretary luncheon was held on May 3, 1989.

Our meetings give us a time of fellowship and learning from one another as we endeavor to serve in our various areas of work.

We welcome all Buncombe Baptist secretaries, full time, part time, or volunteer to our meetings.

Chaplains' Report

ASHEVILLE POLICE DEPARTMENT
Buncombe County Sheriff's Department

Rev. Larry Holloway, pastor of New Morgan Hill Baptist Church, continues to do a splendid job as a volunteer with the Buncombe County Sheriff's Department.

A minister's work and service in the chaplaincy should be spiritually inspired and based upon religious training. The primary focus of the program is to aid individuals in dealing with their immediate problems. The chaplain should notify the involved person's clergyman, if one is available, as soon as practical or refer persons to the appropriate social service agency.

We need to give some serious thought to the future of the program. For instance, with Asheville Police Department we presently have five active chaplains - we had an original mandate for ten. We will all suffer burn out and the possible demise of the program unless we recruit some more folk. The Chief has expressed a desire to see the corps reflect more ecumencity. We've had this in the past; it would be beneficial for several reasons to regain it. The International Conference of Police Chaplains (I.C.P.C.) provide an excellent model of diverse religious commitments united to achieve a common goal.

We have monthly meetings the first Tuesday of each month at 8:00 a.m. at Shoney's on Tunnel Road. Area clergy are invited to attend. God has given us a golden opportunity to minister to the needs of a highly visible segment of the city and county.

The challenge to the clergy of this city and county is to keep the ministry alive through your involvement and prayers.

American Bible Society Report
Bibles to Russia — A Gift of Love

One million Bibles and New Testaments for Christians in the USSR and Eastern Europe. Last year alone the Bible Societies were allowed to send over 260,000 Bibles into the USSR! We were amazed! That was ten times more than ever before in one year!

But this year the challenge is even greater - over *one million* Bibles and New Testaments! It will cost nearly $3 million to fill the requests we have already received for Scriptures in 16 languages, including Russian, Georgian, Latvian, Slovak, Czech, Romanian, German, Armenian, Ukrainian, Estonian, Polish, Hungarian, Servian, Slovenian, Croatian, and Macedonian.

The challenge before is not just a question of money, but of historic opportunity. The permits are approved. The churches and Christians are waiting. Nothing can move forward *until special funds are provided.*

The American Bible Society has chosen "Gifts of Love" as the theme for this special project to symbolize the spirit in which Americans rally to help those in need, says Dr. John D. Erickson, General Secretary, American Bible Society.

Let's reach out with "Gifts of Love" to our sisters and brothers by sending them the Good News about God's Son in His Holy, Eternal and Unchanging Word.

AFRICA wants the Word. There are 1,500,000 people who speak Tok Pisan language in New Guinea but the first press run was only 100,000 copies of the Bible - not nearly enough for so many people.

Recently the United Bible Societies sent 19,000 Bibles to Cuba which has approximately 10½ million people. Our Home Mission Board of the SBC donated 9,000 of these and the Baptist World Alliance donated the other 10,000. This is the first shipment of a total of 50,000 that has been approved for import. So many are still waiting for God's Word for the first time. Can we who have had His Word so long sit by and do nothing?

I urge all of you to get behind your fellow church members and make sure your church sends support on a regular basis to the American Bible Society. Your dollar can travel farther with more power through the hands of the American Bible Society. GIVE!

Annuity Board Report

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long-term care plan suitable to Southern Baptist ministers and their families;

Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;

Providing more choices for ministers seeking to meet the needs for family insurance protection;

Continuing to work hard to control health care costs;

Developing materials on financial planning;

Continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of these goals. A new and vastly improved insurance program is being offered under the name of ChurchLife. There will be four plans from which to choose.

This is what is happening in North Carolina:

There have been 27 new members enrolled in retirement plans during April 1-June 30.

There have been 61 plan upgrades during this period.

There are now 2,162 NC churches and associations contributing to retirement plans.

NC has 1,892 signed Cooperative Agreements. More than any other state!

The number of churches participating in the old Plan A level of $33.34 has *decreased* from 439 to 92.

The average annuitant in NC receives $249.96 monthly, up from $243 last year.

There are 1,764 annuitants receiving benefits each month in NC - $440,929.89 each month!

It is exciting to think about what has been done - but there is still so much to be done! Only 64 percent of the churches are participating in retirement plans, of this 64 percent many do not actually make contributions - the minister does this on his own. Small contributions make the annuitant's benefits small.

There is a *great* challenge still before us to help ministers to prepare for the future and to help churches be responsible employers.

Lawrence Fox, Representative
Annuity Board

Baptist Children's Homes of North Carolina, Inc. Report

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague American children and families.

While maintaining group care services in place since 1885, Baptist Children's Homes also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home. Until Care House, a young girl who had a child often could not return home. If she wanted to keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. They will help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange speakers for churches and help members with estate planning.

Baptist Children's Homes continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social service agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

Baptist Children's Homes, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

North Carolina Baptist Foundation Report

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided

by the Foundation, the current space has become inadequate to properly perform the ongoing work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the ongoing responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. The Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause and through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter arrangement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the Air-Care helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System developed jointly by the Department of Radiology and AT&T digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancers with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care centers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Baptist Retirement Homes Report

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this state.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

* To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.
* To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
* To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

The *Biblical Recorder* Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. Christian Action League

In the 1989 session of the General Assembly of North Carolina, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event. However, the pressure for establishing a statewide lottery was stronger this time due to two factors: 1. Virginia has started a lottery, and 2. Revenues were very tight, and some legislators were looking for "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham), were successful in securing passage of lottery legislation in the Senate.

Senator Royall used his political "clout" to keep the bill in committee until the closing days of the session. After the money bills had passed and the legislature was ready to go home, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal. So, the issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives us six months to solicit opposition to the measure from the membership of the NC House. Please contact your NC House members and secure their opposition to Senate Bill 4, the Lottery Act.

Much prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearing throughout the state to get citizen input on ways to make our highways safer. As a result, a Safe Roads Study Proposal was introduced that would: 1. lower the breathalyzer

threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. This bill can be considered in the May 1990 session.

Even with such a busy legislative agenda the Christian Action League assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. US Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health. . . because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of Buncombe Association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

North Carolina Baptist College Report - 1989

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL
1887	1848	1905	1856
MEREDITH	WAKE FOREST		WINGATE
1891	1834		1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is *807!* North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

Cooperative Program Report

Most Southern Baptists have heard the words COOPERATIVE PROGRAM at one time or another. These words have appeared in Baptist papers and magazines and have been talked about in church business meetings. Pastors and missionaries use them in their sermons and talks.

The COOPERATIVE PROGRAM is the plan through which Southern Baptists support the ministries they are doing together. The COOPERATIVE PROGRAM is the way one church puts its money together with the money from other churches to share in all of the Southern Baptist programs of witnessing, teaching, healing, and preaching in the United States and throughout the world. The COOPERATIVE PROGRAM is a partnership between churches, state conventions, and the Southern Baptist Convention.

The offering dollar starts on its trip in the home of each Baptist. It then goes to a Southern Baptist church. Depending on what the church members decide, some of the money stays in the church, and the rest of the money is mailed as a gift of the church to the state convention office. There, a part of the money stays in the state, while the rest of the money is mailed to the Southern Baptist Convention office in Nashville, Tennessee. From there the money is distributed according to the Southern Baptist Convention budget adopted by the messengers at the annual meeting.

Southern Baptists can be thankful that at every step they have a part in deciding how to spend their money for the Lord's work. The church, the state convention, and the Southern Baptist Convention give regular financial reports on how they spend the money.

Who receives COOPERATIVE PROGRAM funds? The list is long. Students in six Southern Baptist seminaries and more than 7,000 home and foreign missionaries receive funds. It would be hard to find a Southern Baptist anywhere who has not received help from COOPERATIVE PROGRAM funds in some way.

Pray for church, state convention, and Southern Baptist convention leaders as they seek to discover needs, plan budgets, and distribute COOPERATIVE PROGRAM funds. Pray for all the ministries supported through the COOPERATIVE PROGRAM - for those who lead these ministries and for those who are reached by them.

Association Board and Executive Committee Actions Report

EXECUTIVE COMMITTEE - AUGUST 15, 1988

Howard Candler, association treasurer, made a motion that we borrow $5,000 from our present balance of $24,000 in the CD account - this would be used for survey fees, attorney fees, air conditioner for the association office and to reimburse Robert Kinser for a binder fee that he had paid on the Hazel Mill property. The motion was seconded by E.S. Morgan and passed.

A motion came from the Constitution and Bylaws Committee, Foyd Bennett, chairman, that we approve the Bylaws of Buncombe Baptist Association, Inc. Kenneth Ridings seconded the motion. James Johnson brought an amendment to the motion in regards to Article V which states that "Those present at a meeting of the Directors shall constitute a quorum." He moved that *"those present"* be changed to read *"A majority* of Directors at a meeting shall constitute a quorum." This amendment was seconded by Frank Hopkins and the original motion with the amendment was presented for a vote and passed.

The third item was about borrowing money to purchase the property on Hazel Mill Road.

Three banks had been contacted with the following offers: First Citizen, prime rate plus one percent; Wachovia, prime rate plus one-half percent; and First Union, prime rate. Howard Candler, association treasurer, made the motion that we borrow the money from First Union. Foyd Bennett seconded the motion and the motion passed.

EXECUTIVE COMMITTEE - OCTOBER 3, 1988

Edgar Ferrell, chairman of the Finance Committee, presented the 1989 budget and moved its approval. The motion passed.

Kenneth Ridings made a motion that a committee be named to study the best course to take in regards to the house (should it be torn down, moved, etc.) located on the Baptist Resource property. The motion passed. The moderator named the following committee to study the possibilities concerning the house on the Hazel Mill property: Kenneth Ridings, chairman, Joe Hester, Jim Weaver, Fred Werhan and Carson Moseley.

Cheadle Sign Co. had given an estimate of $870.00 for the construction and installation of a 20 foot long, eight foot high sign which would be ereceted eight feet off the ground on the Hazel Mill property indicating that the Resource Center would be built there. Fred Werhan moved that the sign be made and erected. The motion passed.

Bob Kinser, chairman of the Site Location Committee, brought information about a piece of property adjoining the Hazel Mill property that had become available. Approximately one-half acre, the total cost would be $16,000. A total of $8,000 would be paid at closing on November 30 and $7,000 would be paid in 18 months at 10 percent interest. A total of $1,000 (not in contract) would be paid to the real estate agent. Joe Hester moved we buy this property and the motion passed.

EXECUTIVE COMMITTEE - NOVEMBER 28, 1988

Carleton Collins, architect for the new Resource Center, presented schematic drawings and a model of the center for consideration. After suggested changes for rest room locations, Dr. John Hewett moved that the committee approve the drawings with the suggested changes. The motion passed.

Howard Candler, treasurer, brought a recommendation that $11,000 be withdrawn from the CD certificate to be used as follows: $7,900 closing on new property; $1,000 real estate fees; $296.10 attorney's fee; transfer of deed and deed search, $1,869.29; and interest due on $73,950 loan for original property. The motion passed.

Gayle Brown, Director of Missions, recommended that January 8 be designated as the day to promote the Resource Center and to distribute commitment cards. Harry Sherwood from Wingate College brought the information that Wingate College is in the process of requesting that they be allowed to change the name of the college to Cannon-Wingate University. He urged support of this when presented for vote at the Baptist State Convention meeting in November.

Larry Sprinkle, chairman of the Nominating Committee, nominated Jim Weaver, pastor of Arden, to serve as Moderator of the association. The floor was opened for other nominations. There being none, Jim Weaver was elected as our new Moderator. The name of James Johnson was placed in nomination to serve as Vice-Moderator. With no further nominations, James Johnson, pastor of West Asheville, was elected as Vice-Moderator. Larry moved the adoption of the rest of the Nominating Committee report and the motion passed.

Gayle Brown, in the absence of Charles Phillips, chairman of the Membership Committee, presented their recommendation that the Asheville Korean Church, which had been under watchcare for the past year, be received into full membership of the association. The recommendation was approved.

The Association at Work information was brought by Dee Shaw Foreman, Director of Church Development, and Carolyn Charles, Director of Church and Community Ministries. Dee referred to program reports and introduced directors and chairmen of councils and committees - Sunday School, Church Training, WMU, Brotherhood, Music, Seminary Extension, and Youth Coordinating - each of whom spoke of their work in the association. Carolyn praised the work of her council chairmen and the many volunteers who minister in the areas of singles, senior adults, resort ministry, multifamily housing, family prison ministry, literacy, and summer missions.

The State of the Association was presented by Gayle Brown, Director of Missions. He said that the state of Buncombe Association had already been told by reports from the chairmen and directors of the various councils and programs. He referred to the digest of church letters in the Book of Reports and noted that we were ahead in most areas but we were challenged to do better. He read Galations 4:4 and stressed the urgency of time. Buncombe Baptists are at a critical time of moving out and forward with the building of the new Buncombe Baptist Resource Center. He urged support of all churches in this effort.

The hymn, "I Love Thy Kingdom, Lord," was led by Allen Cantrell. Howard Candler, treasurer, presented the financial statement for January-September 1989. The budget for

1990 was presented by Edgar Ferrell, chairman of the Finance Committee, who moved its adoption. The budget was approved.

Foyd Bennett, chairman of Place and Preacher Committee, announced that the association would meet on October 10 and 11, 1990, at Westwood and Newfound churches. Preacher would be Larry Sprinkle with Larry Holloway as alternate. The report was adopted.

Resolutions of appreciation to host churches and annual meeting program participants were brought by Aubrey Folk, chairman of Resolutions Committee. (Resolution printed at end of proceedings.)

Two changes in the constitution were brought by Foyd Bennett, member of the Constitution Committee. (1) Article X, Section 4 which stated that "no chairman of any Standing Committee may succeed himself more than one time" was changed to "no chairman may succeed himself more than one time unless asked and approved by the Committee on Committees." (2) Bylaw IV, Section 24: The Long Range Planning Committee composed of nine members was changed to the Association Strategy Planning Committee composed of five members. The changes were approved.

Margaret Stamey, representative for the Cooperative Program, brought an informative and challenging message about the Cooperative Program. Nancy Curtis, Executive Director, Woman's Missionary Union, North Carolina Baptist State Convention, was speaker for North Carolina Baptist agencies and institutions.

The hymn, "Redeemed, How I Love to Proclaim It," was led by Jim Burnette.

Rev. Lloyd Wolfe, chairman of the Memorials Committee, remembered the 260 members who had passed on since the last annual meeting. This number included three ministers, nine deacons, and one retired missionary. Rev. Wolfe made the motion that the 1989 annual be dedicated to the following: Mrs. Mary Ellen Garrett, retired missionary, Ridgecrest Baptist Church; Rev. Milburn Parham, member of Liberty Baptist Church; Rev. Horace Smith, member of Calvary Baptist Church; and Rev. J.C. Wright, member of Grassy Branch Baptist Church.

Art Fowler read the scripture from II Timothy 2:1-6, and after special music by the Oakley Baptist Church adult choir, Rev. Frank Hopkins, pastor of Barnardsville Baptist Church, brought the annual sermon. The church and its mission was the theme as he said that we get so busy about some things that we neglect the things that we should be doing. He stressed the necessity of prayer and that when we recognize that God has given us something to do we will set our priorities - first things first as we commit ourselves to the task.

Rev. Derrill Smith led in the prayer of commitment and dedication.

Words to Special Music

"THEME SONG" (Composed by Leonard Clayton)
Tune: "Battle Hymn of Republic"

We have watched our Baptist leaders
plan our local mission field.
They have prayed and worked together
for the plan that God revealed.
Now, let's build to honor Jesus and
let's praise His holy name.
Rise up and build for him.

Chorus:
Rise up, build this resource center
Christ has blessed us with His splendor.
Let us join our hearts together
This temple will be His!

Tune: Rise Up Men of God

Rise up to meet the need
God has called us to the task
We must not falter on the way
Rise up - this is the day!

HYMN: "Churches in Association" (Hamrick)
Tune: "Come, Thou Fount of Every Blessing"

Churches in association,
Freely joined in one accord;
Linking hearts and hands together,
Reaching out to share His Word,
Guided by the Holy Spirit,
Ever heeding Jesus' call, ,
Dreaming, planning, teaching, doing,
In association all.

A Resolution of Appreciation

Auditor's Report

Dear Sir:

We have reviewed the financial records of the Buncombe Baptist Association for the period ended January 1 to December 31, 1988.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the financial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

William W. Stewart, Accountant

Director of Missions Report

As we reflect over the past year concerning the Buncombe Baptist Association, we can be thankful for God's presence and guidance. Many lives have been touched by hundreds of Buncombe Baptist people who have given of their energy and time through ministry and volunteerism. We can be assured lives have been changed, hope given, and new directions have come about as a result of Buncombe Baptists sharing their faith.

I am grateful to all those who give of themselves as leaders in this great association. It would be impossible to name each one, but God knows them by name. I am convinced God will continue to bless those who are obedient and faithful in His service.

Many good things have happened in the Buncombe Association this past year. One of the highlights was the Associational Strategy Planning process which began early last spring. Many pastors and lay people were involved in the process, attended the ASP Retreat, and made important contributions to the work. We came out of the retreat with a purpose statement for our association, priorities, and four main objectives. (I refer you to the Association Strategy Planning Report in this Book of Reports for your review.) Many thanks to all who participated and to those who will help to implement those objectives with action plans. Special thanks is given to Rev. Harold Savell, Association Strategy Planning Chairman, and Leslie Huff, Associational Strategy Planning Retreat Consultant. The work of this fine committee will "set our course" for the next three to five years!

The Buncombe Baptist Resource Center project continues to move forward. Many good things are happening in this area of ministry and work. Our new property is paid for, our architect is working on the drawing documents, and our Building Committee is in place. We are continuing to work on raising the "cash flow" to $150,000 so we may break ground for the new Resource Center. God has blessed us in so many ways and will continue to see us through the project. In the coming months we will be working toward "major" gifts from individuals and encourage our churches to continue to respond to Phase II of the capital funds campaign (one percent of last year's undesignated offerings to the Resource Center). I appreciate the fine leadership of Glenn Wilcox, Leonard, Clayton, Bob Kinser, Shirley McIntosh, Glenn Stroud and Steve Pressley. Continue to pray that God will "open doors" that finances will be made available to move forward with the project.

The associational staff continues to be faithful in all areas of ministry and work. I am very appreciative to Betty Orr, Dee Foreman, Carolyn Charles and Nancy Owen for the fine job they do in their respective fields of ministry and service. The Executive Committee recently voted to buy "computers" which will be of invaluable service for the secretary and financial secretary in their work dealing with mailing lists, locating certain leaders, and financial record keeping. We are thankful for the Computer Committee which guided us in this process - Rick Ramsey, Chairman, Gary Schmeider, Kathy Dowdle and Ted Evans, Home Mission Board Consultant.

The future looks bright for the Buncombe Baptist Association. Even amid the SBC controversy and diversity of Buncombe Baptist churches, the fellowship and spirit among Buncombe Baptists is strong. I like the statement of purpose of our association worked out by Buncombe Baptists and for Buncombe Baptists. "THE PURPOSE OF BUNCOMBE BAPTIST ASSOCIATION IS TO PROMOTE UNITY, FELLOWSHIP, AND COOPERATION AMONG THE FAMILIES OF BAPTIST CHURCHES IN BUNCOMBE COUNTY, AND TO PROVIDE RESOURCES, OPPORTUNITIES AND COORDINATION IN

LEADING THE CHURCHES IN ACHIEVING THE MISSION OF CHRIST THROUGHOUT THE WORLD."

Church and Community Ministries Annual Report

This past year was a good year for Church and Community Ministries. The number of volunteers working through the existing ministries has increased, with new ministries added for the first time. The CCM Director led seven conference presentations on Church and Community Ministries covering many areas of church awareness, missions training for both local church and association work, and the development of CCM strategies and goals for mission ministries. The director participated in a World Mission Conference in Baltimore, Maryland. She not only told them of our work in the Asheville area, but was able to help them incorporate some of the ideas into their work.

The entire Association responded to the needs of South Carolina after Hurricane Hugo hit. A large tractor trailer and a van load of supplies (collected by our churches) were delivered to Northbridge Baptist Church in Charleston for distribution. Several churches responded with work teams. Those known were Arden, Merrimon Avenue, Skyland, Mount Carmel, Mountain View and Asheville First Baptist. Additionally, over $40,000 was sent from our Association.

Almost all of our Churches have CCM Contact persons. These people not only do a fine job of reporting the mission projects from their church, but keep their church informed of additional mission projects they could participate in. The CCM Director gave training for these persons.

We should be proud of the work God has allowed us to accomplish through the following ministries:

FAMILY PRISON MINISTRIES

- Five hundred children of inmates at the Hendersonville, Hazelwood, Burnsville, Craggy, Buncombe County Correctional Center, Black Mountain Women's Center and the children at the Juvenile Evaluation Center received Christmas toys and a Bible because you gave. Thirty-five churches and several individuals participated. The mother or father (serving in prison) was able to give these gifts to their children.
- Chaplain Wayne Morrow met with families of inmates on Saturdays for worship and ministry for special needs.
- Transportation for honor group inmates furnished for a week.
- Visits made to inmates' families at home and in the hospital.

SINGLES

- A volleyball tournament was held at First Baptist Asheville with six teams participating (Trinity, 1st; Asheville First, 2nd; and Oakley, 3rd).
- Fifty singles gathered for an annual picnic at Lake Julian Park on June 2 enjoying games and good food.

SENIOR ADULTS

- Pole Creek sponsored a trip to Waccamaw (April) and invited other churches in the Enka/Hominy area.
- The Annual Picnic was held on June 28 at the CP & L shelter at Lake Julian with 115 attendees. Little Pigs catered the barbecue and Victory Baptist performed the musical "Saints Alive in Prime Time."

INTERFAITH WITNESS

• Twenty-five conferences were led by our interfaith speakers on New Age, Mormanism and Jehovah's Witnesses. On July 11 Tal Davis and Bill Gordon, Home Mission Board Interfaith Staff, spoke at Biltmore on Satanism.

MULTI-FAMILY HOUSING

• Big A Clubs were held weekly at Westbrooke Village with an average of 15 children. This work was led by BYW of Edgewood Baptist with assistance from Sunrise Baptist.

• Pisgah View Big A was begun with ten Mars Hill students teaching 30 children each week. Rose Morford also worked at Pisgah View ministering to family needs of residents.

• Fruit baskets were distributed to 51 families at the Spruce Hill Apartments during the Christmas season.

LITERACY

• Irma Jean Reedy was recognized by North Carolina as Volunteer of the Year for 1989.

• Workshops in conversational English, literacy, and basic reading were held during the year with more than 50 attending.

• Our association leaders led a workshop in Morganton in March with 12 attending.

• Between 30 and 40 persons tutor about 200 hours each month on a one to one basis. At least 13 of these teach conversational English.

• A reception and recognition for all Buncombe County Literacy tutors was held April 8 at Beverly Hills Baptist Church. Jane Rowe was recognized as volunteer of the year. Twenty-five tutors and volunteers attended.

• Twenty-six tutors and students attended a wonderful picnic of fun and fellowship at Newbridge Baptist Church picnic shelter on September 15.

CHRISTIAN SERVICE CORPS VOLUNTEERS

• George and Brenda Chambers gave two weeks of service in Asheville. They worked in two apartment areas doing survey work, Bible studies and assisting with Big A Clubs.

• Mrs. Thelma Bowman of Ridgecrest and Orangeburg, SC, assisted with instrumental music for the campground worship services this summer.

• Mrs. Polly Blalock of Ridgecrest and Silver Spring, MD, began in March and continues to serve one day a week as secretary for CCM.

SUMMER MISSIONS

Four college students worked this summer in weekday and resort ministry. They were: Shay Berthelson and Walter Allen from Mississippi, Jennifer Roberts from Kentucky and Aimee Bigham from Tennessee. They were an excellent team leading day camps, puppet shows, clowning, campground worship, choir camp, Vacation Bible School, and GA and RA Camps.

• WEEKDAY MINISTRY: Weekdays were filled with day camps using Bible stories, games, songs, puppets and clowning. Churches were assisted in establishing new ministries through Vacation Bible School in trailer parks and Children's Choir Camp. Very special time was spent sharing God's love with severely handicapped and mentally retarded children and adults. Clowning and puppets were used to communicate God's love. A very wide variety of children were ministered to - some raised in Christian homes knew much about the Bible, some had never sung "Jesus Loves Me." Some children understood nothing that was said or done but laughed at the clowns and puppets and knew before summer's end that they were loved. Over 1,500 children were touched this summer.

• CAMPGROUND MINISTRY: Each Saturday was spent visiting campground guests to tell them about Sunday worship. In visiting, a time of sharing Christ in conversation was possible. Each Sunday, the students assisted Grovestone Baptist Church volunteers with worship services by leading singing and presenting special music, and preaching. Average attendance each week was about 30 with a summer total of 256 campers. CSC volunteer Thelma Bowman greatly assisted them during worship by playing at the keyboard.

• GA AND RA CAMP: Girls from the student team were counselors during GA Camp while the boys were recreation leaders and lifeguards. During RA Camp the girls led the crafts while the boys were lifeguards, counselors and recreation leaders. Four professions of faith and 34 rededications were made at GA Camp; 14 professions of faith and 13 rededications were made at RA Camp.

RESORT AREA

• REST AREA I-26 EAST AND WEST: a first time for Buncombe Baptists. This ministry was welcomed by our churches - and from comments of persons passing through, much appreciated by them. This was done on two holiday weekends from 6:00 P.M. Friday until 6:00 P.M. Saturday. Churches staffing our welcome booth gave out coffee, Pepsi, Bibles, tracts, balloons and friendly conversation.

• APRIL 13-14: Thirteen churches participated taking four-hour shifts for the 24 hour period. Hundreds stopped during their Easter travel. They asked questions, discussed their destinations, placed a pin on a map indicating their home, and gave kind words and praise for the ministry.

• JUNE 29-30: Twelve churches served between 5,000 and 6,000 travelers that hot July 4 weekend. Again coffee, Pepsi, Bibles and tracts were given. Conversation and Christian witnessing took place as directions were given. One man expressed surprise that Baptists did this sort of thing. It was a real pleasure to be able to tell him that this was only one of the many ministries that we do. As a commuter from Spartanburg for job training on a daily basis, this young man expressed a desire to attend a Baptist Church if a job change brought him to Asheville. Over and over we heard "This is wonderful, thank you so much. . . ."

• BUNCOMBE COUNTY FAIR: Buncombe Baptists were well represented at the first county fair in over 30 years. Three areas of ministry were presented:

The Disaster Van owned by NC Baptist Men was on site for show and tell and service. At least 1,500 people were given ice water or coffee and a tour of the van. On Wednesday morning some 250 VIPs who were responsible for the fair were served breakfast from the van - prepared by some 40 of our volunteers. On Thursday morning 150 carnival workers received breakfast. The workers commented on how much they appreciated the breakfast and said "No one has ever done anything like this for us, thank you." Men from WNC Rescue Mission set up tables and chairs, Shoney's catered several items, the fair planners assisted with the cost, and Rev. Dick Eley, former pastor of Reed Memorial gave a devotional message on Thursday morning.

The new $250,000 Medical/Dental Van owned by NC Baptist Men probably gave the greatest witness and service. Approximately 2,500 people were served ice water and informed of the van's services. Thirty patients were served by three local dentists assisted by five dental assistants and one dental hygienist. Several nurses were on hand for blood pressure checks and other tests. Biltmore Baptist Acteens provided stuffed dolls to comfort children visiting the van.

The interfaith booth was the third area of ministry. On display were pictures of our Association work. Volunteers were there to give Bibles and tracts, to discuss our mission work and to witness. Over 1,500 people were served orange drink. At least 1,000 tracts and several Bibles were given. Members from 35 churches in Buncombe Association came by and many said, "We did not know we were doing so many ministries."

Overall, at least 5,500 people were ministered to by some 125 members of 15 churches in Buncombe Association. What an opportunity for missions awareness and sowing seeds.

NEW HOTEL CHAPLAIN-ON-CALL MINISTRY

• Responding to a request from the Comfort Inn on Brevard Road the "Chaplain-on-call" began. Pastors in West Asheville and Candler responded to the need.

Church Development Annual Report - 1989-1990

The "Church Development" phase of our Buncombe Baptist Association work includes Sunday School, Discipleship Training, Music, Brotherhood, Woman's Missionary Union, Media Library, Seminary Extension and the Youth Coordinating Committee. The importance of this work is immediately apparent as these are the divisions found in the local church, and the greater portion of the local church's time and energy are spent working through them.

Why were these programs organized? What are their areas of responsibility? Why should we as a group of ninety-two churches be concerned with perpetuating and strengthening them? Upon the heels of these questions come other questions: ARE we perpetuating them? ARE we strengthening them? How can we make this phase of our work together stronger?

"Divide and conquer" was the underlying concept in forming church programs. It is evident that the full responsibility for winning persons to Christ and nurturing them in the Faith had to be divided with certain groups taking portions of responsibility. Therefore, the Sunday School became the OUTREACH ARM of the church REACHING OUT to the lost and providing BIBLE STUDY. Discipleship Training (known by many other names over the years) was assigned the task of developing Christians in living out the Biblical concepts. Many skills in living have been learned through this organization such as using the Bible, speaking in groups and public, delving into life's problems for Christian principles, and on and on. Music transcends all boundaries and becomes a part of all programs. The music program provides worship of our Lord through all forms of music - voice, piano, organ, bells, orchestra instruments, etc. Brotherhood and Woman's Missionary Union provide the emphasis on missions for all age levels. The Media Library undergirds all programs. It provides resources (both material and people) that enrich all studies, both personal and group.

These are simplistic outlines of the tasks of the programs and committee, but they serve us in this discussion to see the primary thrusts.

Our second set of questions call for observations, soul-searching and decision-making. As an Association we are doing our best to perpetuate these programs by informing, teaching and encouraging. Councils and Committees have been formed and staffed to strengthen them. We can make this phase of our work stronger by having MORE PEOPLE agree to HELP DO THE WORK. There is work involved. However, the people who have done the work in the past have found that their own abilities have been strengthened as they "learn and do."

Will you determine that this is the year for YOU to use YOUR ABILITIES in the work of the Church Development of Buncombe Baptist Association? This is a great level on which to work. We, as local churches, know each other and can help reach each other's needs. Let's join together in an even stronger bond of Christian work together.

My appreciation goes to all the countless persons who have joined together to further the cause of Christ through Church Development.

In Christ's love,
Dee Foreman, Director
Church Development

Sunday School Report

Buncombe Baptists had a lot to thank God for in Sunday School during 1989-1990. Among the large Associations in North Carolina, Buncombe Baptists showed the largest percentage increase in Sunday School enrollment. This announcement along with recognition was made recently at Ridgecrest. Congratulations to all the churches and Sunday School workers in Buncombe Baptist Association!

To help encourage this kind of effort and ministry among our churches, your Sunday School ASSISTeam offered several training opportunities last year:

- Training for leaders in "Training Sunday School Workers in Evangelism."

- Training at each of our quarterly Associational meetings.
- Training in conducting a "People Search/Bible Distribution" in support of the "Here's Hope" simultaneous revivals.
- Age-group training for local church leaders in Vacation Bible School.
- Associational training of Sunday School leaders as a part of "Sunday School Preparation Week."
- Specialized training in many of our local churches.

Your ASSISTeam is grateful for the opportunity to serve with you in reaching people for Jesus Christ.

Beginning in 1990-1991, Buncombe Baptists will join Southern Baptists everywhere in the "BREAKTHROUGH" years. BREAKTHROUGH 1990-1995 is the Sunday School expression of the Southern Baptist Convention theme of "Share Heritage and Hope." If we are to share heritage and hope in Christ with a lost world, there must be a spiritual BREAKTHROUGH in our churches and Sunday Schools. For 1990-1991 our emphasis will be BREAKTHROUGH. . . Reach to Win! Harry Piland says,

> "BREAKTHROUGH growth can occur in Southern Baptist churches and Sunday Schools. It will not come through our power. To the early Christian, life's supreme reality was the presence of the Holy Spirit. His presence, the essence of power. Is it any different with us? When His presence and power come, we can do His work. When we witness to the lost, minister to the helpless and needy, when we teach His Word, we are not alone, for He is with us. That is the way of BREAKTHROUGH. We must depend upon His power and His Spirit - it is then that BREAKTHROUGH will come."

Discipleship Training Report

DiscipleshipALL: Discipleship Training for All Members has been the major thrust for Discipleship Training during 1990-91. I Peter 2:4-5 states "Come to him, to that living stone, rejected by men but in God's sight chosen and precious; and like living stones be yourselves built into a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ." (RSV) Since every believer is a priest of Jesus Christ, all need to be trained in personal discipleship and prepared for ministry.

The Buncombe Baptist Association Discipleship Training Council received annual training from the North Carolina Baptist State Convention in November of 1989. This training was then used in planning the future activities and presented to local churches through the Quarterly Meetings and training conferences.

Sixteen churches joined in the "M" Night awards, presentations, recognitions, and motivational materials. Each person should plan to join in this celebration and training on November 5, 1990. Achievement forms have been sent to each church, and tabulations will be made from them and the Church Uniform Letters to determine the recipients of the awards.

A "Salt and Light" study was held in May with Carolyn Charles as leader encouraging Christians to make a difference in this world. Leaders were trained to teach "Training Sunday School Workers in Evangelism" in the local churches.

As usual, Children's Bible Drills and Youth Bible Drills/Speakers' Tournament were valuable training for our upcoming generation. "Train up a child. . ." with the best tools available. Call the state Discipleship Training office at 1-800-395-5102 for the materials needed for the 1991 Drills and plan now to enter your children and youth.

As outgoing Director of Discipleship Training, I want to encourage you and your church to make the most of training that is available in our area. We have Ridgecrest Conference Center in our association, and many opportunities are available there. Perhaps you can plan now to take a van full to Discipleship Training Week next summer.

If your church does new member training, individual improvement studies, Doctrine Study, or ANY training, your church is having Discipleship Training. We want you to know what it is, and we want to join you in accomplishing all you are capable of doing.

BUNCOMBE BAPTIST ASSOCIATION

October 1, 1989 - September 30, 1990

This has been a good year in WMU work in Buncombe Association. We have work in 57 of our 92 churches. Fifteen of our churches started one or more of mission organizations this year.

In November we observed the Baptist Women's World Day of Prayer in each of our districts throughout the association. We joined hands with Baptist women in prayer and fellowship around the world in some 500 countries. This is sponsored by the Baptist Women's Division of the Baptist World Alliance. There was a total of 232 attending the services with 30 + churches involved. The offering was $372.54 which will go to help Women's Work of the Baptist World Alliance in many countries.

In December our churches gave gifts for the Christmas boxes for the women in the Correctional Center at Black Mountain. Under the direction of Mary Powell, Mission Action-Personal Witnessing Director, individual boxes were prepared for each of the 50 inmates. Also large boxes were taken to the Western Carolina Rescue Mission and the Swannanoa Evaluation Center to be divided among the people in each of these places. Also many of our WMU members participated in the toy collection for children of prisoners at Craggy and other prisons in the area.

We have good reports of the Lottie Moon Christmas offering in the churches with most of the churches going over their goals. As of January 5, 1990, North Carolina Baptists had given $10,165,387 to this offering. This is the most that has ever been given by North Carolina or any other state in one year! Praise the Lord for this!! Several of us taught the Foreign Mission Study and the Home Mission Study in our churches during this past year. We also had good reports from the Annie Armstrong Easter offering.

WMU Focus Week was observed in the churches in February. It was my privilege to speak at the 11:00 a.m. service in one of our churches as they observed Baptist Men and Baptist Women's Day in the church. It was a good occasion. They had a lady speaker and an all men's choir led by a lady.

In March the State WMU Annual Meeting was well attended by ladies from Buncombe. Our Associational WMU Council was the Local Arrangements committee and did an excellent job!

In April we were all busy with "Here's Hope" revivals in our churches. We were also making plans and meeting with groups and individuals planning our Associational Annual WMU Meeting. This Annual Meeting was held at the Westwood Church. The theme was "Reach, Teach, and Touch." Good program and good reports were given. The missionary speaker, Mrs. Harriett Parker, was excellent as she told of the work in Japan. She and her husband served in Japan for 38 years. We appreciate the wonderful hospitality of the Westwood people. Key Leadership was also held at Ridgecrest in May.

In June the Baptist Women held a prayer retreat at Lake Junaluska with good attendance. Rev. and Mrs. Harold Blankenship, missionaries to Morocco and Libya, led in an excellent

program of prayer and spiritual awakening. Also in June WMU Week at Ridgecrest was attended by ladies from some of the churches in the association.

GA Camp was held at Camp Bear Walla July 9-13. This is always a good experience for the girls. There are always around 100 girls and leaders attending and many make decisions for the Lord during this time. In July also, our WMU Associational Officers attended the officers training at Fruitland.

WMU ladies in the churches serve lunches each Monday for the BSU students at UNC-A and have the program once a month at the WNC Retirement Home. They also serve in Nursing homes with programs, Bible Studies, etc., ABCCM, Western NC Rescue Mission, Children's Home, Maternity Home, and others as well as projects in their church communities.

Our WMU Council met four times this year for planning, evaluation, etc. We have a good council that stands ready to be of help to any of our churches when they are needed.

During this year we have been preparing for the World Missions Conference which will be held in October of this year. WMU and Brotherhood will sponsor a Missions Fair during this time. We will also feed around 85 International students one night at Mars Hill College in October.

In closing, I quote again from my late husband. He used to say, "The light that shines the farthest around the world shines the brightest at its home base." The stronger we are in Missions-Evangelism in our churches , the farther the light will go around the world. We thank God for all of our mission work!!

GA Report

I have served several years as GA Director and I believe each year gets more challenging and enjoyable. I consider it a wonderful opportunity to serve the association.

As GA Director, I attended the associational workshop in July at Fruitland. I taught the GA Manual twice during the year and I taught the Home and Foreign Mission studies for children.

The biggest event of the year was GA Camp at Camp Bear Walla last July. Sixty-nine people attended the camp. There were many decisions - four professions of faith in Christ and 34 rededications. The girls learned about clowning ministry missions at home and in foreign countries. Steve Harris, our camp pastor, taught the Bible study each day. The girls enjoyed many outdoor activities such as swimming, hiking and ball. We were especially blessed this year in having the student missionaries working with us as counselors, lifeguards, and recreation leaders.

Our next camp is scheduled for July 8, 1991, at Bear Walla. I hope many girls will be able to attend the camp this year. I also hope more adults will be able to go as counselors. It is a wonderful way to minister to our girls.

Peggy Henderson serves as Associate GA Director and will be planning and leading the activities during the year. She welcomes input from church GA leaders in ideas for events. Peggy's enthusiastic leadership will help us in accomplishing even more than in the past. If we can serve you or your church in any way, please feel free to call us. We enjoy working as your GA Directors.

Edwina Messer, GA Director

Brotherhood Report

This year has been wonderful and men and boys in our Association have ministered in a variety of ways. We have seen God working in a very special way in the lives of men and boys. There is a definite excitement, on the part of our men and boys, about serving God in missions. This year we have seen a strong interest in being involved in God's work. The future looks bright for God's people to involve themselves in the opportunities which God will present to us.

During this past year the Brotherhood Council and the RA Committee have worked to coordinate and assist in conducting various mission projects and activities. Following are some of the activities which were conducted:

(1) Assisted in promoting Baptist Men's Day which was on January 28.
(2) The Brotherhood Council conducted six (6) regular planning meetings.
(3) Several men attended the Regional Baptist Men's Conference which was held on May 5 at the First Baptist Church in Canton.
(4) Four quarterly leadership conferences were conducted.
(5) Several members of the Council and the RA Committee attended various training meetings, Baptist Men's Convention and the NC Baptist Men's Board Meeting.
(6) Supported the Rest Area Ministry which was conducted on April 13 and 14 (Easter Holiday) and June 29 and 30 (Fourth of July Holiday). This ministry was conducted on I-26 near the Asheville Airport. Many of our Baptist Men involved themselves in this ministry. This ministry has proven to be very exciting and rewarding.
(7) Assisted in promoting and supporting mission trips to Poland and Brazil.
(8) The RA Committee, under the leadership of Rev. Steve Harris who is our Association RA Director, conducted, among other activities, the Crusader Car Competition, Association RA Track Meet and RA Camp. For more details on these activities please see the RA Report. I want to say thank you to Steve and his committee for all their hard work and dedication in carrying out these activities for our boys.
(9) Mission project at the Buncombe County Fair which was September 5 to 8.

The highlight of this year, for our men, was our involvement in the Buncombe County Fair. This was the first fair in Buncombe County in over 30 years. The Lord presented us with a unique and wonderful opportunity to serve Him and others. Many months of planning went into carrying out this mission activity. There were over 100 volunteers, including many women of our Association, that served in this ministry. We had the NC Baptist Men's Disaster Relief Van and the Dental and Medical Van which we used to minister to persons at the Fair. The Disaster Relief Van was utilized to prepare two breakfast meals (which served approximately 450 persons) for the fair workers and the leaders of the fair project. On Thursday morning we were able to have a special devotion time with the fair workers. The Medical and Dental Van was utilized to provide medical services to 58 persons. Also, we provided free blood pressure checks and water to fairgoers. Both the Medical and Disaster Relief vans were open each day to the fairgoers for tours. We were able to share with thousands what NC Baptist Men are doing. There were many opportunities to minister and share the gospel with individuals. I would like to say thank you to all the individuals that assisted with this project. God blessed all of us in a great way.

Stacey Harris is our new High School Baptist Young Men Director. He and his committee have been working hard planning upcoming activities for our young men. We appreciate Stacey's commitment and dedication to the Lord's work and his willingness to serve others.

As we start a new year I encourage all of our men and boys to commit themselves to serving God. The Lord needs us to be involved in His work in order to reach out to others. Without a doubt God will present us with many opportunities to serve. It is up to each of us to listen to God's call and take advantage of the opportunities He provides to us.

Wayne Higgins, Director
Association Brotherhood

RA Camp

RA Camp was a very rewarding experience for the RAs from Buncombe Association as well as those RAs we had at camp from First Baptist Church, Hartsville, South Carolina. The total at camp was 57 which was an average of eight boys for six cabins. The close association with personal interaction for a week produced lasting, meaningful and rewarding relationships for all involved.

The mission studies for camp this year were provided by Marshall Blankenship, First Baptist Church, Swannanoa, and Gayle Brown, Missions Director for Buncombe Association. The summer student missionaries described volunteer missions programs provided through the Southern Baptist Convention.

The campers enjoyed times of fun which included swimming, canoeing, athletic events and crafts of various kinds. They enjoyed times of inspiration and encouragement through daily Bible study, singing and prayer time as well as personal devotion time.

The evangelistic emphasis as well as Bible teaching each day was led by Rev. Danny Hampton, First Baptist Church, Hartsville, South Carolina. This year God blessed us with 14 decisions for salvation and many rededications.

God has used Buncombe Baptist Association to provide an opportunity for RAs to experience summer camp for 12 years. My prayer is that God will continue to provide this opportunity through Buncombe Association.

Steve Harris, Camp Director
Associational RA Director

Music Council Report

Music is one of so many wonderful gifts given to us by our Creator. God has instructed us to use this gift in praise to Him. God's word tells us "Sing unto the Lord a new song and His praise in the Congregation of the saints. . . .let him sing praises unto Him with the timbrel and harp."

As the Music Council of Buncombe Association we continue to seek to praise and proclaim the name of our Lord through the medium of music.

During the past year we have planned and implemented many activities that we are praying have been used for God's glory.

Listed below are some of the highlights of those activities:

OCTOBER 9-10, 1989:	Planned and coordinated music for the associational Annual Meeting.
DECEMBER 2, 1989:	Associational Adult Choir presented four concerts at Biltmore House.
FEBRUARY 9, 1990:	Hosted Men's Choir from Sao Paulo, Brazil, as they presented a concert at Calvary Baptist Church.
MAY 17-19, 1990:	Associational Youth Choir Retreat at Pigeon Forge, Tennessee. Guest Director L.C. Lane, Minister of Music, First Baptist Church, Newnan, Georgia.
MAY 20, 1990:	Youth Choir Concert, Ridgecrest Conference Center - 150 voice choir presented "Who, Me?" (a youth musical)
JULY 16-19, 1990:	Associational Children's Choir Camp at Calvary Baptist Church. Guest Director Barbara Sanders from Nashville, Tennessee. Musical "Good Morning, Morning" was presented by the children's choir in concert on July 19.
AUGUST 24-25, 1990:	Adult Choral Clinic. Approximately 65 adults participated. Anna Laura Page, clinician, organist and composer was guest director. Concert was presented on August 26.

It's been a busy year, but a very good one. A hearty thank you goes to each member of the Music Council for all the combined efforts. Only a warm spirit of team work could have accomplished all of these projects.

We continue to minister in His Name,
Elaine Gregg, Director, Music Council

Church Media-Library

In the hymn "Count Your Blessings," the words "When upon life's billows you are tempest tossed" are usually interpreted as being problems we confront in life. However, we find that we can be tossed just as high with good events, especially when they come too close together. This is often the case with Media-Library work. The function of the Media-Library creates so many details to be handled that the worker often feels tossed upon the tempest.

The Media-Library In A Church by Mancil Ezell and Jacquelyn Anderson is an excellent tool to help with handling the work of the Media-Library. This book has a 60-minute video available which can be used for study by a group or individual. "Media-Libraries Touching Lives...To Strengthen Ministry" has been the theme for the past year with help being given for group and individual ministries.

The Media-Library is an integral part of each church. Help is available on the associational level for those churches which want to start or improve one. Quarterly Meetings provide a time for workers to get together for helps.

May I encourage more workers to attend these meetings? By pooling questions/information we can be of help to one another.

(Mrs.) Cathryn Kinser
Media-Library Director

Youth Coordinating Committee

This past year our associational Youth Coordinating Committee has been actively meeting to plan and promote youth ministry at the associational level. I wish in this report to commend Dee Foreman, Roger Ward and Susan Ward, for their faithfulness to attend the committee meetings and implement the events planned.

There were two events planned and implemented for our youth this past year. The first was held on Friday night, October 6, 1989. It was a pizza-skate bash held at Skate-A-Round, USA, with 169 youth and 20 adults participating.

The second was held on Saturday, March 17, 1990. It was well attended and hosted by New Morgan Hill Baptist Church in their Family Life Center. The youth participated in a talent show and viewed the film "Thin Ice." It was a good night of fun and fellowship for all.

As outgoing chairman of this committee, I wish to say again, a special Thank You! to all who have worked this year to make our associational events possible and worthwhile.

In Christ,
Carson Moseley

Seminary Extension

A study of ACTS was the most popular course offered through the Buncombe Baptist Center during 1989-90 with 12 persons enrolled. Those who took the course said the Acts study was comprehensive and far-reaching in understanding the early church. The teacher of the course was Miss Sue Fitzgerald, Director, Center for Christian Education Ministries, Mars Hill College.

The center represents a cooperative effort between Buncombe Baptist Association and the six Southern Baptist seminaries to provide ministry training in this area. Our students were part of a student body of more than 7,000 nationwide who took one or more Seminary Extension courses.

More than 75 courses are now available from the Seminary Extension Department. Individuals concerned with strengthening their ministries can take these courses either in an extension center or by correspondence study.

During 1990-91, plans call for two courses to be offered in the fall, with classes beginning September and October and two courses next spring.

In addition to Dee Foreman, Director of Church Development, Buncombe Baptist Association, members of the Seminary Extension committee last year were: Wayne Bennett, chairman, Wiley Bumgarner, Ron Kiser, Kenneth Ridings and Fred Sealey.

Wayne Bennett, Chairman

Baptist Student Union at UNC-Asheville

Life in the Baptist Student Union continues to go very well because of the continued support and prayers of the Buncombe Baptist Association.

On September 9, 1990, we officially dedicated the Baptist Student Center located at 138 Sevier Street. The Center will be carrying the name of Mr. Elmer I. Neese, a very quiet, gentle Baptist layperson from Black Mountain First Baptist Church. Persons on the program represented the various aspects of Baptist and UNCA community life. These were: David Coley, a student and president of BSU; Rev. Gayle Brown, Director of Missions, Buncombe Baptist Association; Dr. Eric Iovacchini, Vice-Chancellor for student affairs; Rev. James Y. Greene, Director, Division of Youth and Campus Ministry, Baptist State Convention; Rev. James Lambert, North Carolina Baptist State Convention; Ms. Joy Jones, Associate BSU Director, UNCA; and Rev. Joe David Fore, Baptist Campus Minister, UNCA. It was truly a great day of celebration in the life of Baptist Student Union and Buncombe Baptists. The Connector between the University and the Student Center was named after Mr. E.L. Davis, a member of First Baptist Church, Asheville, who truly had a missions heart.

The Student Center is being used by a good number of UNCA and area students for worship, Bible study, missions, outreach, studying and fellowship. This year we moved the Monday lunches to the new Center and continue to have between 25 and 30 involved on a regular basis.

There is also a Friday night missions/outreach and fellowship group meeting with around 20-25 students taking part. During spring the BSU sponsored a campus-wide cookout and worship experience when some 200 students and staff turned out. The students are continuing to work with the Big A Clubs, ABCCM, CROP and some local Baptist churches. This past spring semester we sent 12 students to Chicago, Illinois for a week where they worked with street people in soup kitchens.

The Campus Minister has been invited to meet on a regular basis with the Vice-Chancellor for student affairs and his staff which means we are becoming more intently involved in the life of the institution at places that affect the lives of students.

The associational BSU Council, along with the Campus Minister, called Ms. Joy Jones to be the associate BSU Director. Her role and ministry is to be directly involved in the lives of students in helping them to define their ministry through BSU.

Ms. Jones will be working to develop strong student spiritual leadership, Bible studies, worship and personal spiritual growth.

The volunteer directors, Randy Barnett and Eddie Morgan, continue to work along side the students in teaching and training.

Once again we thank the WMU of our association for their continued support and commitment to preparing and serving the Monday lunches.

Joe David Fore, Campus Minister, UNCA

Association Strategy Planning Report

Buncombe Baptist Association - Association Strategy Planning

Buncombe Baptist Association has been involved in Association Strategy Planning for the past 12 months. Excellent leadership from our General Chairman, Task Group Committees, and Retreat Consultant has provided a very informative and helpful ASP experience. Through the entire process there has been a good spirit of cooperation, energy, and commitment given on behalf of all those involved. We got off to an excellent start with orientation given to the Chairman of the ASP Committee and Director of Missions while attending briefing meetings at the Home Mission Board and at Caswell Baptist Conference Center. Our five Task Groups worked hard gathering data and information through the summer months and preparing materials for the ASP Retreat.

On December 1 and 2 the ASP Retreat was held at Broyhill Continuing Education Conference Center on the campus of Appalachian State University at Boone, North Carolina. We had an excellent retreat led by our Home Mission Board Consultant, Rev. Leslie Huff, Director of Missions, Green Valley Baptist Association, Henderson, Kentucky. After presentation and thorough study of the data and information by the five Task Groups, we came out of the retreat with four objectives which will help our association focus our thrust of ministry and programs during the next three to five years. Those objectives are: (1) increase ministry to the family, (2) encourage and implement evangelism in and through the churches of the association, (3) seek ownership of the association ministries and programs by the churches of the association, and (4) develop better ways to communicate among the churches of the association.

HISTORY AND FUTURE

The Buncombe Baptist Association, organized in 1882, is composed of 92 churches in fellowship, on mission in their setting. The purpose of the Association is to promote unity, fellowship, and cooperation among the family of Baptist churches in Buncombe County, and to provide resources, opportunities, and coordination in leading the churches in achieving the mission of Christ throughout the world. In addition to serving Southern Baptist Churches, the association serves and ministers with church leaders of other denominations, community agencies, and minority organizations.

For many years Buncombe Baptist Association has been located in a 2,300 square feet building at 2 Sulphur Springs Road in West Asheville. It has been known by several titles - "The Baptist Building," "Baptist Headquarters," and "Association Office." It is the desire of the association staff, elected association leadership, pastors, and church leaders to move from a "Baptist Building" concept to a "Resource Center" reality! For the past several years the association has been engaged in plans for a new Buncombe Baptist Resource Center that will adequately house and serve the association staff, churches, and church leaders

of our association. In addition, the new resource center will serve churches, church leaders, community organizations, and minority groups of our area in the 1990s and well into the 21st century. We feel a new Buncombe Baptist Resource Center will provide a larger base for ministry in the years ahead. As you read this Association Strategy Planning Report you will readily see that a new facility will readily enhance the many challenges and needs facing Buncombe Baptists. Working and cooperating together as churches, association, state convention, and Home Mission Board we can meet the many needs and minister to thousands of people in the name of Jesus Christ.

Association Strategy Planning Retreat - Findings

OUR STATEMENT OF PURPOSE

Our "Statement of Purpose" Task Group met and first studied our old statement of purpose to see if there was a need to make any changes. After discussion by the members of the Task Group it was decided that we needed to rewrite our statement of purpose on two grounds. First, we felt the old statement was ambiguous in a couple of areas. Second, since we are asking the churches of our association to financially support the building of a new resource center, we wanted our statement of purpose to clearly address the use of such a center. Therefore, our new statement of purpose is as follows:

> "The purpose of Buncombe Baptist Association is to promote unity, fellowship, and cooperation among the families of Baptist churches in Buncombe County, and to provide resources, opportunities and coordination in leading the churches in achieving the mission of Christ throughout the world."

We feel this statement of purpose deals adequately with both concerns we sought to address.

OUR FOUR OBJECTIVES

Our ASP Retreat was led by Dr. Leslie Huff, Director of Missions, Green Valley Association in Kentucky, on December 1 and 2. Dr. Huff did an outstanding job in getting our participants to express their concerns. We spent most of Saturday morning reflecting over our areas of concern in search of meaningful objectives to which we would commit ourselves for the next three to five years. There were 11 concerns that surfaced during our sharing period. From these 11 we chose four which the group felt were the most urgent in our Association at the present. Our objectives are to respond positively to these four areas.

1. FAMILY

   The divorce rate is higher in Asheville than in any other city in North Carolina. The divorce dilemma and children living in one parent homes create problems that must be addressed. The social, moral, and economic problems created by these conditions must be a concern of the community of Christ. Our group felt this must be our number one concern.

2. EVANGELISM

   Evangelism is always a priority need in our area. This is especially true at present. First, because our efforts in evangelism in recent years have been very inadequate and have resulted in a decline in decisions for Christ and baptisms. Also there is a growing influx of people from northern states that are not accustomed to the Baptist witness. Also our group feels we must lead our churches in doing a better job of sharing Christ in multi-family housing complexes since that is projected to be one of the fastest areas of growth in Buncombe County.

3. OWNERSHIP

   In our association there are a lot of small churches. A number of these have bivocational pastors. We have a large number of these churches that do not get involved in association-wide ministries and efforts. From the reports received it was obvious that a major reason was because of the absence of the sense of owner-

ship. It isn't their program. The group felt their participation is exceedingly important and we must work on helping them to feel ownership.

4. COMMUNICATION

This concern is related to the former in some ways. The fact that we have a large association (92 churches), many of which are small with bivocational pastors, makes communication a difficult task. We feel the inability to communicate adequately limits the effectiveness of our associational work. We discussed the need for devising a more effective means of communication with, and among our churches.

CONCLUSION

We feel that if we are able to do a good job in improving our work in these areas we will have laid a good foundation upon which to launch some more extensive efforts in the future.

Summary of Church Study Report

The objective of the church study report is to provide the association with a brief history of the member churches for the purpose of discovering current needs. The Church Study Task Group gathered data from the Associational Minutes in a 10-year time span (1979-1988). For the purpose of this summary report the Buncombe Association statistics are compared to the figures for all North Carolina Baptists.

TABLE OF STATISTICS

	CURRENT STATS	10 YEAR PERCENTAGE CHANGE	
		BBA	BSC
Total Membership	40,803	4% +	5% +
Resident Membership	30,931	2% +	4% +
Sunday School Enrollment	21,050	5% -	2% -
Sunday School Avg. Att.	10,591	8% -	NA
Discipleship Training	4,845	37% +	38% +
W.M.U. Enrollment	3,519	3% -	6% +
Brotherhood Enrollment	1,377	10% -	15% +
Baptism Ratio (Baptisms vs. Other Additions)		6:10	8:10
Total Receipts		79% +	90% +
Missions Giving		82% +	94% +

SUMMARY OF NEED

The statistics show increases in the membership figures and in giving in general. The trend toward decreases in church programs indicates an area of need. Buncombe Baptists appreciate the level of support given by the BSC in the area of leadership training for the church programs. We find that the state could provide greater support in the following two areas. First, in enlistment/motivation for training. Even our greatest asset (Ridgecrest) is not attended well by local church leaders. Secondly, we ask that the state provide BBA with appropriate "models" of other associations that are being successful in the areas where we are weak.

Summary of Population Study Report

The population study subcommittee had as its function "To gather and present the census materials which suggest the demographic profile of the community." To this basic task was added the further step of analyzing the statistics and pointing out the trends and changes in population that will be occuring in the next five years and beyond.

TABLE OF STATISTICS

Buncombe County Population	(1990 @)	178,815
	(1995 @)	185,748
	% CHANGE	3.9% +
Population Change by Age (1990-1995)	0-19	1.9% +
	20-34	3.8% -
	35-64	10.8% +
	65 +	1.6% +

Analysis of census projections indicate that the growth areas of the county will be the traditional "rural" townships. The percentages in economic and racial categories are projected to stay in line with current averages. An additional area of change in the county is in the number of single adults among the population. One prediction puts this number as high as 50 percent in most of the areas BBA serves.

SUMMARY OF NEED

Buncombe Baptist Association's needs involve the growth areas of the county as well as a change in the make up of the family units among the population. The BBA needs an increase in both support and funding for new work. This new work is needed in the areas where the population shift into our rural communities is occuring. The associational leadership will also need support from the state in assisting the existing churches in these transitional areas as they adjust to the new families. An additional area that will require support (and perhaps additional funds) is in the area of non-traditional ministries. Buncombe county is experiencing growth in the number of multi-family housing units and in the number of single persons among the population. To date we have not made much progress in reaching these segments of our county.

Summary of Religious Groups Report

This Task Group conducted a survey showing the number of non-Southern Baptist religious groups in Buncombe County. Also discovered were the total membership of each group and the headquarters of each group. Helpful data was collected so that we might compare church attendance and membership with population studies.

TABLE OF STATISTICS

Total Non-Southern Baptist Churches	200
Total SBC Churches	92
Total Church Membership	90,000 @ 53% of population
Average Weekly Attendance	30,000 @1/3 of members
Total Un-churched Population	88,465
Estimated Non-Attenders (weekly)	148,465

SUMMARY OF NEED

There is a clear conclusion that @ 50 percent of the population claims no church membership, 83 percent are not in church regularly. Growth projections in population studies reveal

areas of need for new churches. These areas of growth are priorities and should be targets for new work. BBA will need financial assistance from the BSC and HMB for new works to try and reach the unchurched. Since a projected 40-60 percent live and will continue to live, in multi-family housing units, these are areas that need to be targeted. Assistance is needed in reaching multi-family housing residents and training churches to sponsor works in these areas. Since Buncombe County employment is largely low skilled and low income, new church starts will need financial assistance to get established.

Social Systems Analogy

Out of the Association Strategy Planning retreat came the need for family ministry. These are areas of need in Buncombe County relating to the family structure.

a. Support to single parents.
b. Support to singles and families in M.F.H. areas.
c. Support for an industrial chaplain, since manufacturing and industry are the largest employers.
d. Need to expand and improve literacy and education programs.
e. Need for Host Homes for families of patients in medical crisis.
f. Low rental or loans provided by church members, shared housing.
g. Drug prevention programs in the church and community.
h. Aids education.
i. Support groups for singles, abused families and individuals, senior adults, and families in crisis.

How can the BSC and HMB assist with these needs.

1. Provide volunteers and funding for new church starts.
2. Provide training and funds for work in multi-family housing.
3. Provide training and funds for industry chaplains.
4. Provide family ministry to help churches sponsor ministries in building healthy family structures.
5. Provide models for reaching persons in multi-family housing settings.

"BLUE RIBBON" COMMITTEE REPORT

Buncombe Baptists have made good progress this past year toward the new Buncombe Baptist Resource Center. We now have the property paid for, the Building Committee is in place, and the architect is in the process of preparing design documents. In addition, we have $20,000 in the Resource Center checking account.

We need to move forward in two areas. Churches which have not responded to Phase II of the financial campaign need to do so as soon as possible. Many churches are developing their 1991 budgets during the months of October, November and December. I strongly encourage every Buncombe Baptist church to give one percent of last year's undesignated offerings to the Resource Center.

In addition, we will be seeking "major" gifts from individuals in the coming months. Perhaps you, or someone you know, will be open to following the leadership of the Lord in making a sizeable contribution to the Resource Center. Plans are being made for persons to give in "honor" or in "memory" of a loved one who has meant so much to the Lord's work and Baptist life in Asheville and Buncombe County.

I wish to thank all members of the "Blue Ribbon" Committee for their continuing interest and involvement in this project. I particularly want to thank Leonard Clayton, "Blue Ribbon" Finance Committee Chairman, Glenn Stroud, Building Committee Chairman, Bob Kinser, Site Location Chairman, and Shirley McIntosh, Program and Ministries Chairman. These leaders, along with committee members, are doing a fine job as we move forward with the Resource Center project.

Associational Missions Development Council

Since the last annual meeting the Associational Missions Development Council has gone through leadership change. Rev. Art Fowler served as chairman for a short period before moving to another pastorate.

I attended the Associational Missions Development Council Conference at Ridgecrest Conference Center this summer and gained insight into the Associational Missions Council structure.

As we take the suggested plan of Associational Missions Development Council structure by the Home Mission Board, we will take the information and adopt it to our local association.

The committee structure will consist of a chairman, a survey chairman, a promotion chairman, and various program chairmen. We will seek to organize at the association level and then encourage our churches to organize at the local church level.

Associational Missions Development Council

Evangelism Committee Report

We have had a good year. The committee has been meeting on a regular basis making plans for future emphasis on evangelism for our association and western North Carolina. The consensus of our committee is that we need an ongoing emphasis; a sort of never-let-up evangelism promotion. Baptisms are up for our association which is a positive sign. Praise the Lord! Let's keep up the good work.

"Here's Hope" Revivals in many of our churches in April was a positive promotion for us. We had many churches reporting good results - a contributing factor in the increased number of baptisms.

The Mass Evangelism Conference in Charlotte was attended by several from our committee and association. This was good training for future use in our area.

Plans are underway for a mini-Evangelism Conference here in Buncombe County in conjunction with our Quarterly Association Meeting in January. This will be a quality time. We have Dr. John Corts and John Riggs, both excellent speakers and very knowledgeable in evangelism circles. They are with the Billy Graham Evangelistic Association. We are arranging for both speakers to speak at a day session and a night session. This will give lay people a real opportunity to participate. I look forward to seeing you there. Every church should have representatives there. Thanks for your good support this past year.

Mike Smith, Chairman
Evangelism Committee

New Work Report

There have not been any significant new work starts in the Buncombe Baptist Association in the last 12 months. We are pleased with the progress of the Clear Branch Baptist Church on Highway 9, the Korean Church meeting at Biltmore Baptist Church, and the resurrection of the Wilkey Baptist Church on Highway 9 between Black Mountain and Bat Cave.

New work does not necessarily mean starting a new church. It may involve an existing church reaching out to start a new Bible study, a preaching station, or an outreach point.

Our Buncombe County area is growing! The Buncombe County population now stands at 178,815. By 1995 the projected figure is 185,748, a change of 3.9% + . Although there appears to be a church on every corner, hill and cove, there are still "pockets" or "areas" where Christ needs to be preached and taught!

Let's help our churches become aware, concerned and involved in reaching all people of Asheville and Buncombe County with the "good news."

Frank Hopkins, Chairman
New Work Committee

John G. Hicks Scholarship Fund

The John G. Hicks Scholarship Fund balance now stands at $2,921.01. This fund, administered by the North Carolina Baptist Foundation, is designed to assist students attending one of our Southern Baptist Seminaries.

The fund was established in 1985 in memory and honor of Rev. John G. Hicks, Director of Missions, Buncombe Baptist Association 1972-1984.

Churches and individuals are encouraged to contribute to the John G. Hicks Scholarship Fund which will benefit worthy students with some financial assistance as they pursue their theological education.

Applications may be secured by contacting Buncombe Baptist Association, 2 Sulphur Springs Road, Asheville, North Carolina 28806.

Buncombe Baptist Ministers' Conference

An opportunity to fellowship with kindred spirits, to relax, to be informed and inspired is available to all Buncombe Baptist pastors and staff each Monday at 10:00 A.M. We meet for an hour at First Baptist Church, Asheville, and on an average, a dozen of us continue on to J & S Cafeteria for food and more fellowship.

The new officers serving from October 1, 1990 through March 1991 are: President, F.S. Johnson; Vice-President, Hilton Moore; Secretary-Treasurer, Scott Shields; Program Chairman, Derrill Smith; Song Leader, Alan Cox; Pianist, Martha Hicks.

It is our hope that all pastors and staff will take advantage of this means of drawing closer to the Lord and to each other.

F.S. Johnson, President

Bi-vocational Ministers

The North Carolina Baptist State Convention reports there are 942 bivocational pastors in the state of North Carolina. There are six hundred plus in the mountains of western North Carolina. In Buncombe Baptist Association approximately one-third of the churches are pastored by bi-vocational pastors. In addition there are many other bi-vocational ministers of music, youth, and associate pastors.

There are many demands on the bi-vocational minister. He has to manage his time well, put in priority his duties and responsibilities, and seek God's will upon all he undertakes.

The Buncombe Baptist Bi-vocational Ministers have come together in the past for periods of fellowship and training. Normally, we have two learning seminars and two fellowship gatherings each year.

Although attendance has been sparse, we will continue to meet and offer opportunities for all bi-vocational ministers in the Buncombe Baptist Association.

Pray for all bi-vocational ministers. If you would like to learn more about bi-vocational ministers there is an excellent video available through the association office entitled "Whatever It Takes." There is a book on bi-vocational ministers entitled *The Bi-vocational Pastor* by Luther M. Door. This is also available through the association office.

ACTS Board of Buncombe County

After many years of work, the ACTS Board was able to work out a plan with Asheville Cable to become a part of the ACCN (Asheville Christian Cable Network) which is viewed on both Asheville Cable and Cencom Cable in our county. The president of the ACTS Board is now a standing member of the ACCN Planning Board.

Along with showing many hours of the ACTS network on the cable channel, ACCN offered to Buncombe Baptists a "free hour" of broadcast time which has become *The Buncombe Baptist Hour* shown at 8:00 P.M. each Thursday night on Asheville Cable. In the past months, ten of our pastors and our Director of Missions have been hosts on this program providing a variety of outstanding programs on evangelism, Bible studies, social services, Foreign, Home, State, and Associational Missions.

We were recently advised by the manager of ACCN that beginning in January 1991 they will be able to broadcast simultaneously on Asheville Cable and Cencom 24 hours a day. This will greatly expand our viewing audience for the Buncombe Baptist Hour and will provide for us at least 52 hours per year pf prime television time to tell about our cooperating mission work as well as hundreds of hours of programs of the ACTS network.

We are still talking with our friends at Mars Hill College about a cooperative effort to provide a studio for production as well as seek some creative ways to advertise the *Buncombe Baptist Hour.* At present the balance of our funds to provide for all these needs is approximately $2,380.00.

"Free at Last!" These are famous words we have heard many times over and over again. The year 1989 will go down in history as the year millions of captives all over the world were set free - both physically and spiritually. The Berlin Wall came down and also walls that separated people from God's word.

The peoples of the Soviet Union and Eastern Europe almost overnight became free to ask for copies of the Scriptures which they had been denied so long. In China the freedom also has come for those to receive and read God's Word in their own language.

These are not the only ones freed in 1989 - at least one book of God's Word is now translated in 1,928 languages. This is an increase of 21 over the number available at the end of 1988. It is hard for us who are so blessed with so many Bibles to realize such a freedom as this. Let us agree to be more thankful each day for all of our freedoms.

And millions in all parts of the world were freed from the bonds of illiteracy and now can read for themselves *Wonderful Words of Life* through American Bible Society New Reader Scriptures.

There was a total of 106,387,501 Scriptures distributed in the United States in 1989. Did you help distribute any of that number? If not, make a commitment to do so and let's all work harder to spread the Good News to everyone.

1990 Report of Baptist Children's Homes of North Carolina, Inc.

Michael C. Blackwell, President

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Baptist Foundation Report

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable organization, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May 1990. This exceeds the asset growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$ 1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$ 1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As

a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, bypass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs seven full-time employees and operates under the direction of a 20-member Board of Directors elected by the Baptist State Convention.

Edwin S. Coates, Executive Director
Art Stainback, Association Representative

Baptist Hospital 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession . . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion is the Day Care Center for children of medical center employees. Under construction is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out artherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hopsital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperate Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Respectfully submitted,

Baptist Retirement Homes Report

1990: PROVIDING THE BEST OF TIMES TO N.C. OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state—in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facility, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state the other homes face a promising year.

In Winston-Salem Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care—independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its healthcare unit—to 350 Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs—whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

The *Biblical Recorder*

We need informed Baptists to make right decisions concerning the work of Christ's Kingdom.

Baptists must have sources of news and information upon which to make these decisions. The *Biblical Recorder* is one source; nothing else matches the *Recorder* as a primary source of news, information, inspiration and challenge in our missions efforts together.

In the coming year the *Recorder* will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

In order to save churches large amounts of money, and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder.* This saves staff time, postage, and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

Never has God given Baptists a greater opportunity; never have there been as many obstacles to overcome. One way to face the problems and overcome the barriers is to have the facts.

This is why the *Recorder* was born. That is why it serves today.

Christian Action League of North Carolina, Inc.
1990 Annual Report

The last 12 months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

   All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. They employed the most effective lobbyists that can be found in North Carolina. Yet, all of this wasn't enough because the Christian community spoke up.

   We can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

   Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committe, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

3. ABORTION

   Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. However, the Senate voted to leave the funding at its current rate.

   A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in Senate.

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felony.

The U.S. Supreme Court, in upholding an Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children." Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate.

Church and Community Assistance

In the past year the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc. in their efforts to defeat various references such as liquor-by-the-drink and beer-wine sales.

We seek to keep the Christian community informed on moral and ethical issues through our publication, *Tommorow*, and through speaking in churches, pastors' conferences, and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

Cooperative Program

"Give: Light the World"

This was the theme for Cooperative Program Day in our churches this past April.

Matthew 5:14-16, "You are the light of the world. A city set on a hill cannot be hidden. Nor do men light a lamp, and put it under the peck-measure, but on the lamp-stand; and it gives light to all who are in the house. Let your light shine before men in such a way that they may see your good works and glorify your Father who is in heaven."

Cooperative Program gifts from churches testify to the light of Christ by supporting the ministries of state conventions and Southern Baptist Convention agencies. A large portion of these cooperative gifts support the ministries of the Foreign Mission Board and the Home Mission Board with approximately 8,000 missionaries testifying to the light of the gospel in all 50 states and in more than 115 countries of the world. *Isn't this exciting?*

We are a part of all this as we give through the Cooperative Program. No one person, nor no one church could do this alone. We as Southern Baptists believe that the Cooperative Program is the best method of funding this great task.

Let's "Let Our Little Light Shine" from North Carolina to the ends of the earth.

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

The Tripod

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. *The authority of the Scriptures and the Lordship of Christ.* Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.

2. *The competence of the individual and the priesthood of believers.* Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.

3. *The autonomy of the local church and cooperation in Christian service.* Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.

4. *Freedom of religion and a free church in a free state.* Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

Association Board and Executive Committee Actions

EXECUTIVE COMMITTEE - AUGUST 7, 1989

Bob Kinser, "Blue Ribbon" Site Location chairman, brought the information that the owner of the lot adjacent to the Resource Center property on Hazel Mill Road was willing to trade his property for the missions house belonging to the Buncombe Baptist Association and located on Lanvale Avenue behind the association office. It would be an equal trade but some costs would be involved: title examination $350; survey $250; real estate commission $2,000; document preparation $50; and NC revenue stamp $40; making a total of $2,690. Shelby Horton offered the services of his office in reducing the title examination from $350 to $150. Mr. Kinser made the motion that we approve the trade of property. Mr. Horton made an amendment that his offer of reducing the title examination be included. The motion passed.

EXECUTIVE COMMITTEE - SEPTEMBER 18, 1989

Dr. Art Stainback, North Carolina Baptist Foundation representative, brought the following recommendation: "Be it moved that we proceed with plans to establish an income Trust Fund through the North Carolina Baptist Foundation for the purpose of helping fund the work of the Buncombe Baptist Association and that we invite a representative of the North Carolina Baptist Foundation to present a proposal at the coming annual meeting of the association." The motion passed.

Rev. Edgar Ferrell, chairman of the Finance Committee, presented the proposed budget for 1990 and moved that it be accepted. The motion passed.

EXECUTIVE COMMITTEE - DECEMBER 4, 1989

Submitted by Shelby Horton, chairman, Fody Bennett and Glenn Stroud, members. This amendment will be voted on in tomorrow's meeting.

Carolyn Charles, Director, Church and Community Ministries, presented a brief report on areas of ministry in CCM; singles, senior adults, resort, family prison ministry, literacy, and summer missions. Bill Jones was recognized as Volunteer of the Year for his work in resort missions - rest stop and Buncombe County fair projects. Dee Shaw Foreman, Director of Church Development, gave an audio-visual report with each program director stepping forward on stage as their program was highlighted. Gayle Brown, Director of Missions, gave his annual State of Buncombe Association message.

John Knight introduced the speaker for the evening who was Luther Osment, Western Area Director of Family Services, Baptist Children's Homes of North Carolina, and after a duet, "Hiding in Thee" presented by Don Welborn and Allen Cantrell, Rev. Osment brought an inspiring and challenging message, commending Buncombe Baptists for their progress through the years and as we move forward with the new Buncombe Baptist Resource Center. He emphasized that we need to work together despite our differences. The prayer of dedication and commitment was led by Bart Hildreth, pastor, Weaverville First Baptist Church.

SECOND SESSION

The second session of the 109th Annual Meeting of the Buncombe Baptist Association was held at Newfound Baptist Church beginning with a delicious dinner served in the Fellowship Hall. After moving to the sanctuary, the meeting began with the congregation singing the hymn, "God of Grace, God of Glory," led by Roger Ward. Also sung was "Churches in Association." Stan Willett, pastor, Berea, read the scripture, Isaiah 53:4-10 and Steve Cobb, pastor of Macedonia, led in prayer. Charles Phillips, host pastor, extended a welcome to all present. James Johnson appointed John Knight as parliamentarian.

Jackie Collins, chairman, Committee on Committees, presented their report for adoption, which was given. James Johnson, Vice-Moderator, asked Jackie Collins, chairman of the Nominating Committee, to serve as interim moderator as Larry Sprinkle presented James Johnson to serve as Moderator. He was elected as Moderator and Steve Pressley was elected to serve as Vice-Moderator. Jackie Collins moved the adoption of the rest of the committee's report. The motion passed.

The hymn, "Redeemed, How I Love to Proclaim It," was led by Jim Burnett. Howard Candler, treasurer, presented the financial report, and Edgar Ferrell, chairman of the Finance Committee brought the 1991 budget for approval which was given. Lester Crayton, chairman, Place and Preacher Committee, announced that the association's 110th Annual Meeting would be held October 14, 1991, at the Skyland Baptist Church and the second session will be held at the Swannanoa First Baptist Church, October 15, 1991. The preacher will be James Johnson and alternate, Charles Phillips. The report was adopted. Shelby Horton for the Constitution Committee presented the amendment to the bylaws which had been given at the first session and moved its adoption. The motion passed. Resolutions of appreciation to host churches and annual meeting program participants were brought by Charlie Sams, chairman, Resolutions Committee. (Resolution printed at end of proceedings.)

Jim Greene, Director, Youth and Campus Ministries, North Carolina Baptist State Convention, brought the Cooperative Program message. Evans Whitaker, North Carolina Baptist Foundation, was speaker for agencies and institutions.

The hymn, "He Keeps Me Singing," was led by Carson Moseley. In miscellaneous business Edgar Ferrell for the Personnel Committee recommended that Betty Orr continue working in the association office for another year. The motion passed.

E.V. Plemmons, chairman, Memorial Committee, led a meaningful service remembering the 327 members who had passed on since our last meeting. Included in these were 12 deacons and six ministers.

Jack Roberts read portions of scripture from Hebrews 11 and 12, and after the special music, "Fill Every Part of Me with Praise" and "My Jesus, I Love Thee" sung by the associational Adult Choir, the annual sermon was given by Larry Sprinkle, pastor, Victory Baptist Church. Larry, from Acts 2:44, stated that there were three common threads that

held us together - commitment to the Lordship of Christ, commitment to each other, and commitment to bringing the world to Jesus Christ. From Hebrews 11 and 12, he brought four words of encouragement - **POSITION** among witnesses; **PREPARATION** must be made (getting rid of weights and sins); **PERFORMANCE** - definite goal in mind (endurance, patience); and **POWER** - looking unto Jesus. The prayer of dedication and commitment was led by Michael Stewart, pastor, Reed Memorial Baptist Church. Instrumentalists for both sessions were Susan Ward and Mike Adcock.

Auditor's Report

We have revised the financial records of the Buncombe Baptist Association for the period ended January 1 to December 31, 1989.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the financial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

Sincerely,
Wallace Stewart, Accountant
